**Ballad** Maggie Stiefvater, 2010-09-08 James Morgan's gift for music has attracted Nuala, a soul-snatching faerie who feeds on the creative energies of exceptional humans until they die. While collaborating on a musical composition, James and Nuala unexpectedly fall in love. When James realizes that Nuala is being hunted, he plunges into a soul-scorching battle with the Faerie Queen.

**The Saddest Words: William Faulkner's Civil War** Michael Gorra, 2020-08-25 A New York Times Notable Book of 2020 How do we read William Faulkner in the twenty-first century? asks Michael Gorra, in this reconsideration of Faulkner's life and legacy. William Faulkner, one of America's most iconic writers, is an author who defies easy interpretation. Born in 1897 in Mississippi, Faulkner wrote such classic novels as *Absalom, Absalom!* and *The Sound and The Fury*, creating in Yoknapatawpha county one of the most memorable gallery of characters ever assembled in American literature. Yet, as acclaimed literary critic Michael Gorra explains, Faulkner has sustained justified criticism for his failures of racial nuance—his ventriloquism of black characters and his rendering of race relations in a largely unreconstructed South—demanding that we reevaluate the Nobel laureate's life and legacy in the twenty-first century, as we reexamine the junctures of race and literature in works that once rested firmly in the American canon. Interweaving biography, literary criticism, and rich travelogue, *The Saddest Words* argues that even despite these contradictions—and perhaps because of them—William Faulkner still needs to be read, and even more, remains central to understanding the contradictions inherent in the American experience itself. Evoking Faulkner's biography and his literary characters, Gorra

illuminates what Faulkner maintained was “the South’s curse and its separate destiny,” a class and racial system built on slavery that was devastated during the Civil War and was reimagined thereafter through the South’s revanchism. Driven by currents of violence, a “Lost Cause” romanticism not only defined Faulkner’s twentieth century but now even our own age. Through Gorra’s critical lens, Faulkner’s mythic Yoknapatawpha County comes alive as his imagined land finds itself entwined in America’s history, the characters wrestling with the ghosts of a past that refuses to stay buried, stuck in an unending cycle between those two saddest words, “was” and “again.” Upending previous critical traditions, *The Saddest Words* returns Faulkner to his sociopolitical context, revealing the civil war within him and proving that “the real war lies not only in the physical combat, but also in the war after the war, the war over its memory and meaning.” Filled with vignettes of Civil War battles and generals, vivid scenes from Gorra’s travels through the South—including Faulkner’s Oxford, Mississippi—and commentaries on Faulkner’s fiction, *The Saddest Words* is a mesmerizing work of literary thought that recontextualizes Faulkner in light of the most plangent cultural issues facing America today.

**Lament** Maggie Stiefvater, 2010-09-08 Sixteen-year-old Deirdre Monaghan is a music prodigy, who’s about to find out she can see faeries. Two mysterious (and cute) guys enter her life. Trouble is, Luke is a soulless faerie assassin and Aodhan is a dark faerie soldier. Their orders from the Faerie Queen? Kill Deirdre.

**Stumbling Into Infinity** Michael Fischman, 2010-10-02 The intimate and sometime startling account of Fischman's spiritual journey and the encounter that changed his life forever.

*A Sure Thing* Marie Harte, 2016-11-01 Meet the Donnigans With the eldest Donnigan brothers adjusting to civilian life, their younger sister constantly in trouble, and their little brother clueless about life in general, falling in love is the last thing on anyone's mind... Can this Bossy Badass Marine... The Marine Corps was everything Landon Donnigan ever wanted in life...until a bullet sent him home with a medical discharge. Teaching a self-defense class at the gym is old-hat for a marine, but when he meets sexy Ava Rosenthal, his combat skills are useless for protecting his heart. Be her Mr. Right? Ava can take care of herself and likes quiet, bookish men-not muscular warriors who think women need to be coddled. But Landon is more than he seems, and when they come together, the results are explosive. The Donnigans series: *A Sure Thing* (Book 1) *Just the Thing* (Book 2, coming Spring 2017) Praise for Marie Harte's McCauley Brothers series: Packed with sass, sensuality and heartwarming emotion...an absolute delight!-Romance Junkies Funny, addicting, and full of hot sex scenes.-Booklist

