### **The Words and Music of Taylor Swift** James E.

Perone,2017-07-14 This scholarly analysis of the music of Taylor Swift identifies how and why she is one of the early 21st century's most recognizable and most popular stars. By the age of 13, singer-songwriter Taylor Swift had already inked a development deal with a major record label. This early milestone was an appropriate predictor of what accomplishments were to come. Now a superstar artist with an international fanbase of millions and several critically acclaimed and commercially successful albums, Swift has established herself as one of the most important musicians of the 21st century. This accessible book serves Taylor Swift fans as well as students of contemporary popular music and popular culture, critically examining all of this young artist's work to date. The book's organization is primarily chronological, covering Taylor Swift's album and single releases in order of release date while also documenting the elements of her music and personality that have made her popular with fans of country music and pop music across a surprisingly diverse age range of listeners. The chapters address how Swift's songs have been viewed by some fans as anthems of empowerment or messages of encouragement, particularly by members of the LGBTQ community, those who have been bullied or been seen as outsiders, and emerging artists. The final chapter places Swift's work and her public persona in the context of her times with respect to her use of and relationship with technology—for example, her use of social media and songwriting technology—and her expressions of a new type of feminism that is unlike the feminism of the 1970s.

### **A Matter of Tyme: The Book** Tyme

Johnson,2010-08-30 In the blink of an eye, your life can

change from having everything you've ever desired to having absolutely nothing at all. *A Matter of Tyme* is your backstage pass into the life of Tyme Johnson, singer, songwriter, and survivor. Candidly told, she shares her personal experiences that are both heart wrenching and heroic, having overcome homelessness, heartbreak, and rejection. Raped of her mind, body, and soul, she turns to self reflection, which allows her to rise above the ashes. When it seemed like the curtains were drawing closed, Tyme fought to remain in the spotlight. Get a glimpse into the life of a struggling artist, whose trials and tribulations will provide encouragement to those who fear taking risks, those who have given up on their dreams, and those who have just grown weak in their journey to accomplish their goals. *A Matter of Tyme* is a story of inspiration, courage, and determination. After reading the true accounts of this songstress, you'll realize that with persistence and faith, everything you desire is within your grasp. If your will is strong enough, nothing is impossible. It's only *A Matter of Tyme*.

**21-Hit Wonder** Sam Hollander, 2022-12-06 Rising up the charts seemed, at many points in Sam Hollander's career, highly unlikely. This is his story of failing his way to the top. As one of the most renowned, multi-platinum songwriters and producers in the game, Sam Hollander has written and produced for the likes of Panic! At The Disco, One Direction, Katy Perry, Ringo Starr, Def Leppard, Carole King, Weezer, blink-182, Jewel, Train, Fitz and the Tantrums, Billy Idol, Tom Morello, and many others. But before he was stacking Billboard hits, Hollander was piling up calamitous flops, false starts, and feeling like the world was moving on and up without him while he spun in place. Today he wears that decade of misses like a badge of honor. In *21-Hit Wonder*, he's collected anecdotes from his

wild music industry rollercoaster ride to help aspiring songwriters and other creatives learn about survival, endurance, scheming, hustle, and the importance of laughing even on the worst days of the journey. Music lovers spanning generations and genres will find stories about many of their heroes and industry icons. 21-Hit Wonder is one part chronicle of a songwriter's storied career and another part love letter to anyone who has been counted out—from no-hit wonders and one-hit wonders to the novelties and the never-beens—and just needs a bit of inspiration to persevere. Sam's inspiring story is proof that setbacks are just steps on the road to success.

