

Obama For America

Desmond King, Rogers M. Smith

Obama's America Dinesh D'Souza, 2014-07 Argues that President Obama's recent actions prove his anti-colonialist roots and predicts how much worse America is because of President Obama's second term. By the best-selling author of *The Roots of Obama's Rage*. Reprint.

Obama's America Ian Reifowitz, 2012 Authors starting point is Obamas speech of July, 2008, *The America We Love*, and argues that Obama has the potential to have greater impact on how Americans understand their national identity, and define it, than any president since Abraham Lincoln. Includes contrasting visions from both the GOP and Tea Party of what it means to be an American, and why they find Obamas vision so threatening. Authors opinion pieces and articles have appeared in *Newsday*, *The New Republic*, *History News Network*, and the *Daily Kos*; Markos Moulitsas (*kos*) has agreed to provide an endorsement for the book (to come).

Barack Obama's America John White, 2018-03-22 White's *Barack Obama's America* eloquently captures both the important nuances of the current political scene and its long-term consequences. ---Richard Wirthlin, former pollster for Ronald Reagan This delightfully written and accessible book is the best available account of the changes in culture, society, and politics that have given us Barack Obama's America. ---Stan Greenberg, pollster for Bill Clinton and Chairman and CEO of Greenberg Quinlan Rosner Research From one of the nation's foremost experts on how values shape our politics, a clear and compelling account of the dramatic shifts in social attitudes that are transforming American political culture. White's masterful blend of narrative and data illuminates the arc of electoral history from Reagan to Obama, making a powerful case for why we are entering a new progressive political era. ---Matthew R. Kerbel, Professor of Political Science, Villanova University, and author of *Netroots* John Kenneth White is bold. He asks the big questions . . . Who are we? What do we claim to believe? How do we actually live? What are our politics? John Kenneth White writes compellingly about religion and the role it played in making Barack Obama president. White's keen insight into America's many faiths clarifies why Barack Obama succeeded against all odds. It is a fascinating description of religion and politics in twenty-first-century America---a must-read. ---Kathleen Kennedy Townsend, former Lieutenant Governor of Maryland and author of *Failing America's Faithful* In *Barack Obama's America*, John Kenneth White has written the political equivalent of Baedeker or Michelin, the definitive guide to and through the new, uncharted political landscape of our world. White captures and explains what America means---and what it means to be an American---in the twenty-first century. ---Mark Shields, nationally syndicated columnist and political commentator for PBS NewsHour John White has always caught important trends in American politics that others missed. With his shrewd analysis of why Barack Obama won, he's done it again. ---E. J. Dionne, Jr., Senior Fellow, Brookings Institution, and University Professor in the Foundations of Democracy and Culture at Georgetown University The election of Barack Obama to the presidency marks a conclusive end to the Reagan era, writes John Kenneth White in *Barack Obama's America*. Reagan symbolized a 1950s and 1960s America, largely white and suburban, with married couples and kids at home, who attended church more often than not. Obama's election marks a new era, the author writes. Whites will be a minority by 2042. Marriage is at an all-time low. Cohabitation has increased from a half-million couples in

1960 to more than 5 million in 2000 to even more this year. Gay marriages and civil unions are redefining what it means to be a family. And organized religions are suffering, even as Americans continue to think of themselves as a religious people. Obama's inauguration was a defining moment in the political destiny of this country, based largely on demographic shifts, as described in Barack Obama's America. John Kenneth White is Professor of Politics at the Catholic University of America in Washington, D.C. Cover image: Out of many, we are one: Dare to Hope: Faces from 2008 Obama Rallies by Anne C. Savage, view and buy full image at http://revolutionaryviews.com/obama_poster.html.

Hope! Eric Stevens, 2010 When Anton is sentenced to community service on Martin Luther King Jr. Day, he thinks it's just a punishment fit for someone who'll never do any better. As he watches the inauguration of the 44th President of the United States, he begins to realize that he has the power to change the world-- by starting with himself.

Obama's America Carl Pedersen, 2009-04-14 The year 2008 will be remembered as the moment when the US elected its first African American president. This revealing book seeks to place the extraordinary rise of Barack Obama within the larger context of a possible historic political realignment in the US and of limits to US power in the world. For 2008 also offered a number of history lessons that will surely inform studies of the election and its aftermath. Carl Pedersen's book is an attempt to engage with these history lessons. It examines the demographic changes that will likely change the nature of American national identity. And it assesses the extent to which the grassroots organizations that were crucial in winning the election for Obama may influence the way he will govern the nation. Obama's America also attempts to map out the contours of an Obama Doctrine in foreign policy by looking at how his identity has shaped his views on the role of the US in the world and how he, in turn, has been influenced by his foreign policy advisers. It examines the challenges Obama faces in confronting a post-American world in which the US is no longer the sole superpower. Will Obama be a transformative president?

