**The Petroleum Gazette** Frank F. Murray,Joseph Murray,1915

*The Natural Gas Industry in Appalachia* David A. Waples,2014-01-10 The large scale, practical uses of natural gas were initially introduced by innovators Joseph Pew and George Westinghouse for the steel and glass industries in Pittsburgh, and local gas companies evolved from individual wells to an interstate supply network acquired by Rockefeller’s Standard Oil interests. Natural gas is now a prevalent part of American markets and with the production from the Marcellus shale is filling the critical void left by a lack of new coal, oil, and nuclear power facilities. This vital American enterprise began in the Appalachian states as an accidental and underestimated byproduct of the oil rush of 1859. This book explores the evolution and significance of the natural gas industry to the present day.

*Indonesia's Oil* Sevinc Carlson,2019-05-20 Ranked twelfth in world oil production, Indonesia is already an important supplier of oil to Japan, and may become an increasingly important supplier to the United States. Sevinc Carlson presents here the first up-to-date and comprehensive study of the politics and economics of Indonesia's oil, and emphasizes the importance of oil to the country's

Grantville Gazette, Volume IV Eric Flint,2008-06-01 In Paula Goodlett and Gorg Huff's Poor Little Rich Girls, we follow the continuing adventures of the teenage tycoons begun by Huff in The Sewing Circle (Gazette #1) and Other People's Money (Gazette #3). The focus in this story, however, is on the younger siblings¾the so-called Barbie Consortium¾and their down-timer associates and enemies. Jose Clavell's Magdeburg Marines and Ernest Lutz and John Zeek's Elizabeth depict the early days of two military units after the Ring of Fire: a reborn U.S. Marine Corps trying to adapt to new circumstances, and the First Railway Company, formed to provide logistics using a combination of up-time and down-time methods and technology. David Carrico's Heavy Metal Music continues the story of the interaction between up-time and down-time musicians that he began in last issue's The Sound of Music. In other stories: ¾A German craftsman blackballed by guild masters gets a new start in Karen Bergstralh's One Man's Junk. ¾Grantville has to deal with the tragic accidental deaths of several high school graduates in Kerry Offord's The Class of '34. ¾In Virginia DeMarce's 'Til We Meet Again, a widowed up-timer responds to her husband's death by joining the faculty in the newly-established women's college in Quedlinburg. ¾Julie Sims' ex-boyfriend finds a new romance in Russ Rittgers' Chip's Christmas Gift. ¾in Dan Robinson's Dice's Drawings, an American retiree finds a new life and maybe a new love in seventeenth century Germany. The fourth volume of the Gazette also contains factual articles dealing with the development of an oil industry, advances in textile and garment manufacture, possible uses of biodiesel technology, and differing views on the prospects of creating a machine gun using the resources and technology available after the Ring of Fire. At the publisher's request, this title is sold without DRM (Digital Rights Management).
