No Excuses Bob Stoops,Gene Wojciechowski,2019-09-10 From the legendary Oklahoma coach, a candid and inspiring memoir. When Bob Stoops took over as football coach in 1999, the Oklahoma Sooners were in disarray with back-to-back losing seasons. But in just two years' time, Stoops achieved the seemingly impossible: winning a national championship and returning the struggling Sooners to their powerhouse status, churning out NFL talent, Heisman Trophy winners and conference championships, bowl wins and national title runs on a regular basis. During his 18 seasons at OU, his record was a remarkable 190-48. At only age 56, at the peak of his career, he stunned the college football world by walking away. For the first time, Bob opens up about his career alongside the evolution of the game itself. From his unlikely emergence as a star player at the University of Iowa, to his coaching apprenticeships under giants like Hayden Fry, Bill Snyder, and Steve Spurrier, Stoops recounts how the game he fell in love with as a boy has evolved into a billion-dollar business often compromised by recruiting wars, aggressive agents, overzealous boosters and alumni, and the emergence of the CEO head coach rather than mentor and teacher. Bob holds nothing back while explaining why it was time to step away from the game-and players-he still loves. Told with a rare combination of sincerity, vulnerability, and pure heart, No Excuses is both an engaging and eye-opening football memoir and an unprecedented portrait of a coach of one of the greatest legacy programs in the history of the college game.

I Love Oklahoma/I Hate Texas Jake Trotter, 2012-08-01 Spotighting a team that holds the edge in a series dating back to 1915, this pro-Georgia history proves why fans should love the Bulldogs and hate their archrivals, the Florida Gators. A pep talk from Vince Dooley is featured as is beloved mascot Uga, and the Gator Stomp that made Tim Tebow look even goofier than usual is highlighted for good measure. This entertaining chronicle argues for adoring Buck Belue while raking Rex Grossman over the coals, relating the fantastic coaching stories of the legendary W.A. Cunningham, Wally Butts, and Vince Dooley as well as up-close and personal chats.

Requiem for the Massacre RJ Young, 2023-11-14 NAACP Image Award Nominee for Outstanding Literary Work - Non-Fiction A Kirkus Reviews Best Book of The Year With journalistic skill, heart, and hope, Requiem for the Massacre reckons with the tension in Tulsa, Oklahoma, one hundred years after the most infamous act of racial violence in American history More than one hundred years ago, the city of Tulsa, Oklahoma, perpetrated a massacre against its Black residents. For generations, the true story was ignored, covered up, and diminished by those in power and in a position to preserve the status quo. Blending memoir and immersive journalism, RJ Young shows how, today, Tulsa combats its racist past while remaining all too tolerant of racial injustice. Requiem for the Massacre is a cultural excavation of Tulsa one hundred years after one of the worst acts of domestic

terrorism in U.S. history. Young focuses on unearthing the narrative surrounding previously all-Black Greenwood district while challenging an apocryphal narrative that includes so-called Black Wall Street, Booker T. Washington, and Black exceptionalism. Young provides a firsthand account of the centennial events commemorating Tulsa's darkest day as the city attempts to reckon with its self-image, commercialization of its atrocity, and the aftermath of the massacre that shows how things have changed and how they have stayed woefully the same. As Tulsa and the United States head into the next one hundred years, Young's own reflections thread together the stories of a community and a nation trying to heal and trying to hope.

The Undefeated Jim Dent,2007-04-01 For three perfect seasons (1954-1956), the Oklahoma Sooners won every football game they played - home or away - and over the course of five years they won 47 straight games. This awesome record was the product of a genius and masterful coach named Bud Wilkinson and the spirited young men he led. *The Undefeated* will detail all the thrilling action on the field during this record winning streak, but it will also reveal all the behind-the-scenes tumult and pressure swirling around it. Dent presents an absorbing character study of the brilliant, complex coach who engineered it all - Bud Wilkinson, the on-field genius whoses starched-shirt public persona hid a man of many secrets and an in-depth look at a state and its people still suffering from a Depression hangover and an identity crisis, who took up the Sooners football banner almost as a religious cause. Through it all, the young men who accomplished this amazing feat shine in vivid life.

The Oklahoma Football Encyclopedia Ray Dozier,2013-10-01 The Oklahoma Football Encyclopedia is an historical description of every University of Oklahoma football game from the beginning in 1895 through today. Learn how the team got its start and how Coach Bennie Owen laid the foundation for the Sooners to become one of the most respected teams on the college football scene. Bud Wilkinson, Barry Switzer, and Bob Stoops later directed the Sooners to college football's elite prize. Wilkinson was a great teacher of the Split-T formation, which guided the Sooners to three national championships, 72 consecutive conference games without a loss, and a major college winning streak. Switzer, a master recruiter, implemented the Wishbone formation, which brought another three national titles and 12 conference crowns to Norman. After the Sooner football program had dropped to mediocrity status, Stoops turned the program around and won the national championship in his second year at the helm. This book, now in its second edition, provides insight into Sooner Magic. Many OU football teams appeared to have a supernatural force carry them to victory when victory was not assured. Was it sleight of hand? Smoke and mirrors? No, just pure talent and inspiration helped push the Sooners to the overwhelming tradition the teams have displayed on the gridiron.
