Building Big Profits in Real Estate Wade Timmerman, Suzanne Caplan, 2004-07-20 Everyday, people just like you have a real chance to make serious money in real estate. All it requires is the discipline to purchase good property and the motivation to make new purchases that will create growing equity. Filled with in-depth insights and practical advice, *Building Big Profits in Real Estate* will show you the right way to invest in real estate. A successful stock market investor may need to perform extensive research to make a profit, but becoming a successful real estate investor can be more complex and far more hands-on, especially when you're just getting started. The good thing about real estate is that it offers more security as well as greater upside potential than any other investment--mainly because the value of property never goes to zero (unlike some recent stocks) and real estate prices often continue to go up even when general economic conditions are soft. *Building Big Profits in Real Estate* focuses on the sound strategies that everyone needs to understand before they invest in real estate. It covers important topics, such as analyzing markets, financing your projects, purchasing rental property, managing a real estate portfolio, finding new ways to invest, and understanding wholesale markets. It also reveals some of the most overlooked opportunities in the real estate market, including Section 8 rentals, wholesaling properties, and selling houses on a rent-to-own basis.

Too Big to Fall Walter Stewart, 1993-06-01 The amazing story of the family fortunes of the Reichmann brothers of Toronto, who were ranked as the 4th wealthiest on the planet. Their flagship company, Olympia and York, could do no wrong. They were the largest private landlords in Manhattan, owning many prestigious buildings; and were substantial developers in cities around the world. And yet, within a year, the whole edifice crumbled and was on the brink of bankruptcy. This book explains what went so drastically wrong, and how it came apart so fast. And how, just over another year later, the Reichmann's were launching new

projects around the world through their new company. Photos.
