In Awe John O'Leary, 2020-05-05 NATIONAL BESTSELLER • The #1 bestselling author of On Fire shows us how to recapture and harness our childlike sense of wonder in order to become more engaged, successful, and fulfilled. “Engaging . . . O’Leary encourages us to see the world through a child’s eyes.”—Mitch Albom, author of Tuesdays with Morrie There once was a time when we joyfully raised our hands to answer questions, connected easily with others, believed that anything was possible, and fearlessly jumped into new experiences. A time when we viewed each day not as something to endure, but as a marvelous gift to explore and savor—when we danced through our lives in awe of the ordinary moments and eager for the promise of tomorrow. Unfortunately, that’s far from our experience today. Instead, we feel disconnected and jaded. Social media reminds us that we don’t measure up, and the mainstream media barrages us with constant negativity. Many of us find ourselves caught in a life of dogged responsibility and mind-numbing repetition. The daily struggle to earn a living has caused us to lose the sense of wonder with which we once greeted every day. In his new book, bestselling author John O’Leary invites us to consider that it is possible to once again navigate the world as a child does. Identifying five senses children innately possess and that we’ve lost touch with as we age, O’Leary shares emotional, humorous, and inspirational stories intertwined with fascinating new research showing how each of us can reclaim our childlike joy, and why doing so will change how we interact with the world. In Awe reveals how we can regain that ability to see fresh insights, reach for new solutions, and live our best lives.

Cold Hard Truth Kevin O'Leary, 2011-09-27 Kevin O’Leary shares invaluable secrets on entrepreneurship, business, money and life. Can you make millions just by “visualizing yourself rich” as some business prophets suggest? Don’t buy it, says Kevin O’Leary. If you want to be a successful entrepreneur and amass wealth, you’re going to have to work for it. But the good news is: with the right guidance, focus and perseverance, you can turn entrepreneurial vision into lucrative reality and have the personal freedom that only wealth can buy. Kevin O’Leary would know. The much-feared and revered Dragon on the immensely popular show Dragons’ Den (and Shark Tank in the U.S.) started his company in his basement with a \$10,000 loan

from his financially savvy mother. A few years later, Kevin sold that company for more than four billion dollars. In this compelling, candid and, above all else, brutally honest business memoir, Kevin provides engaging, practical advice and lessons that will give anyone a distinct competitive edge.

**On Fire** John O'Leary, 2016-03-15 In the bestselling tradition of Brene Brown's *Daring Greatly* and Nick Vujicic's *Life Without Limits* comes a rousing 7-step plan for living a life on fire, filled with hope and possibility—from an inspirational speaker who survived a near-fatal fire at the age of nine and now runs a successful business inspiring people all around the world. When John O'Leary was nine years old, he was almost killed in a devastating house fire. With burns on one hundred percent of his body, O'Leary mustered an almost unimaginable amount of inner strength just to survive the ordeal. The insights he gained through this experience and the heroes who stepped into his life to help him through the journey—his family, the medical staff, and total strangers—changed his life. Now he is committed to living life to the fullest and inspiring others to do the same. An incredible and emotionally honest account of triumph over tragedy, *On Fire* contains O'Leary's reflections on being that little boy, the life-giving choices made then, and the resulting lessons he learned. O'Leary very clearly shares that without the right people providing the right guidance, at the right time, he never would

have made it through those five months in the hospital, let alone the years that followed as he struggled to regain mobility, embrace his story, and ignite clarity of his life's purpose. *On Fire* encourages us to seize the power to choose our path and transform our lives from mundane to extraordinary. Once we stop thinking solely on the big moments in our lives, we can begin to focus on those smaller opportunities that tend to pass us by. These are the events—the inflection points in our lives—that can determine how we feel about life now, where we are headed in the future, and how many lives we can impact along the way. We can't always choose the path we walk, but we can choose how we walk it. Empowering, inspiring, remarkably honest, and heartfelt, O'Leary's strength and incredible spirit shine through on every page.

