William A. Grew

Carry On, Oh My Soul Amanda Vittitow,2008-08-01 Morgan Huntley had always considered herself plain - kind of a nerd, certainly conservative. Jeremiah Martin was gorgeous, popular, outgoing and passionate about baseball. How on Earth did the stars of these two polar opposites intertwine? No one can say, but it was a love like legends are made of. When Jeremiah's dream of a professional baseball career rises, he risks throwing it all away for her, but Morgan sacrifices her own passionate love so he can pursue his dream. Morgan marries Will Tomlin whose charm and wit fade quickly to reveal a dark abusive past. Will's demons haunt the relationship and Morgan finds herself the victim of emotional and physical abuse that culminates in a tragic and fatal showdown. Widowed and alone, Morgan must pick up the remnants of her life. When Jeremiah returns, Morgan wonders if she can ever truly love again. Amanda Vittitow presents a dramatic portrayal of the light and dark sides of love in Carry On, Oh My Soul.

I Know You Annabel Kantaria,2019-06-11 A twisted domestic thriller in the vein of B. A. Paris and Shari Lapena that asks: How well do you know your friends? That picture you posted? I've seen it. That location you tagged? I've been there. I know everything about your life . . . And I'm going to destroy it. A recent transplant from sunny California, life in the London suburbs is not what Taylor Watson expected. Far from the West End shops and city lights she imagined, she finds herself pregnant and lonely, with a husband frequently away on business and only social media to keep her company. It's only after Taylor joins a book club and a walking group, that she finally starts to make some real-life friends. Before long, Taylor's hanging out with Anna, Sarah, Simon, and Caroline but, as her pregnancy progresses and her friendships blossom, a sense of unease develops. Nothing's ever quite as it seems on the surface, and it soon becomes clear that Taylor's new friends have secrets. One appears to be after Taylor's husband, another's always putting her down, and then there's the question of Simon. Could he have feelings for Taylor? But far more worryingly, one of the group's not being too careful what they post on social media—and another is watching all too closely. Who's stalking who . . . and why?

All About the Benjamins Ryan Benjamin,2010-07-08 There is no available information at this time.

Deadline Judy McDonough,2013-11-14 Caroline's life is on track. She's about to get her nursing degree and she's engaged to rich, handsome Trevor. But, before they get married, Trevor wants Caroline to spend the summer in Louisiana, getting to know her father, who's never been in her life. She reluctantly agrees and heads south, deep into bayou country where she meets Cade. Hot and handsome, he's pulling out all the stops to convince her that he's the man for her, not Trevor. As she becomes frightened by a series of strange accidents that began after her arrival, she learns that the woman haunting her dreams is actually a long-dead family member come to warn her about the men in her life. Caroline soon realizes that if she doesn't solve the mysteries from the past, they could permanently alter her future.

Zara Hossain Is Here Sabina Khan,2021-04-06 Zara's family has waited years for their visa process to be finalized so that they can officially become US citizens. But it only takes one moment for that dream to come crashing down around them. Seventeen-year-old Pakistani immigrant, Zara Hossain, has been leading a fairly typical life in Corpus Christi, Texas, since her family moved there for her father to work as a pediatrician. While dealing with the Islamophobia that she faces at school, Zara has to lay low, trying not to stir up any trouble and jeopardize their family's dependent visa status while they await their green card approval, which has been in process for almost nine years. But one day her tormentor, star football player Tyler Benson, takes things too far, leaving a threatening note in her locker, and gets suspended. As an act of revenge against her for speaking out, Tyler and his friends vandalize Zara's house with racist graffiti, leading to a violent crime that puts Zara's entire future at risk. Now she must pay the ultimate price and choose between fighting to stay in the only place she's ever called home or losing the life she loves and everyone in it. From the author of the heart-wrenching yet hopeful (Samira Ahmed) novel, *The Love and Lies of Rukhsana Ali*, comes a timely, intimate look at what it means to be an immigrant in America today, and the endurance of hope and faith in the face of hate.

In a Cell Phone Minute Judy Reiser,2005 You will be charmed by touching romantic connections; lose yourself in wild lost-and-found escapades; cheer at poignant, livesaving 911 calls -- and then howl with laughter at pranksters antics, absurd customer service calls, and wacky insurance claims. -- back cover.

