**The Sweet Life** Dulce Candy Ruiz, 2015-08-04 The YouTube star and beauty guru shares her hard-won lessons on success, style, and finding the sweetness in all aspects of your life. Since posting her first makeup tutorial in 2008, Dulce Candy has become one of the top beauty stars on YouTube, boasting more than 2 million subscribers and garnering hundreds of millions of views of her bright and energetic videos. But before she became a style icon and a role model to millions of young women, Dulce struggled to make her way in the world. Having emigrated with her family from Mexico to the United States when she was six years old, Dulce battled depression and low self-esteem as a teenager and eventually enlisted in the army in an attempt to turn her life around. It was here, on the battlefields of Iraq, that she finally uncovered and embraced her true passion—fashion and beauty—and gained the confidence to move on from her past, follow her dream, and launch what would become her wildly successful brand. The Sweet Life chronicles Dulce Candy's inspiring story, showing that anyone can be successful no matter their background and sharing the hard-won lessons that helped transform her from a shy, self-doubting teenager into a confident business woman and beauty expert. According to Dulce, you can't live the sweet life until you accept who you are—flaws and all—and take chances—knowing that failure is just a part of learning and fear is a sign that you're trying something new and exciting. Drawing on anecdotes from her own life and career, Dulce offers advice on building a personal brand ("Know what makes you different"), building confidence ("Fake it till you make it") and balancing the personal and the professional ("Don't settle

when you settle down"). She also emphasizes the importance of both inner and outer beauty, encouraging women to love themselves, ignore the critics, and flaunt their own original style. Part memoir, part manifesto, *The Sweet Life* is a fun, inspirational guide for any woman who wants to find success and happiness without compromising who she is.

*Candy Is Magic* Jami Curl,2017-04-18 Winner of the 2018 International Association of Culinary Professionals (IACP) Cookbook Award for Baking category This game-changing candy cookbook from the owner of Quin, a popular Portland-based candy company, offers more than 200 achievable recipes using real, natural ingredients for everything from flavor-packed fruit lollipops to

light-as-air marshmallows. Chai Tea Lollipops, Honey and Sea Salt Marshmallows, Chocolate Pretzel Caramels, Cherry Cola Gumdrops—this is not your average candy, or your average candy book. Candy-maker extraordinaire Jami Curl breaks down candy making into its most precise and foolproof steps. No guess work, no expensive equipment, just the best possible ingredients and stop-you-in-your-tracks-brilliant flavor combinations. She begins with the foundations of candy; how to create delicious syrups, purees, and “magic dusts” that are the building blocks for making lollipops, caramels, marshmallows, and gummy candy. But even more ingeniously, these syrups, purees, and magic dusts can be used to make a myriad of other sweet confections such as Strawberry Cream Soda, Peanut Butter Hot Fudge, Marshmallow Brownies, and Popcorn Ice Cream. And what to do with all your homemade candy? Jami has you covered, with instructions for making candy garlands, tiny candy-filled pinatas, candy ornaments, and more—you are officially party ready. But this is just the tip of the deliciously sweet iceberg--packed with nearly 200 recipes, careful step-by-step instruction, tips for guaranteed success, and flavor guides to help you come up with own unique creations—Candy is Magic is a candy call to action!

**The Candy Men** Nile Southern,2014-09-02 In the early fall of 1958, the notorious Olympia Press in Paris published a novel entitled Candy, an erotic, Rabelaisian satire loosely based on Voltaire's Candide by one Maxwell Kenton, pseudonym of its coauthors, Terry Southern and Mason Hoffenberg. The novel drew the attention of the French censors, was banned, reissued by Olympia's intrepid publisher under the title Lollipop, rebanned, then again reissued. Within years it became one of the most

talked-about novels of the tumultuous 1960s, selling in the millions of copies in America alone, its success prompting Hollywood to turn it into a movie. The hilarious, rollicking, sometimes tragic story of Candy's public career is recounted here in full. From the book's humble beginnings in late 1950s Paris through its agonizing three-year gestation (sometimes on paper napkins) and the authors' wily, often self-destructive business dealings with their equally wily French publisher, to its chaotic and controversial publication in the United States, *The Candy Men* follows Candy's underground then mainstream success—with unblinking scrutiny on the details, including the legal shenanigans that surrounded it, the blatant piracy that plagued it, and the star-studded cast that helped make it into one of the worst movies of all time. Skyhorse Publishing, along with our Arcade, Good Books, Sports Publishing, and Yucca imprints, is proud to publish a broad range of biographies, autobiographies, and memoirs. Our list includes biographies on well-known historical figures like Benjamin Franklin, Nelson Mandela, and Alexander Graham Bell, as well as villains from history, such as Heinrich Himmler, John Wayne Gacy, and O. J. Simpson. We have also published survivor stories of World War II, memoirs about overcoming adversity, first-hand tales of adventure, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

*Miss Candy Nash* Patricia Schmidt Jameson,2017-08-21 Based loosely on the life of a real person, this story is about a girl who grew up with three strikes against her. She was unwanted, overweight, and plain. The only person who really cared about her was her grandmother, who died when she was a teenager. Like the saying goes, she sought love in all the wrong places. The one

constant in her life was her quest for a god, who may or may not be real. And if he was real, did he care about her? Miss Candy Nash takes our heroine from a fourth-grade girl struggling to keep her name to a young woman shaking behind a locked bathroom door while her would-be attacker threatens to drag her by her hair to his bed. Does God care? Will he deliver her from the nightmare she finds herself in?
