**Successful Turkey Hunting** John Higley, 2014-05-06 Your go-to guide for all things turkey hunting. Successful Turkey Hunting is based on five years of columns written for the publications of the National Wild Turkey Federation, with a few stories from other publications tossed in the mix. Authors John Higley and J.J. Reich have expanded and updated the articles to fit the format of this book. Included are such subjects as what drives turkey behavior, the importance of calling, how anyone can learn to call, and the part woodsmanship plays. Also included are thoughts on basic equipment and how to deal with a wide range of scenarios encountered while hunting wild turkeys. Featured in many of the columns are such recognized professional turkey hunters as Paul Butski, Ray Eye, Matt Morrett, Alex Rutledge, Eddie Salter, Preston Pittman, Chris Parrish and Mossy Oak's Ronnie Cuz" Strickland. In articles, seminars, and this book, Higley and Reich have tried to really get into what turkey hunting is all about. It is their hope that these chapters will lead hunters to a better understanding of all phases of turkey hunting, and ultimately result in more successful hunts in spring and fall. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts. We publish books about shotguns, rifles, handguns, target shooting, gun collecting, self-defense, archery, ammunition, knives, gunsmithing, gun repair, and wilderness survival. We publish books on deer hunting, big game hunting, small game hunting, wing shooting, turkey hunting, deer stands, duck blinds, bowhunting, wing shooting, hunting dogs, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home.

**The Hunter Chef Cookbook** Michael Hunter, 2020-10-06 I recognized that Michael Hunter knows what he is talking about the minute I opened this book. Hunter is the kind of guy--and the kind of work--that you get when you combine passion, creativity, inventiveness, and elbow grease. This book makes me hungry, and Michael Hunter makes me proud to be a hunter and angler. --Steven Rinella, outdoorsman, host of the TV series and podcast MeatEater, and author The MeatEater Fish and Game Cookbook Well-known hunter and respected wild-game chef, Michael Hunter, grew up in the great outdoors. Inspired by the endless bounty of the land, hunting, fishing, foraging, and cooking is a way of life for Hunter. The book includes recipes for cooking big game, from moose and bison, to white tail deer and wild boar. *On the Fireline* Matthew Desmond, 2008-11-15 In this rugged account of a rugged profession, Matthew Desmond explores the heart and soul of the wildland firefighter. Having joined a firecrew in Northern Arizona as a young man, Desmond relates his experiences with intimate knowledge and native ease, adroitly balancing emotion with analysis and action with insight. *On the Fireline* shows that these firefighters aren't the adrenaline junkies or romantic heroes as they're so often portrayed. An immersion into a dangerous world, *On the Fireline* is also a sophisticated analysis of a high-risk profession—and a captivating read. "Gripping . . . a masterful account of how young men are able to face down wildfire, and why they volunteer for such an enterprise in the first place."—David Grazian, *Sociological Forum* "Along with the risks and sorrow, Desmond also presents the humor and camaraderie of ordinary men performing extraordinary tasks. . . . A good complement to Norman Maclean's *Young Men and Fire*. Recommended."—*Library Journal*

Tenth Legion Tom Kelly, 2021 *Tenth Legion* has long been considered the greatest - and most hilarious - book on turkey hunting. Yet until now it was only available in a privately published edition. Many people who hunt turkeys do so with an attention to detail, a regard for strategy, tactics, and operations, and a disregard for personal comfort and convenience that ranks second only to war. As for all cultists, it never occurs to them that they may be anachronisms. Supremely unconscious of the rest of the world, blind and deaf to logic and reason, they walk along their different roads in step to the music of their different drums.

