Super Olio Michaela Bogner, Cettina Vicenzino, 2019-04-11 Wine, whisky or gin tastings are standard, but more and more people wish for a high quality of basic food too. With their interest in brand-new high-quality olive oils, the community of culinarians is about where it was some thirty years ago with wines. Like the ambitious and rebellious young vintners, the young guns back then, today ambitious olive farmers and oil millers create top-quality products by using state-of-the-art techniques and being open to scientific findings. About ten years ago, these highly aromatic oils that are rich with polyphenol did not exist for lack of the necessary oil mill technology. To help consumers make informed decisions, this book introduces the background of production and cultivation, presents the stars of the scene and a fine choice of exquisite but easy to cook recipes. AUTHOR: Michaela Bogner's fascination with olive oils started between 1999 and 2005 when she lived near Florence and made first contact with regional olive farmers. In 2011 she was trained as an olive oil taster by the Florentine Chamber of Industry and Commerce and became a member of the Italian ANAPOO (i.e.: association of olive oil tasters). Since the olive harvest of 2011/2012 she imports high-quality olive oils from Italy, gives seminars on olive oil and organises commented tastings. Her blog 'dasgoldderbauern.de' (i.e.: farmers' gold) gives comprehensive information about high-quality Super Olio. Focus online and the SWR interviewed her, the specialist magazine Merum and Delikatessen wrote about her seminars. SELLING POINTS: * Trendy topic high-quality basic food * Perfectly staged by multiple prize-winning graphic artist and best-selling author Stefan Bogner * Superb, specially-invented recipes by Cettina Vicenzino, food photographer, cook and author of cookbooks

Olive Oil Leonardo Romanelli, Gabriella Ganugi, 2003-09-01 All olive oil is not the same. Like grapes, olives from different regions produce a different character. Authors Leonardo Romanelli and Gabriella Ganugi take us from Lombardy in the north to the southern island of Sicily sampling the oil of each region in between. They discuss how olive oil is made and how production methods differ

from region to region. Included is a helpful chapter on choosing, serving and cooking with olive oil and all its variations. There's a section on how to make and bottle aromatic oils, preserves and uncooked sauces—great as gifts (and even better for personal use).

Second Helpings from Union Square Cafe Danny Meyer, Michael Romano, Corp Union Square Cafe, 2001-10-02 Ask New Yorkers to name their favorite restaurant and they are likely to reply: Union Square Cafe. Indeed, Union Square Cafe has been ranked the city's most popular restaurant by the Zagat Survey for five consecutive years and has earned many of the food world's top honors, including a James Beard Award for Outstanding Restaurant of the Year, two three-star rankings from the New York Times, seven Awards of Excellence from Wine Spectator magazine, and the James Beard Foundation's Best Chef in New York Award for Michael Romano. What makes USC stand out in a sea of other great New York City restaurants? A simple but rare combination of extraordinary food, excellent wine, and the sort of warm, genuine hospitality one typically finds only in a neighborhood spot. In this new cookbook, proprietor Danny Meyer and executive chef and co-owner Michael Romano share the delicious dishes that have kept their customers coming back for more, year after year. Following the high standards for taste and accessibility set by their award-winning Union Square Cafe Cookbook, *Second Helpings from Union Square Cafe* offers more than 140 inspired recipes for everything from appetizers, soups, and salads to pastas, main courses, vegetables, side dishes, and desserts. These are the dishes that USC customers have come to know and love, including such favorites as a new version of their renowned Fried Calamari, Salt-Baked Chicken, Bollito di Vitello, Roasted Root Vegetables, and Blueberry-Lemon Meringue Pie. But, more than simply a recipe collection, *Second Helpings* is a valuable kitchen resource for anyone interested in elevating his or her cooking to a new level. Michael teaches home cooks how to make their own pasta, create the juiciest chicken imaginable, correctly clean morels, and add new depth of flavor to all kinds of dishes, while Danny offers lively commentary and wine accompaniments for nearly every recipe. With their able guidance,

even the most inexperienced cooks can turn out spectacular food with ease and joy. *Second Helpings* captures the unique spirit of Union Square Cafe not just with recipes and animated text, but also with original black-and-white images by internationally acclaimed photographer Duane Michals. A longtime friend of USC, Duane has contributed his witty visual stories and restaurant vignettes in an innovative departure from standard food photography. Remembrance of a Restaurant Frank Palescandolo, 2001 Everyone will agree, a great Coney Island restaurant, one of a kind, is a coveted core sample of the late historical past. Imagine table talk and social customs of a pulsing patronage encased now in the cruel aspic of time. May I place you at a favored table facing a proscenium populated by diners—cooks, scullions, waiters, musicians of the cafe chantant scullery maids, deadbeats—and the notable and notorious of the years 1915-1975; an inscape for the livingness of an era. I, too, am playing my role, only consciously by writing what I remember in this loving memoir of a gathering place, a showplace of human kindred at its mellowed best. Not a history pinched by spinsterish qualms, bigoted asides, shrivelled libidos, and dyspeptic frowns, for bitter lips make for bitter palates, and stingy tipping. No, rather a free spending largesse cuore a cuore of matching vignettes, anecdotes, profiles, tintypes, tales and tattles in full bodied appearances. Restaurants are marvelous core samples of the past. How wonderful if all the great restaurants of the past were written up so devotedly and grandly!

The River Cafe Classic Italian Cookbook Rose Gray, Ruth Rogers, 2018-02-22 Thirty years after its doors first opened, The River Café remains one of London's most iconic restaurants, loved for its innovative Italian food. Pioneering chefs Rose Gray and Ruth Rogers together changed the face of Italian food in Britain, championing seasonality well ahead of their time from their West London kitchen, which won a Michelin star in 1998 and has kept it ever since. The restaurant helped launch the careers of Jamie Oliver and Hugh Fearnley-Whittingstall, to name but two. Over the course of decades, Rose and Ruth visited Italy time and again, fascinated by the subtleties of dishes from the many different, and diverse, regions of the country. Their unique approach to Italian farmhouse cooking was learned from local mothers, grandmothers, cousins and wine makers who invited them into their kitchens and shared wisdom and precious family recipes. This book gathers together Rose and Ruth's personal interpretations of those heirloom recipes. It's a celebration of the real, classic food of Italy; the traditional, regional food they ate on their travels; and the food they went on to cook at the restaurant and at home. These are the recipes they became well known for, as well as some that are cooked less and less in Italy these days and which Rose and Ruth longed to preserve and pass on.
