**Paper Dolls** Katherine H. Adams, Michael L. Keene, 2017-08-23

Paper dolls might seem the height of simplicity--quaint but simple toys, nothing more. But through the centuries paper figures have reflected religious and political beliefs, notions of womanhood, motherhood and family, the dictates of fashion, approaches to education, individual self-image and self-esteem, and ideas about death. This book examines paper dolls and their symbolism--from icons made by priests in ancient China to printable Kim Kardashians on the Internet--to show how these ephemeral objects have an enduring and sometimes surprising presence in history and culture.

Dollys and Friends Originals 1940s Paper Dolls Dollys and Friends, 2019-08-13 Meet Dolly, Polly, Holly, Lolly, Jolly and Molly, new fashion paper dolls Dollys and Friends. You can begin creating your collection of paper dolls with this book which has 3 paper dolls and more than 40 outfits in 1940s styles of fashion. This book is a perfect gift for fashion historians, fashion enthusiasts, costume history lovers, paper doll collectors or anyone interested in 1940s. Please be aware that these paper dolls require

careful hand cutting. For adults, paper dolls may be a gateway to childhood memories but they also make great gifts for children. Younger children may need the help to cut these dolls out since the dolls and clothes are not perforated. However, this is a nice opportunity for fun family time. Paper dolls can bring adults and children together, and collections of paper dolls have always passed down to younger generations. New generations can learn a lot while playing with paper dolls. In a digital era where dress up games allow us to change clothes on paper dolls by only touching a screen, cutting these dolls the traditional way is a great help for developing motor skills. Playing together also helps to develop communication and cooperation between friends and family. Playing games goes hand in hand with storytelling, role-playing and fantasy so everyone can treasure the time spent playing with these paper dolls as memories full of creativity and imagination. Paper dolls have a long history, and although inspired by antique and vintage paper dolls, Dolls and Friends are modern fashion dolls. Still, most of their wardrobe pieces are vintage fashions or period costumes. While these clothes are created after research, each outfit may not be authentic for that time period. Although there are many costumes and designer fashions for vintage themed books, it

is still best to describe them as inspired by historical periods but not exact period costumes. Especially undergarments are more modern for the dolls to be used with different wardrobe choices. Every new outfit from Dolls and Friends Originals Books you will get will be wearable by these Original Dolls. Collecting these paper dolls and sharing them with children can also make fashion and history become one of their passions. Paper doll fans and children of all ages can enjoy these creations . Anyone who is cutting out these dolls and trying the outfits can have a great time with this entertaining activity whether they are fashion enthusiasts, history lovers, paper doll collectors, children or adults.