Altarpieces Michael D. O'Kelly,2011-05-18 "Fire?ies at dawn. . . Winged essences, charred bodies still on ?re." This evocative poetry-essay collection issues a call for a renewed embracement of the reader's own expressive "self." We've each a persona to hear --- a voice to resonate through silences of night and the noises of everyday. Life is a mystery hard to crack. We bang it like a door and strum it like a lyre until it opens some new "portal" through which the voice can authentically sound-out the "truths" of being human. That's the happening of this book. Altarpieces have always been artistic creations to conceive life's "sacred" space. This book follows that tradition, if rather untraditionally. These pieces speak to "hear" life on one's own terms; from one's own altar and cathedral. This "gathering" created a poet-self identity --- called 'Apo'kstrophes'. The essays join with the poems to conceive poetry and the spiritual quest with a renewed existential-eco-romantic perspective; sounding that quest with both feet grounded on "worldly other" Planet Earth. The challenge to grasp life at the core is a wrenching-wrestling match with the "Other," that ever-present dimension of "poetry" on life's path. --- Joining philosophical play with the authenticity of word-pieces as "true orients," O'Kelly's book, with many poets helping along the way, has taken up that challenge with unflinching creativity. Want a spiritual adventure? Fly! Take the ride! "Oh, the ride! Fins spurred in shivers of hide. Life's dearness reined in the roll of the tide."

The Echo of Footsteps Sylvia A. Witmore,2010-11 This novel brings back Max & T.G. Schaffer and Chase & Shannon Westmore as well as NASCAR history at The Rock in Rockingham, N.C. The protagonist is a dance instructor named Megan Garrison. The first time she realizes that there's someone stalking her, is the third consecutive night she has heard the echo of footsteps following her; she steps into the building's shadow to see who is coming up behind her. She can tell it's a man because of his build and height but he is wearing a baseball cap pulled low on his face and in the shadows of early twilight she cannot identify him. Megan comes into contact with a race driver named Ryan Anderson who is determined to win her affection; thus the struggle begins with the Schaffers and the Westmores trying to arrange a romance; Megan fights her growing attraction to Ryan but they come together as a turbulent couple struggling to control the evident passion between them as they try to catch a vicious killer who has already murdered one woman on the main street in Hamlet in front of a new bar called the Sports Connection and he has now set his sights on Megan as his next victim. Ryan tries to protect her but it's difficult to ward off violence when the unknown catalyst is so determined to take the life of a pretty, successful young woman.

The Second Chance Boutique Louisa Leaman,2020-05-05 Utterly charming and sigh-worthy.—Josie Silver, #1 New York Times bestselling author of *One Day in December* A heartwarming story about the power of the perfect dress—and the perfect love—to change your life. Francesca Delaney has a knack for matching a bride-to-be with the wedding dress of her dreams. Her shop, *The Whispering Dress*, is no ordinary bridal boutique. Every gown is vintage, and the wedding dresses seem to share their stories with Francesca, pointing to which woman needs them next. Fran credits her success to two rules: never covet a dress and never sell a dress that led to a doomed marriage. But then she finds a beautiful 1950s couture floor-length gown, and her obsession threatens win out. The owner, however, would quite like the dark past of the dress to remain hidden forever... *The Second Chance Boutique* is a beach read perfect for fans of Danielle Steel and Josie Silver, promising that the romance of a wedding day can provide a second chance stronger than any dark past.

Silent Partners in Multicultural Education Tuija Itkonen,Fred Dervin,2017-02-01 This volume aims to stimulate interest in the under?researched role of silent partners (SPs) in multicultural education. Silent partners include formal and informal places?spaces in schools (e.g. architecture, classroom facilities, libraries, corridors, playgrounds, canteens), objects (e.g. teaching aids, furniture, wall decorations and overall interior design),