Singer-Songwriters and Musical Open Mics Marcus Aldredge, 2016-04-01 Singer-Songwriters and Musical Open Mics is an ethnographic exploration of New York City's live music events where musicians sign up and perform short sets. This sociological study dispels the common assumption that open mics are culturally monolithic and reserved for novice musicians. Open mics allow musicians at different locations within their musical development and career to interactively perform, practice, and network with other musicians. Important themes in the book include: the tension between self and society in the creative process, issues of creative authenticity and authorship, and on-going cultural changes central to the Do-It-Yourself cultural zeitgeist of the early 21st century. The open mic's cultural antecedents include a radio format, folk hootenannies, and the jazz jam session. Drawing from multiple qualitative methods, Aldredge describes how open mics have etched a vital organizational place in the western and urban musical landscape. Open mics represent a creative place where the boundaries of practicing and performing seemingly blur. This allows for a range of social settings from more competitive, stratified,

and homogenous music scenes to culturally diverse weekly events often stretching late into the night.

**Creating the Revolutionary Artist** Mark Rabideau,2018-06-08 As traditional music career paths become increasingly scarce, 21st-century musicians must reach out to new and diverse audiences to ensure career success and sustainability. Many universities and conservatories now offer entrepreneurship courses for their students, but musicians already in the working world must also learn to build relationships with their communities, jumpstart and fund new initiatives, engage new audiences, and ultimately create successful and meaningful careers. Creating the Revolutionary Artist challenges performers to build increased audiences through creative action and community involvement. Based on Mark Rabideau's revolutionary online text The 21CM Introduction to Music Entrepreneurship, this book will jumpstart the careers of musicians and artists in all styles and at all levels as it lays out business and project management acumen within a talent-driven spirit of civic-mindedness. Drawing together the real-world wisdom of world-class musicians and educators, the book includes strength identification and idea creation exercises, inspiring case studies, and a toolkit of how-to guides to

lead the reader through a successful community-based project and on to a rewarding career in the arts.

Sounds Like Me Sara Bareilles, 2019-10-15 This updated New York Times bestselling collection of essays by seven-time Grammy nominated singer songwriter Sara Bareilles “resonates with authentic and hard-won truths” (Publishers Weekly)—and features new material on the hit Broadway musical, *Waitress*. Sara Bareilles “pours her heart and soul into these essays” (Associated Press), sharing the joys and the struggles that come with creating great work, all while staying true to yourself. Imbued with humor and marked by Sara’s confessional writing style, this essay collection tells the inside story behind some of her most popular songs. Well known for her chart-topper “Brave,” Sara first broke through in 2007 with her multi-platinum single “Love Song.” She has since released seven albums that have sold millions of copies and spawned several hits. “A breezy, upbeat, and honest reflection of this multitalented artist” (Kirkus Reviews), *Sounds Like Me* reveals Sara Bareilles, the artist—and the woman—on songwriting, soul searching, and what’s discovered along the way.

**The Songwriter** Chris Regez, 2020-07-31 If you like the TV-Series *Nashville* or the blockbuster *A star is born*, the music novel *The Songwriter* is for you! Girlfriend gone. Job gone. Everything gone. Joe Baker has reached the lowest point of his life. But he has a dream. He leaves San Diego, his hometown, to try his luck as a songwriter in Nashville. Joe arrives in Music City, USA on a warm, autumn day with just a guitar, a notebook, and the address of a female singer. Will Joe Baker break out of his negative spiral and make his dreams come true?

*The Singer-Songwriter Handbook* Justin

Williams, Katherine Williams, 2017-02-23 The singer-songwriter, someone who writes and performs their own music, is an ever-present and increasingly complex figure in popular music worlds. *The Singer-Songwriter Handbook* provides a useful resource for student songwriters, active musicians, fans and scholars alike. This handbook is divided into four main sections: Songwriting (acoustic and digital), Performance, Music Industry and Case Studies. Section I focuses on the 'how to' elements of popular song composition, embracing a range of perspectives and methods, in addition to chapters on the teaching of songwriting to students. Section II deals with the nature of performance: stagecraft, open mic nights, and a number of case studies that engage with performing in a range of contexts. Section III is devoted to aspects of the music industry and the business of music including sales, contract negotiations, copyright, social media and marketing. Section IV provides specific examples of singer-songwriter personae and global open mic scenes. The

Singer-Songwriter Handbook is a much-needed single resource for budding singer-songwriters as well as songwriting pedagogues.
