*Illogical* Emmanuel Acho,2022-03-22 From the New York Times bestselling author of Uncomfortable Conversations with a Black Man, a call to break through our limits and say yes to a life of infinite possibility. You may know Emmanuel Acho as the host of groundbreaking video series “Uncomfortable Conversations with a Black Man.” Or as a New York Times bestselling author. Or as an Emmy-winning television broadcaster. Or as a former linebacker for two NFL franchises. What you probably don’t know is that Emmanuel defines his own life with just one word: Illogical. Behind every triumph, every expression of his gifts, Acho has had to ignore what everyone around him called “logic”: the astronomical odds against making it, the risks of continuing to dream bigger or differently. Instead of playing it safe, at every turn Acho has thrown conventional wisdom—logic—out the window. Now, in this revelatory book, he’s empowering us all to do the same. Whether it’s creating the next groundbreaking startup, fighting for change as an activist, or committing to a personal passion, Illogical is the go-to book for all readers ready to become change-makers. With a step-by-step guide to finding our callings and shifting our mindsets, enlivened by stories from Acho’s life and other illogical pioneers, and the Bible, Acho asks us to replace the limits set for us, and which we set for ourselves, with a world of possibility. Our horizons, he shows us, are endless.

**A Fistful of Words** Justen Safadago,2012-03-26 A Fistful of Words became a work in progress after Sept 11. I was not born of a hardship and grew up with little issues that gave me this poetic voice. This was my only way to express what ideas and thinking process I was blessed with could be shown to the world. This book is just a compile of writings I have made from my youth to now. The interpretations of the writings come from the mind of the reader. I can only explain between the lines there are sexual references, political views, world view, religious phrases, life events, depression, hatred, rage and love in the text. But, these words are intended for the reader to capture the meaning after the reading. If no true meaning comes from one writing just keep reading to find the one that inspires or touches you when reading. This has been a lifelong dream to be able to create a book of how a mind can work when given the opportunity to express words in code. The code is simple to break if you just read and do not try to translate by each word. The meaning and purpose is for the reader to bring meaning from the text on a personal note. Do not be blind when reading the language of the words; create your own diction meaning. Let the writings bring meaning and understand it is only words, not fact.

*Love Out Loud* Ardis Dick Stenbakken,2010 Listen in as women from around the world shout Gods praise. Moments of joy and seasons of heartache are common to all of us, yet these women have learned to watch and listen for Gods love in actionHis love out loud. They have recognized His hands reaching out in welcome, His tears sliding down the face of a beloved friend, His voice whispering words of encouragement. **The President's Angel** Carla Bruce,2011-03-30 When their candidate for president dies from a massive heart attack on the eve of the party's convention, the committee scrambles to find a replacement. They agree that the cowboy charm of Drummond Wakefield, junior senator from Wyoming, is their best bet. Appalled at first at the idea of becoming a "replacement" candidate, and with only hours to make a decision, Drum weighs the options and decides to go for it. A major factor in his decision is the opportunity to run a campaign with no negative or derisive comments about the opposition. This creates problems for the party chairman, but Drum stands firm. Three days after winning the election by a narrow margin, he and his team fly to the family ranch in Wyoming to relax. On a horseback ride to his favorite place in the mountains, an angel appears to Drum and informs him that God has an important role for him to play in the restoration of godly values in America. The idea of a God so vitally and personally involved in his life continually keeps Drum off balance. He must deal with the puzzled reactions of his wife and others. He reveals his renewed commitment to God, but does not broadcast the story of the angel's visit. His boldness to propose new ways to deal with old issues upsets the status-quo, and a blackmail attempt forces him to admit and deal with an incident from his past. As the light that has entered the president's life shines brighter, penetrating the darkness of people and situations around him, opposition escalates and culminates with an assassination attempt.