interactive technologies (use of devices and applications) but also often taken for granted and not immediately visible patterns of thought, ideologies and assumptions. People involved in education all engage and work with a number of SPs that contribute to the delivery of curricula, but also to social life and well-being in and out of schools. The way places/spaces, objects and technologies influence the school community's experiences of learning, well-being and social justice is rarely observed and problematised in education – hence the adjective 'silent' in the term 'silent partners'. This book not only fills a significant empirical gap, but it can also inject public debate over future working environments in schools for multicultural education. It will be relevant to both researchers interested in developing their knowledge on these issues from a different perspective but also educators in search of inspiration for multicultural education. Praise for Silent Partners in Multicultural Education: "How to organize your classroom's configuration in such a manner that all pupils feel welcome and comfortable? While most of those invested in multicultural education focus on the optimization of various linguistic aspects, Itkonen, Dervin and their colleagues give voice to the non-verbal aspects of education. In this book they elaborate how formal and informal places/spaces in schools can unintentionally reflect ideologies and cultural assumptions. They illustrate this perspective with telling examples that come from what is widely perceived as one of the best educational systems in the world. This book is an important, innovative contribution to the question of inclusion of all pupils in our school systems. It provides an eye-opening perspective to researchers in the field, teachers, principals and stakeholders willing to work for social justice in their schools". ~ Emmanuelle Le Pichon, Vorstman, Researcher and Assistant Professor, Languages, Literature and Communication Department, Utrecht Institute of Linguistics "Congratulations are in order for this ground breaking and significant book. As the editors and authors convey convincingly and often poignantly, multicultural education is an increasingly politicised phenomenon that needs all the friends and allies that it can garner. The book's coverage of silent partners in education ? objects and technologies operating in specific places and spaces ? is therefore timely. Yet, as the book also highlights, these silent partners can exert negative power as well as positive influence on educational outcomes. The book presents a compelling account of the fundamental ambivalence framing these partners and formal educational provision more broadly. Rendering these silent educational partners visible and open to scrutiny is a significant scholarly achievement by the Education for Diversities Research Group in the Department of Teacher Education at the University of Helsinki, Finland, building on their well-deserved reputation for exploring the implicit and tacit and yet impactful dimensions of intercultural education and understanding. The book is appropriately diverse and inclusive in its concerns, with attention being directed at education in Finland, France, and the United States. Likewise the coverage traverses international and national schools, higher education, teacher education and productive methodologies for researching silent partners. This innovative and thought-provoking volume is highly recommended for its originality in helping us to see education for diversities in a new and powerful light." ~ Patrick Alan Danaher, Professor in Educational Research in the School of Linguistics, Adult and Specialist Education, Associate Dean (Research and Research Training) in the Faculty of Business, Education, Law and Arts, Toowoomba campus of the University of Southern Queensland, Australia; Adjunct Professor in the School of Education and the Arts, Central Queensland University, Australia. "Silent partners do not only reflect the ways we conceive of education but they also influence our practices as educators. Being silent, they are often taken for granted. The strength of this book lies in its critical questioning of the notion of silent partners. The chapters enlighten about the untold and the effects they have in an educational environment. The readers, especially in the fields of education and social justice, will definitely acquire a more sensitive perception of how silent partners affect our approaches to multicultural education." ~ Dr. Regis Machart, Senior Lecturer, Universiti Putra Malaysia; Adjunct Professor, University of Helsinki, Finland

The Last Lecture Randy Pausch, 2008-04-08 After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. We cannot change the cards we are dealt, just how we play the hand. —Randy Pausch A lot of professors give talks titled The Last Lecture. Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy? When Randy Pausch, a computer science professor at Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—Really Achieving Your Childhood Dreams—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because time is all you have . . . and you may find one day that you have less than you think). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.

Carolina Beach (Box Set) Cecy Robson, 2020-06-10 Hailed as "heartfelt and beautiful" by USA Today, HEA and "Unforgettable!" by USA Today bestselling author, Jamie K. Schmidt, Cecy Robson's Carolina Beach series has everything: unbridled passion, second chance love, millionaire romance, and laugh out loud humor. All three books are connected by the close friendships and love they share on beautiful Kiawah Island, in South Carolina. Now all three novels—Inseverable, Eternal, and Infinite—are together in one steamy eBook bundle. INSEVERABLE Callahan is a former army sniper who wants to make an escape from his past and everything he experienced at war. When he inherits a house on South Carolina's Kiawah Island, he packs his bags, believing he will finally have the peace and seclusion he craves. Unfortunately, Callahan never counted on meeting Trinity. She is a native who has returned to Kiawah for one last memorable summer with friends before leaving for the Peace Corps. Callahan doesn't want to get close to anyone—let alone Trinity. He finds her perkiness insufferable and her attempts to entice his smile distracting. After all, he's in Kiawah to leave all feelings behind. But when it comes to Trinity, who feels everything, it's hard not to feel something. Neither expected to fall in love. And no one could have predicted how inseverable they'd become. ETERNAL After months of bad luck and even worse men, Luciana Diaz just wants to crawl under the covers and forget the year ever happened. Her friend has other plans, convincing Luci to attend a New Year's Eve party on the affluent shores of Kiawah Island. Luci never expected to have fun. She also never expected to wake up next to Landon Summers, a man she just met. Unfortunately, she soon finds out that this man happens to be the new attorney at her firm! After an ugly separation and even worse divorce, Landon has no desire to jump into another relationship. Neither Luci nor Landon planned on meeting each other, and they definitely didn't plan on love. But the New Year means a fresh start, and eternal possibilities neither can deny . . . INFINiTE Hale Wilder and Becca Shields grew up together on Kiawah Island. They were close in high school but have not seen each other since that humiliating night long ago when her family caught them on the beach, barely clothed. He strived to be the best student and the best athlete and grew into a successful businessman taking the finance world by storm. Hale is rich, powerful, and seemingly unstoppable. That is until a company scandal threatens to destroy his reputation and bring down everything he has worked for. Becca is now a kickass public relations goddess spinning scandals into gold and launching has-beens into superstardom. She never expected to see Hale again. But, when Becca discovers Hale is in trouble, she can't turn her back on the boy who was once her world and the man she never forgot. Hale never thought he'd have another shot at greatness or with Becca. Now that he has both, he won't let either go without a fight.