**Inside the Dark Web** Erdal Ozkaya, Rafiqul Islam, 2019-06-19 *Inside the Dark Web* provides a broad overview of emerging digital threats and computer crimes, with an emphasis on cyberstalking, hacktivism, fraud and identity theft, and attacks on critical infrastructure. The book also analyzes the online underground economy and digital currencies and cybercrime on the dark web. The book further explores how dark web crimes are conducted on the surface web in new mediums, such as the Internet of Things (IoT) and peer-to-peer file sharing systems as well as dark web forensics and mitigating techniques. This book starts with the fundamentals of the dark web along with explaining its threat landscape. The book then introduces the Tor browser, which is used to access the

dark web ecosystem. The book continues to take a deep dive into cybersecurity criminal activities in the dark net and analyzes the malpractices used to secure your system. Furthermore, the book digs deeper into the forensics of dark web, web content analysis, threat intelligence, IoT, crypto market, and cryptocurrencies. This book is a comprehensive guide for those who want to understand the dark web quickly. After reading *Inside the Dark Web*, you'll understand The core concepts of the dark web. The different theoretical and cross-disciplinary approaches of the dark web and its evolution in the context of emerging crime threats. The forms of cybercriminal activity through the dark web and the technological and social engineering methods used to undertake such crimes. The behavior and role of offenders and victims in the dark web and analyze and assess the impact of cybercrime and the effectiveness of their mitigating techniques on the various domains. How to mitigate cyberattacks happening through the dark web. The dark web ecosystem with cutting edge areas like IoT, forensics, and threat intelligence and so on. The dark web-related research and applications and up-to-date on the latest technologies and research findings in this area. For all present and aspiring cybersecurity professionals who want to upgrade their skills by understanding the concepts of the dark web, *Inside the Dark Web* is their one-stop guide to understanding the dark web and building a cybersecurity plan.

*Evidence Theory and Its Applications* Jiwen W. Guan, David A. Bell, 1991 This book presents an easy-to-read, updated evidence theory and its applications, built on the Dempster-Shafer theory. The Dempster-Shafer theory significantly generalizes classic Bayesian statistics, and has been rapidly developed recently because of its many found applications in a variety of areas such as artificial intelligence, expert systems, information

systems, decision making, statistics and mathematics. The volume gives an introduction to the Dempster-Shafer theory, introduces Barnett's methodology to linearize the time complexity of computation of evidential functions, discusses separable mass functions, and deals with rule strengths in expert systems. engineers, system developers and managers in information systems, computer science, and business management. The guide is adaptable for both lectures and self-study and is intended to strengthen the reader's background and problem solving abilities.

**Darkness Visible** William Styron, 2010-05-04 The New York Times–bestselling memoir of crippling depression and the struggle for recovery by the Pulitzer Prize–winning author of *Sophie’s Choice*. In the summer of 1985, William Styron became numbed by disaffection, apathy, and despair, unable to speak or walk while caught in the grip of advanced depression. His struggle with the disease culminated in a wave of obsession that nearly drove him to suicide, leading him to seek hospitalization before the dark tide engulfed him. *Darkness Visible* tells the story of Styron’s recovery, laying bare the harrowing realities of clinical depression and chronicling his triumph over the disease that had claimed so many great writers before him. His final words are a call for hope to all who suffer from mental illness that it is possible to emerge from even the deepest abyss of despair and “once again behold the stars.” This ebook features a new illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family and the Duke University Archives.

*Do Good* David B. Berman, 2009 Social sciences.

An Unforeseen Life Mary Ann Connell, 2016-09-13

**Wide Mouth Frog's Big Birthday** Jerry Barrett, 2015-01-18 2015 Indie Book Awards Winner! Wide Mouth Frog has a birthday party and invites all his friends. However, he ignores his mother's warning and lands in big trouble! This fanciful story is packed with colorful illustrations and fun easy adventure reading that animal-loving kids will appreciate, while the creative problem-solving portion is well done and appealing. It should also be noted that Wide Mouth Frog's Big Birthday was the 2015 Indie Award Winner in the Children's Book category (0-6 years) - with good reason! - D. Donovan, Senior Reviewer Midwest Book Review

Cain's Redemption Dennis Shere, 2005-08-01 Formerly known as America's bloodiest prison, the 18,000 acres that comprise Louisiana's Angola State Penitentiary are now home to 5,000 inmates, a full range of seasonal crops, a 9-hole golf course, yearly rodeos, a Bible seminary, a museum, and much more. All of this came into being at the behest of Warden Burl Cain, who is now the longest-standing warden in the history of Angola prison. Under his leadership, the inmate population of 5,000 has gone from regular knife fights to Bible studies. Cain is a strong believer in the ability of the gospel to turn the most incorrigible of sinners into productive, moral citizens. Because eight out of ten prisoners are serving life sentences without parole at Angola, Cain has taken upon himself the task of making the lives of these prisoners productive and educational. Through a partnership with New Orleans Baptist Seminary, prisoners have the opportunity to get a bible degree and even be transferred to other prisons as a missionary. The Angola phenomenon has been covered by such media outlets as: Time Magazine, Christianity Today, and in the award-winning film documentary, The Farm: Angola, USA. Author Dennis Shere combines his background in

journalism and law to bring readers this account of redemption and life change in the most unlikely of places: a maximum security prison.