Who's Running America? Thomas R. Dye, 2015-10-23 A classic of American government, *Who's Running America?* continues to demonstrate how power is concentrated in large institutions no matter who inhabits the White House. The eighth edition of this best-selling text focuses on the Obama administration and the ways in which it is different from but also similar to administrations that have come before. Based on years of exhaustive data compilation and analysis, *Who's Running America?* explores the influence and impact of governmental leaders, corporate officials, and other elites both inside and outside the United States. Employing an oligarchic model of national policymaking, Tom Dye doesn't just lay out theory and data. He very consciously names names in describing the people who inhabit the White House, the Cabinet, the leaders of Congress, members of the Supreme Court, as well as the board rooms of the nation's largest corporations and banks including leading media lights as well as fat cat political contributors. Dye argues that big institutions run America, but also that these institutions are made up of real people. *Who's Running America?* puts the flesh and bones on the statistics and delivers the inside scoop on the Obama reign.

Groundbreakers Elizabeth McKenna, Hahrie Han, 2014 Much has been written about the historic nature of the Obama campaign. The multi-year, multi-

billion dollar operation elected the nation's first black president, raised and spent more money than any other election effort in history, and built the most sophisticated voter targeting technology ever before used on a national campaign. But what is missing from these accounts is an understanding of how Obama for America organized its formidable army of 2.2 million volunteers -- over eight times the number of people who volunteered for democratic candidates in 2004. Unlike previous field campaigns that drew their power from staff, consultants, and paid canvassers, the Obama campaign's capacity came from unpaid local citizens who took responsibility for organizing their own neighborhoods months--and even years--in advance of election day. In so doing, Groundbreakers argues, the campaign enlisted citizens in the often unglamorous but necessary work of practicing democracy. Hahrie Han and Elizabeth McKenna argue that the legacy of Obama for America is a transformation of the traditional models of field campaigning. Groundbreakers makes the case that the Obama ground game was revolutionary in two regards not captured in previous accounts. First, the campaign piloted and scaled an alternative model of field campaigning that built the power of a community at the same time that it organized it. Second, the Obama campaign changed the individuals who were a part of it, turning them into leaders. Groundbreakers proves that presidential campaigns are still about more than clicks, big data and money, and that one of the most important ways that a campaign develops its capacity is by investing in its human resources--

Change We Can Believe In Obama for Change,2008-09-08 At this defining moment in our history, Americans are hungry for change. After years of failed policies and failed politics from Washington, this is our chance to reclaim the American dream. Barack Obama has proven to be a new kind of leader—one who can bring people together, be honest about the challenges we face, and move this nation forward. Change We Can Believe In outlines his vision for America. In these pages you will find bold and specific ideas about how to fix our ailing economy and strengthen the middle class, make health care affordable for all, achieve energy independence, and keep America safe in a dangerous world. Change We Can Believe In asks you not just to believe in Barack Obama's ability to bring change to Washington, it asks you to believe in yours.

Transforming America Steven E. Schier,2011-09-16 The presidency of Barack Obama seeks major transformation of American politics and policy. This new collection, edited by Steven E. Schier, examines the unusual combination of risk and ambition in Obama's presidency concerning popular politics, Washington politics, and economic and foreign policy. It also places the Obama presidency in historical perspective, noting the unusual circumstances of his election and the similarities and differences between presidential politics today and those of previous eras. Transforming America: Barack Obama in the White House provides a guiding focus involving the successes and failures of the administration's transformative aspirations during Obama's initial years in the White House.