*Living the Good Life at O'Leary's* Timothy Carr, 2021-12-16 It all started in August 2006 when the real estate market began to collapse in the Sarasota, Florida area. It was almost two years before the rest of the nation caught up, and also totally collapsed. Timothy Carr had planned to retire and live 'The Good Life.' Instead, he was flat broke and owed other people money. Slowly the reality of his situation began to sink in. No job. No home to live in. No credit. And no one was hiring. That's a lot of NOs to deal with. He wanted to shut off the lights and hibernate in a corner, but he didn't have a corner to hibernate in. That's when he discovered that, in Downtown Sarasota, you could moor a boat at no cost - it was free! That got him looking around for boats. He had been looking in the classified section of the newspaper and had seen several boats available. One ad read: 26-foot motorsailer, free to a good home. And that's how he became a liveaboard at O'Leary's Tiki Bar and Grill, located inside Island Park, just south of Marina Jack's, on the harbor side of Sarasota. O'Leary's is a rather unique place, and it took Timothy some time to settle in to becoming a liveaboard. Since he was now moored out in the bay in his own boat, coming and going every day, he met many new people, offering him interesting peeks into the lives of those who drifted through. Timothy soon discovered that he never knew who he would be talking to. One day, it would be someone down and out on their luck. The next day, it could be a celebrity or multi-millionaire taking a break from his or her 60-foot yacht. This is what made it so interesting being around O'Leary's and getting to live the good life there. And, oh, the tales he tells ... PRAISE FOR LIVING THE GOOD LIFE AT O'LEARY'S: Such a wonderfully poignant tale of how life always brings you the people you need to survive and thrive, forever and always coming full circle. And as a Sarasotan once myself, I fell in love with the magic it holds all over again. Looking forward to the next book in this series! --- D. D. Scott, Bestselling Author ABOUT THE AUTHOR: Timothy Carr has held many (many) different jobs - from working as a laborer to supervising 12 convenience stores with

over 76 employees. He also managed restaurants, a Radio Shack, A Pizza Hut, and a coin shop. Some of his friends asked him who are you to write a book? His answer was that he had gotten to know so many wonderful people at O'Leary's (and throughout Sarasota, Florida) that he wants the world to get to know them, too.

**The English Professor** Margaret R. O’Leary/Dennis S. O’Leary,2016-02-04 Across the span of more than forty years, Raphael Dorman O’Leary, a professor of English rhetoric and English literature, taught his students at the University of Kansas to think straight, to put sinew into their sentences, and to embrace the magnificent literary treasures of their mother tongue. *The English Professor*, by authors Margaret R. O’Leary and Dennis S. O’Leary, offers a narrative of the life, work, and times of a revered Midwestern university English teacher. This memoir narrates how the professor, born in 1866, was raised on a Kansas farm in the post-bellum era. Like his father before him, he was committed to a life of learning and teaching. His colleagues knew him for his unpretentious exterior, honesty, and integrity, and his flashing anger at cheapness, vulgarity, pretense, and, above all, charlatanism. When Professor O’Leary died after a short illness in 1936, his personal effects passed through two generations to his grandson, Dennis S. O’Leary, who, with his wife, Margaret, discovered his papers while restoring a family house. The trove of material served as the core resource for the compilation of *The English Professor*. It provides insights into the histories of Kansas and the University of Kansas and of Harvard University, as well as perspectives on higher education, including the teaching of English rhetoric, language, literature, journalism, and oratory in the United States.

Fatty O’Leary’s Dinner Party Alexander McCall Smith,2014-08-05 An all-new, never-before-published original short novel by the bestselling author of *The No. 1 Ladies’ Detective Agency*, about a hapless American tourist’s larger-than-life comical trip to Ireland. Shortlisted for the 2015 Bollinger Everyman Wodehouse prize for comic fiction Cornelius P. “Fatty” O’Leary and his wife, Betty, plan a vacation in Ireland for his fortieth birthday, where they will tour his ancestral homeland and relax in the countryside. Almost immediately, things go terribly wrong: the seats in economy class on the plane are too small; the country hotel’s dinner spread and bathroom fixtures leave much to be desired; and the down-to-earth O’Learys find their fellow guests are more than a little snobbish. In this amusing and touching portrayal of a kindly, misunderstood soul, McCall Smith has created yet another memorable character who will become an instant favorite to his many fans. An eBook short.

**Mrs. O’Leary’s Cow** Mary Ann Hoberman,2009-10-31 Mary Ann Hoberman has adapted the well-known song based on the true story of the Great Chicago Fire, *There’ll be a Hot Time in the Old Town Tonight*, into a funny and memorable story. When Mrs. O’Leary leaves her lantern in the barn, the cow kicks it over and starts a fire. Hoberman’s humorous text and Jenny Mattheson’s luminous illustrations keep this picture book comic and non-threatening, and, of course, the fire is put out in the end by 10 heroic firefighters.

*The Flatshare* Beth O'Leary,2019-05-28 What if your roommate is your soul mate? A joyful, quirky romantic comedy, Beth O'Leary's *The Flatshare* is a feel-good novel about finding love in the most unexpected of ways. Tiffany and Leon share an apartment. Tiffany and Leon have never met. After a bad breakup, Tiffany Moore needs a place to live. Fast. And cheap. But the apartments in her budget have her wondering if astonishingly colored mold on the walls counts as art. Desperation makes her open minded, so she answers an ad for a flatshare. Leon, a night shift worker, will take the apartment during the day, and Tiffany can have it nights and weekends. He'll only ever be there when she's at the office. In fact, they'll never even have to meet. Tiffany and Leon start writing each other notes – first about what day is garbage day, and politely establishing what leftovers are up for grabs, and the evergreen question of whether the toilet seat should stay up or down. Even though they are opposites, they soon become friends. And then maybe more. But falling in love with your roommate is probably a terrible idea...especially if you've never met.