*My Cat, Spit McGee* Willie Morris, 2002-08-13 With endearing humor and unabashed compassion, Willie Morris--a self-declared dog man and author of the classic paean to canine kind, *My Dog Skip*--reveals the irresistible story of his unlikely friendship with a cat. Forced to confront a lifetime of kitty-phobia when he marries a cat woman, Willie discovers that Spit McGee, a feisty kitten with one blue and one gold eye, is nothing like the foul felines that lurk in his nightmares. For when Spit is just three weeks old he nearly dies, but is saved by Willie with a little help from Clinic Cat, which provides a blood transfusion. Spit is tied to Willie thereafter, and Willie grows devoted to a companion who won't fetch a stick, but whose wily charm and occasional crankiness conceal a fount of affection, loyalty, and a rare and incredible intelligence. *My Cat Spit McGee* is one of the finest books ever written about a cat, and a moving and entertaining tribute to an enduring friendship.

*The Republic of India* Alan Gledhill, 2013

**Riding with the Blue Moth** Bill Hancock, 2006 After the death of his son, Will, in the 2001 airplane crash that took the lives of nine additional members of the Oklahoma State basketball team and support staff, Hancock's 2,747-mile journey from the Pacific to the Atlantic became more than just a distraction. It became a pilgrimage. Photos.

*No Not Again* Shubham Tripathi, 2019-02-10 I have to study, I want to be in IIT Bombay. 6th April is 20 days away. Rohit said as he closed his eyes forever. His mother never knew what IIT was before that, she knows now although meaningless.

*Some Successful Marriages* Abby Meguire Roach, 1906

The Slave Next Door Kevin Bales, Ron Soodalter, 2010-08-23 In this riveting book, authors and authorities on modern slavery Kevin Bales and Ron Soodalter expose the disturbing phenomenon of human trafficking and slavery that exists now in the United States. In The Slave Next Door we find that these horrific human rights violations are all around us; people sold into slavery are often hidden in plain sight: the dishwasher in the kitchen of the neighborhood restaurant, the kids on the corner selling cheap trinkets, the man sweeping the floor of the local department store. In these pages we also meet some unexpected modern-day slave owners, such as a 27-year old middle-class Texas housewife who is currently serving a life sentence for offences including slavery. Weaving together a wealth of voices—from slaves, slaveholders, and traffickers as well as from experts, counselors, law enforcement officers, rescue and support groups, and community leaders—this book is also a call to action, telling what we, as private citizens and political activists, can do to raise community awareness, hold politicians accountable, and finally bring an end to this horrific and traumatic crime.

The Nineties Chuck Klosterman, 2022-02-08 An instant New York Times bestseller! From the bestselling author of *But What if We're Wrong*, a wise and funny reckoning with the decade that gave us slacker/grunge irony about the sin of trying too hard, during the greatest shift in human consciousness of any decade in American history. It was long ago, but not as long as it seems: The Berlin Wall fell and the Twin Towers collapsed. In between, one presidential election was allegedly decided by Ross Perot while another was plausibly decided by Ralph Nader. In the beginning, almost every name and address was listed in a phone book, and everyone answered their landlines because you didn't know who it was.

By the end, exposing someone's address was an act of emotional violence, and nobody picked up their new cell phone if they didn't know who it was. The 90s brought about a revolution in the human condition we're still groping to understand. Happily, Chuck Klosterman is more than up to the job. Beyond epiphenomena like Cop Killer and Titanic and Zima, there were wholesale shifts in how society was perceived: the rise of the internet, pre-9/11 politics, and the paradoxical belief that nothing was more humiliating than trying too hard. Pop culture accelerated without the aid of a machine that remembered everything, generating an odd comfort in never being certain about anything. On a 90's Thursday night, more people watched any random episode of Seinfeld than the finale of Game of Thrones. But nobody thought that was important; if you missed it, you simply missed it. It was the last era that held to the idea of a true, hegemonic mainstream before it all began to fracture, whether you found a home in it or defined yourself against it. In The Nineties, Chuck Klosterman makes a home in all of it: the film, the music, the sports, the TV, the politics, the changes regarding race and class and sexuality, the yin/yang of Oprah and Alan Greenspan. In perhaps no other book ever written would a sentence like, "The video for 'Smells Like Teen Spirit' was not more consequential than the reunification of Germany" make complete sense. Chuck Klosterman has written a multi-dimensional masterpiece, a work of synthesis so smart and delightful that future historians might well refer to this entire period as Klostermanian.

*An Examination of the Testimony of the Four Evangelists, by the Rules of Evidence Administered in Courts of Justice* Simon Greenleaf, 1846