The Black Presidency Michael Eric Dyson,2016-02-02 A provocative and lively examination of the meaning of America's first black presidency, by the New York Times-bestselling author of Tears We Cannot Stop. Michael Eric Dyson explores the powerful, surprising way the politics of race have shaped Barack Obama's identity and groundbreaking presidency. How has President Obama dealt publicly with race—as the national traumas of Tamir Rice, Trayvon Martin,

Michael Brown, Eric Garner, Freddie Gray, and Walter Scott have played out during his tenure? What can we learn from Obama's major race speeches about his approach to racial conflict and the black criticism it provokes? Dyson explores whether Obama's use of his own biracialism as a radiant symbol has been driven by the president's desire to avoid a painful moral reckoning on race. And he sheds light on identity issues within the black power structure, telling the fascinating story of how Obama has spurned traditional black power brokers, significantly reducing their leverage. President Obama's own voice—from an Oval Office interview granted to Dyson for this book—along with those of Eric Holder, Al Sharpton, Jesse Jackson, Andrew Young, and Maxine Waters, among others, add unique depth to this profound tour of the nation's first black presidency. "Dyson proves...that he is without peer when it comes to contextualizing race in twenty-first-century America... A must-read for anyone who wants to better understand America's racial past, present, and future."—Gilbert King, author of the Pulitzer Prize-winning *Devil in the Grove* "No one understands the American dilemma of race—and Barack Obama's confounding and yet wondrous grappling with it—better than [Dyson.]"—Douglas Blackmon, author of the Pulitzer Prize-winning *Slavery by Another Name*

The Audacity of Hope Barack Obama, 2006-10-17 #1 NEW YORK TIMES BESTSELLER • Barack Obama's lucid vision of America's place in the world and call for a new kind of politics that builds upon our shared understandings as Americans, based on his years in the Senate "In our lowdown, dispiriting era, Obama's talent for proposing humane, sensible solutions with uplifting, elegant prose does fill one with hope."—Michael Kazin, *The Washington Post* In July 2004, four years before his presidency, Barack Obama electrified the Democratic National Convention with an address that spoke to Americans across the political spectrum. One phrase in particular anchored itself in listeners' minds, a reminder that for all the discord and struggle to be found in our history as a nation, we have always been guided by a dogged optimism in the future, or what Obama called "the audacity of hope." *The Audacity of Hope* is Barack Obama's call for a different brand of politics—a politics for those weary of bitter partisanship and alienated by the "endless clash of armies" we see in congress and on the campaign trail; a politics rooted in the faith, inclusiveness, and nobility of spirit at the heart of "our improbable experiment in democracy." He explores those forces—from the fear of losing to the perpetual need to raise money to the power of the media—that can stifle even the best-intentioned politician. He also writes, with surprising intimacy and self-deprecating humor, about settling in as a senator, seeking to balance the demands of public service and family life, and his own deepening religious commitment. At the heart of this book is Barack Obama's vision of how we can move beyond our divisions to tackle concrete problems. He examines the growing economic insecurity of American families, the racial and religious tensions within the body politic, and the transnational threats—from terrorism to pandemic—that gather beyond our shores. And he grapples with the role that faith plays in a democracy—where it is vital and where it must never intrude. Underlying his stories is a vigorous search for connection: the foundation for a radically hopeful political consensus. Only by returning to the principles that gave birth to our Constitution, Obama says, can Americans repair a political process that is broken, and restore to working order a government that has fallen dangerously out of touch with millions of ordinary Americans. Those Americans are out there, he

writes—"waiting for Republicans and Democrats to catch up with them."

Barack Obama Thomas E. Carney, 2013 The 44th U.S. President, Barack Obama, has fulfilled the dream of inclusiveness for American society by moving contemporary society closer towards universal equality for all. Dr Thomas E Carney has written a powerful and incisive volume on the life and policies of Obama from his birth in Hawaii in 1961, through his diverse roots in Hawaii and Indonesia, to his education in Jakarta (St. Francis of Assisi) and Honolulu (Punahou), Occidental and Columbia Universities, to his presidency of the prestigious Harvard Law Review in 1990. The challenges Barack Obama faced are traced from his graduation from Harvard Law School in 1991, his first jobs with Business International Corporation and the New York Public Interest Research Group, through his internship with the Chicago law firm of Sidley & Austin where he met future wife Michelle who was his appointed mentor, to his own law position with Davis, Miner, Barnhill & Galland. Obama also worked as a community organiser early in his career seeking justice in voting rights, tenant rights, employment rights, and anti-trust suits. He worked on the Illinois Vote Project in 1992 and became a lecturer at the University of Chicago's Law School where he taught Constitutional Law. This excellent biography follows Barack Obama through his election from the 13th district to the Illinois State Senate in 1996, his successful campaign to win a U.S. Senate seat from Illinois in 2004, and the winning of the presidency in 2008. All the important policies of President Obamas election in 2008 and first term are discussed in detail: the economy and government TARP policies; fights against terrorism; the wars in Afghanistan and Iraq; the DREAM issues over immigration; and the DOMA discussions. As the first Africa-American President, this life story of President Barack Obama extending to the end of his first presidential term is a wise and moving story of hard-fought success. Barack Obamas life offers a strong role model of fine character for Americans young and old.