*Michael O'Leary* Matt Cooper,2018-09-27 September 2017. Ryanair cancels over 700,000 bookings and its powerful PR juggernaut comes shuddering to a halt. For once, the airline's aggressive and flamboyant CEO, Michael O'Leary, is contrite and apologetic. A month later Ryanair announces increased passenger traffic for October, year-on-year growth and increased profits. Its share price soars. For the moment, it appears, a

fundamental shake-up of Europe's biggest airline is off the table. But questions remain about the causes of the debacle and O'Leary's role in it. Michael O'Leary lifts the veil on the wildly successful and wildly controversial Ryanair CEO. Based on extensive research - including with close associates of O'Leary - the book examines O'Leary's personality, beliefs and obsessions and describes how these have moulded the business he runs. Written by a multi-award-winning journalist and broadcaster, with a thirty-year career covering business and current affairs, it is a fascinating insight into the business behind the man, and the man behind the business.

**R. D. O'Leary (1866–1936)** Margaret R. O'Leary,2015-04-15 Over the span of forty years, Professor Raphael Dorman O'Leary labored tirelessly to make his students understand the importance of originality and of apt expression in English composition. He especially loved words well chosen and dared his students to put beauty and smoothness and sinew into their sentences. He tried passionately to make them feel the dignity and the majesty of the English language at its best. When he died after a short illness in 1936, his personal effects passed among descendants until finally coming to rest with Dennis O'Leary and his spouse, Margaret, who discovered them in a poor condition while restoring a family house. Amid Professor O'Leary's papers was his handwritten journal from the year 1914 to 1915. The journal displays the full measure of R. D. O'Leary in his myriad academic, social, political, and religious experiences at the University of Kansas atop Mount Oread; in the adjacent city of Lawrence, Kansas; and while traveling to rural Kansas during the summer months and to Minneapolis, Minnesota, in the dead of winter. Throughout his journal, Professor O'Leary portrays with humor and pathos his encounters with students, colleagues, his spouse, his three sons, his mother, shopkeepers, religious zealots, pro-German zealots, anti-German zealots, drayers, Pullman conductors, bankers, politicians, publishers, educated spinsters, and garden wasps, while vividly describing cold classrooms, interminable whist parties, trilling sopranos, Kansas football games, and Lawrence seed stores. R. D. O'Leary (1866–1936): Notes from Mount Oread 1914–1915 is a fascinating glimpse into the life and times of a revered English professor, half way through his forty years of teaching at the University of Kansas.

**Michael O'Leary** Alan Ruddock,2008-03-27 Michael O'Leary is a business giant. He transformed Ryanair from a loss-making joke of an Irish carrier

into one of the most valuable airlines in the world, and in the process he has revolutionized the very nature of commercial aviation. In this, the first biography of O'Leary, Alan Ruddock portrays the man in three dimensions and examines the business miracle - often talked about but poorly understood - that O'Leary has wrought. 'Ruddock's fast-paced retelling of Ryanair's rise and rise confirms O'Leary's insistence that his success has little to do with the management maxims of business gurus and everything to do with graft and ruthless attention to detail' Observer 'Probably the definitive Ryanair story ... a good read' Sunday Independent 'The fullest and most accurate picture of O'Leary to date' Irish Daily Mail 'Unlike previous books which simply chart the growth of the airline, this one is bound to get under O'Leary's skin because it reveals a great deal about his hugely driven character' Irish Independent 'Ruddock is good on the flavour of the man, a bundle of energy whose two favourite words start with an F and an S (they aren't flower and sugar)' Irish Examiner

The Great Chicago Fire and the Myth of Mrs. O'Leary's Cow Richard F. Bales, 2015-09-01 The Great Chicago Fire of 1871 swallowed up more than three square miles in two days, leaving thousands homeless and 300 dead. Throughout history, the fire has been attributed to Mrs. O'Leary, an immigrant Irish milkmaid, and her cow. On one level, the tale of Mrs. O'Leary's cow is merely the quintessential urban legend. But the story also represents a means by which the upper classes of Chicago could blame the fire's chaos on a member of the working poor. Although that fire destroyed the official county documents, some land tract records were saved. Using this and other primary source information, Richard F. Bales created a scale drawing that reconstructed the O'Leary neighborhood. Next he turned to the transcripts—more than 1,100 handwritten pages—from an investigation conducted by the Board of Police and Fire Commissioners, which interviewed 50 people over the course of 12 days. The board's final report, published in the Chicago newspapers on December 12, 1871, indicates that commissioners were unable to determine the cause of the fire. And yet, by analyzing the 50 witnesses' testimonies, the author concludes that the commissioners could have determined the cause of the fire had they desired to do so. Being more concerned with saving their own reputation from post-fire reports of incompetence, drunkenness and bribery, the commissioners failed to press forward for an answer. The author has uncovered solid evidence as to what really caused the Great Chicago Fire.