The Old Pro Turkey Hunter Gene Nunnery, 2018-10-15 During his life, Gene Nunnery was recognized as a master turkey hunter and an artisan who crafted unique, almost irresistible turkey calls. In *The Old Pro Turkey Hunter*, the vaunted sportsman shares over fifty years of personal experience in Mississippi and surrounding states, along with the decades-old wisdom of the huntsmen

who taught him. Throughout the book, his stories make clear that turkey hunting is more than just killing the bird--it is about matching wits with a wild and savvy adversary. As Nunnery explains, To me that's what it's all about: finding a wise old gobbler who will test your skill as a turkey hunter. Through his stories, Nunnery reveals that the true reward for successful turkey hunting lies in winning the contest, not necessarily exterminating the foe. Real sportsmen know that every now and then the turkey should and will elude the hunter. As Nunnery looks back on his extensive career, he analyzes vast differences in practice, old and new. The shift, he decides, came during his last twenty years on the hunt, and that difference has only increased in the decades since this book was originally published. Michael O. Giles, Bass Pro staff team member, master turkey hunter, and award-winning outdoors writer and author of *Passion of the Wild*, writes a new foreword that brings the practice of turkey hunting into the present day. Filled with a tested mixture of common sense and specific examples of how master turkey hunters honor their harvest and heritage, *The Old Pro Turkey Hunter* is the perfect companion for the novice or the adept.

Illumination in the Flatwoods Joe Hutto, 2018-08 An unforgettable story about the fascinating behavior of the most elusive of wild game birds. When Joe Hutto began his experiment in imprinting two dozen wild turkey--in the tradition of the great animal behaviorist, Konrad Lorenz--he had no idea that it would change his life. Told with skill and humor, and vibrating with the natural wonders of the Florida flatwoods, *Illumination in the Flatwoods* will amaze and enrich all who share this season with the wild turkey.

*19 Before 19* Linda Palmer, 2022-05-10 Skylar Conrad, a translator, is at the Yellowstone airport waiting for Alex, her engineer boyfriend to deboard his flight from Brazil. Just as she realizes he's a no-show, she spots the last deboarding passenger, a man holding a sign with her name on it. Chris Hawke Hawkins has bad news for Skylar, a woman he has never even met. Her boyfriend is marrying someone else. A coworker of Alex, Hawke can't stand the idea of Skylar waiting for a man who doesn't deserve her. His solution? Tell Skylar the truth himself since he's already flying home to spend Christmas with his foster parents. Cody is just a little side trip and well worth it if he can do the right thing. In a way, Skylar isn't surprised that Alex hasn't come. He'd stopped all communication back in October until he sent her flight details for their meet-up. What does surprise her is the fact that there are still men as honorable as Hawke on the planet. It turns out Skylar and Hawke are both from Jackson. As payback for his trouble, Skylar offers him a ride home, a trip of four hours. But outside the airport, snow is accumulating at a crazy rate. An icy weather front that was supposed to be moving through the state has stalled. Skylar is so comfortable with Hawke that she blurts a Plan B: use the reservation she made for herself and Alex at a hotel near the airport. It's for a double room, which is perfect. Or not. Skylar has known Hawke less than an hour and, based on her experience with Alex, she's no judge of character. Luckily there's a psychic ability that helps with that...if she only knew she had it. Can the Rutledge Institute, a school for psychics in Jackson, help her with that?

*Ballad of a Turkey Hunter* Hunter Farrior, 2021-02-06 Turkey hunting is different. The humbling of nature, found only in the season of spring, is universally understood by those who hunt wild turkeys with a burning passion. There is an associated obsession, within the souls of turkey hunters, that is distinctly different than the mindset of those pursuing deer, duck, or any other realm of wild game.

This book was written to celebrate, acknowledge, and ultimately pay respect to those who embrace the sounds, feelings, and appreciations that are experienced while chasing these birds. Through a series of stories, lessons learned the hard way, and a few unfortunate situations, you will find both helpful tips and entertainment from the author's outlook toward spring turkey season as he enlightens upon his journey. Some advice and how to is also provided for turkey calling, setup strategies, camouflage patterns, roosted gobblers, and more. Through memories compiled from traveling across the southeastern and central states of the US, from his hometown in Mississippi, the author seeks to cure an addiction to the outdoor lifestyle, while providing a unique understanding to the heritage, history, and fulfillment found within the swamp bottoms of public land hunting areas. Each individual chapter is a new journey while unfolding how the mind of a turkey hunter processes the spring woods and the perceptions that eventually lead the author to create what is now known as Spring Legion.