Barack Obama and the Myth of a Post-Racial America Mark Ledwidge, Kevern Verney, Inderjeet Parmar, 2013-10-08 The 2008 presidential election was celebrated around the world as a seminal moment in U.S. political and racial history. White liberals and other progressives framed the election through the prism of change, while previously acknowledged demographic changes were hastily heralded as the dawn of a post-racial America. However, by 2011, much of the post-election idealism had dissipated in the wake of an on-going economic and financial crisis, escalating wars in Afghanistan and Libya, and the rise of the right-wing Tea Party movement. By placing Obama in the historical context of U.S. race relations, this volume interrogates the idealized and progressive view of American society advanced by much of the mainstream literature on Obama. Barack Obama and the Myth of a Post-Racial America takes a careful look at the historical, cultural and political dimensions of race in the United States, using an interdisciplinary analysis that incorporates approaches from history, political science, and sociology. Each chapter addresses controversial issues such as whether Obama can be considered an African-American president, whether his presidency actually delivered the kind of deep-rooted changes that were initially prophesied, and whether Obama has abandoned his core African-American constituency in favour of projecting a race-neutral approach designed to maintain centrist support. Through cutting edge, critically informed, and cross-disciplinary analyses, this collection directly addresses the dimensions of race in

American society through the lens of Obama's election and presidency.

The Long Game Derek Chollet, 2016-06-28 Describes how President Obama has changed and improved the course of American foreign policy through the way he approached difficult global challenges including the wars in Iraq and Afghanistan, turbulence in Syria and the rise of ISIS, --NoveList.

Still a House Divided Desmond King, Rogers M. Smith, 2013-12-08 Why race remains the central political issue in America today Why have American policies failed to reduce the racial inequalities still pervasive throughout the nation? Has President Barack Obama defined new political approaches to race that might spur unity and progress? Still a House Divided examines the enduring divisions of American racial politics and how these conflicts have been shaped by distinct political alliances and their competing race policies. Combining deep historical knowledge with a detailed exploration of such issues as housing, employment, criminal justice, multiracial census categories, immigration, voting in majority-minority districts, and school vouchers, Desmond King and Rogers Smith assess the significance of President Obama's election to the White House and the prospects for achieving constructive racial policies for America's future. Offering a fresh perspective on the networks of governing institutions, political groups, and political actors that influence the structure of American racial politics, King and Smith identify three distinct periods of opposing racial policy coalitions in American history. The authors investigate how today's alliances pit color-blind and race-conscious approaches against one another, contributing to political polarization and distorted policymaking. Contending that President Obama has so far inadequately confronted partisan divisions over race, the authors call for all sides to recognize the need for a balance of policy measures if America is to ever cease being a nation divided. Presenting a powerful account of American political alliances and their contending racial agendas, Still a House Divided sheds light on a policy path vital to the country's future.

Biden David Lienemann, 2020-09-08 The visual chronicle of Joe Biden's eight years as vice president to Barack Obama, revealing in intimate detail who the President is as a father, friend, and leader This book captures the core of who Joe Biden is as a lifelong public servant—featuring photographs from his eight years as one of America's most consequential vice presidents and partner to Barack Obama. These visually arresting photographs and behind-the-scenes stories show Biden stepping into his own as a leader always ready to guide a nation in distress. They also reveal a new dimension to Biden's humanity—as a man whose decency and kindness shines through both tragedy and triumph, whose working-class roots inform his values, and whose candor and approachability enable him to connect with citizens of all kinds. This book traces Biden's vice presidency in unprecedented detail, shedding light on who he is as a political leader and patriot, and also as a father, husband, and friend. It will delight and fascinate readers who yearn for the return of honesty and ethics to the nation's highest offices. As we turn the page towards a brighter future, this portrait of one of the most influential names in American politics is a timeless reminder of the values this country holds truest, and of how a leader like Joe Biden can unite a nation.