Mobile Information Retrieval Fabio Crestani, Stefano Mizzaro, Ivan Scagnetto, 2017-07-19 This book offers a helpful starting point in the scattered, rich, and complex body of literature on Mobile Information Retrieval (Mobile IR),

reviewing more than 200 papers in nine chapters. Highlighting the most interesting and influential contributions that have appeared in recent years, it particularly focuses on both user interaction and techniques for the perception and use of context, which, taken together, shape much of today’s research on Mobile IR. The book starts by addressing the differences between IR and Mobile IR, while also reviewing the foundations of Mobile IR research. It then examines the different kinds of documents, users, and information needs that can be found in Mobile IR, and which set it apart from standard IR. Next, it discusses the two important issues of user interfaces and context-awareness. In closing, it covers issues related to the evaluation of Mobile IR applications. Overall, the book offers a valuable tool, helping new and veteran researchers alike to navigate this exciting and highly dynamic area of research.

The Last One Will Dean,2023-08-08 An unputdownable locked-room thriller about family, trust, and survival from the acclaimed author of the “utterly thrilling” (Lisa Jewell, #1 New York Times bestselling author) First Born. When Caz steps onboard the exclusive cruise liner RMS Atlantica, it’s the start of a vacation of a lifetime with her new love, Pete. On their first night they explore the ship, eat, dance, make friends, but when Caz wakes the next morning, Pete is missing. And when she walks out into the corridor, all the cabin doors are open. To her horror, she soon realizes that the ship is completely empty. No passengers, no crew, nobody but her. The Atlantica is steaming into the mid-Atlantic and Caz is the only person on board. But that’s just the beginning of the terrifying journey she finds herself trapped on in this white-knuckled mystery.

Thank You For Not Shifting Renee George,2019-06-09 A shifter serial killer is on the loose, and Chavvah Trimmel appears to be the next target. ***** The past year has been seriously craptastic, and all I want to do is focus on the future and forget about the past. I’d also like to forget about a certain sexy werewolf doctor who only sees me as a patient and a victim, not a potential mate. Whatever. Running a restaurant with my best friend Sunny is all the medicine I need. Besides, I’m a coyote-shifter, and coyotes and wolves don’t play well together. At least, that’s what I’ve always been taught. So, when the Tri-State Council of Therianthropes decides to hold their annual Jubilee in Peculiar, I welcome the distraction from my troubles. But trouble has a way of finding me. With an influx of new shifters in town, a murder behind Sunny's Outlook has everyone on high alert, and we have a big mystery to solve if we want to stop a killer in his tracks. To complicate matters, the wolf shifter doc is acting strange around me. He’s protective, territorial, and annoyed (okay, the annoyed part isn't that strange), and that has me worried more about my heart than my safety. Peculiar Mysteries series from USA Today bestselling author Renee George are laugh-out-loud, grip the edge of your seat, and swoon as you fall in love tales of mystery, humor, and romance that take place in the small (fictional) Ozark shifter town of Peculiar, Missouri.

The Dream Home Kristoff Chimes,2017-07-04
Meet Me Backstage MJ Ray,2022-05-31 I can’t talk to boys. But theres only one I want to talk to. Why did I have to fall for the brooding drummer? Talking has never been my strong suit. Anxiety holds me back from expressing myself. But music... oh, music speaks the words I can't. It consumes me, it fills my soul. But the thought of performing in front of an audience terrifies me, turning something that eases my stress into a source of fear. Then there's Cooper. I've had a secret crush on him for years and now were thrown together as we're forced to work on the school music show. Spending time with Cooper, I find he's the one person I can talk to, my safe haven in a world of silence. But it’s wrong to lie to him. I need to tell him the truth. *Meet Me Backstage* takes you on an emotional rollercoaster, the fourth book in the captivating Arrowsmith High series. Prepare for a brooding main character, a resilient heroine battling mental health issues, and characters who push themselves to become more than they thought possible. MJ Ray weaves a spellbinding YA romance that will tug at your heartstrings. If you're wanting a story that tackles real-life challenges, while still being fun, this book is a must-read.