The Black President Claude A. Clegg III, 2021-10-12 The first sweeping, legacy-defining history of the entire Obama presidency. Finalist of the PROSE Award for Best Book in Biography & Autobiography by the Association of

American Publishers In *The Black President*, the first interpretative, grand-narrative history of Barack Obama's presidency in its entirety, Claude A. Clegg III situates the former president in his dynamic, inspirational, yet contentious political context. He captures the America that made Obama's White House years possible, while insightfully rendering the America that resolutely resisted the idea of a Black chief executive, thus making conceivable the ascent of the most unlikely of his successors. In elucidating the Obama moment in American politics and culture, this book is also, at its core, a sweeping exploration of the Obama presidency's historical environment, impact, and meaning for African Americans—the tens of millions of people from every walk of life who collectively were his staunchest group of supporters and who most starkly experienced both the euphoric triumphs and dispiriting shortcomings of his years in office. In Obama's own words, his White House years were the best of times and worst of times for Black America. Clegg is vitally concerned with the veracity of this claim, along with how Obama engaged the aspirations, struggles, and disappointments of his most loyal constituency and how representative segments of Black America engaged, experienced, and interpreted his historic presidency. Clegg draws on an expansive archive of materials, including government records and reports, interviews, speeches, memoirs, and insider accounts, in order to examine Obama's complicated upbringing and early political ambitions, his delicate navigation of matters of race, the nature and impacts of his administration's policies and politics, the inspired but also carefully choreographed symbolism of his presidency (and Michelle Obama's role), and the spectrum of allies and enemies that he made along the way. The successes and the aspirations of the Obama era, Clegg argues, are explicitly connected to our current racist, toxic political discourse. Combining lively prose with a balanced, nonpartisan portrait of Obama's successes and failures, *The Black President* will be required reading not only for historians, politics junkies, and Obama fans but also for anyone seeking to understand America's contemporary struggles with inequality, prejudice, and fear.

Barack Obama Bob Carlton, Ariele Gentiles, 2009-07-13 Middle school and teen readers can explore the life of the 44th president of the United States in this factual and informative biography of Barack Obama's life leading up to his historic election. The life of Barack Obama is an inspirational story for anyone who has ever felt abandoned, alone, different, or who has wanted to do great things and make a difference in the world. Learn about the life-shaping experiences Barack Obama faced as he was raised by a single mom and his grandparents. Discover how he rose to the top of his class at Harvard law and accepted a faith that gives his life deeper meaning. And explore the tough choices President Obama faced when he left a lucrative career in law to work in public service. In 1967, Martin Luther King, Jr. spoke out about the state of our country and its leadership, saying, "We are confronted with the fierce urgency of now." Forty years later Barack Obama stood in the same place Abraham Lincoln once stood, and announced he was running for president because of Dr. King's words. He recognized a country in turmoil and a nation looking for something different, something better. As you read about the life of Barack Obama, look at the world around you and see how you too can participate in creating change for the better. *Barack Obama: A Biography* uses a factual presentation that makes this book perfect for school assignments provides a non-biased look at Barack Obama's life leading up to his election explores

Barack Obama's faith and the values his family instilled at a young age contains inspiring quotes from throughout his life and first presidential campaign

Our Enduring Spirit Barack Obama, 2009-10-01 On January 20, 2009, millions of people gathered at the Capitol in Washington, DC, and around televisions across the country and throughout the world to watch a new president take the oath of office. Afterward, he delivered a speech, President Barack Obama's first words to America as her leader. These are the words that make up Our Enduring Spirit. Inspirational and honest, mindful of the past while looking ahead to the future, President Obama's address conveyed a singular vision for a country united. Brought to life in stunning paintings by acclaimed artist Greg Ruth, Our Enduring Spirit is a record of this vision and a tribute to a people with the promise, the determination, and the hope to make it so. All grades

The Audacity of Deceit Bradley S. O'Leary, 2008 Argues that Barack Obama's political agenda would promote more government intervention in health care, increase taxes to pay for social initiatives, and introduce a naiveté in foreign policy which would benefit rogue states around the world.

Unveiling the Energy of Verbal Art: An Emotional Sojourn through **Obama For America**

In a world inundated with screens and the cacophony of instant transmission, the profound power and psychological resonance of verbal art usually fade in to obscurity, eclipsed by the continuous onslaught of noise and distractions. However, set within the musical pages of **Obama For America**, a captivating function of fictional elegance that pulses with organic emotions, lies an unique journey waiting to be embarked upon. Obama For America Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Obama For America PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-

to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become

lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Obama For America PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Obama For America free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Obama For America Books

1. Where can I buy Obama For America books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
