One Love Jocelyne Soto,2020-02-29 -Disclaimer: This book may contain triggers. Please read this book with caution.- She was the love of my life. But we made a pact in high school. When it came to college, we would walk away from our relationship, even if it destroyed us. As the years went on, She was always in the back of my mind. When I get a job offer that may bring her back into my life, I jump at the opportunity. After years, we could finally be in a place where our relationship might work. But there are a few things standing in our way. One, I'm an assistant professor at the same school she's completing her graduate program. A relationship is forbidden. Two, she isn't the same girl she was all those years ago. There's a darkness inside of her that wasn't there before. I want to help her get through it, but she won't let me. I have to find a way to show her that we can make it past the obstacles. That we belong together. This just might destroy me, But I would do anything for our love. ** One Love is a full-length novel that can be read as a standalone. There is no cheating, no heartbreak, and a HEA that will make you swoon.**

Heartlight K. Michael Curcuru,2017-01-27 Foreword Heartlight This book will change your relationship with reality. K. Michael Curcuru bestows enlightenment in a book. What you hold in your hands doesnt just have words about light. It conveys light. This book is a touchstone. Get into it. Let it wash over you. Read aloud the exquisite passages, and relish the sparkling energy that enfolds you. This is a new literary genre: stream-of-light-consciousness writing. When I began reading Heartlight, my recovering English teacher started sputtering, Oh dear, thats what hes using as a verb? Then the beauty and flow of the book moved me into a different way of being with it. Michael really does see the world as hes written it here. He embodies radiant light. And this book imparts transformation just as Michael doesenergetically speaking because Michael is that light. He has discovered a way of gifting an enlightened level of being to you by experiencing his book. Heartlight is an energetic field. Like a magnetic field realigns poles of iron filings, you will find yourself feeling lighter, expanded, and more open-hearted and self-loving when you spend time in this book. You will absorb this book at a subatomic level. Avoid seeking the sentence structure Newtonian method. Let your right brain fall in love with this book. Use the creative, fluid, random part of you that senses wholeness rather than constructs it. As you drop into this book, you may find yourself swept away, poised on the crest of a word wave. Awash in alluring alliteration, you ask, From whence did I come? You can find your way home, Dorothy, by remembering. Heartlight is about how to be the light in the Illusion; it is how to find the light, trust the light, and be cradled by the light. As Michael would say, In-Joy! Namaste, Phyllis Kirk, JD Quantum Lite Simplified: How to Calm the Chaos

El Jazim Albert Waszink,2023-05-26 El Jazim: Say YES! begins by explaining the end time in which we live today and shares direct knowledge that restores the common foundations of Judaism, Christianity, and Islam, which involve the first and last names of God, the nature of God, the meaning of the word Amen, Jesus Christ, the coming of the Messiah, the archangels, the purpose of life, and the first commandment: ‘Love.’ This book then explains the inner Path to Christ consciousness: the path from an ego-centred awareness to a heartcentred awareness, which comprises seven development stages that can be extracted from the Bible. In doing so, this book describes the growth pattern for each stage and offers practical pointers that induce growth through all the development stages. The final part of El Jazim clarifies various Christian themes and provides a summary of the entire book, which is Albert Waszink’s core message: “Say YES!”

Catalyst One Robert E. Rushton,2004 A matrix of Morality-wisdom Philosophy-insights, Diplomatic-cynicism, Common-sense impressions, Whimsy-freak notions, Personal love-relations, Societal love-relations, War, Guerilla War, & Assassinations. New political-terminology and conceptions, And much more for you, the story maker, to ponder, extract and catalyze into your very own allergy using your genius to flesh it out, in your name, a legend of our time. Story-smiths will delight in the wisdom given in the various sections on love that may be extracted here-from and fashion into a story line. A refreshing change of outlook on this subject both from society's point of view and from the individual's intuitive instincts. The parabolic sections on Front Line War, Guerilla War and Assassination will offer the story maker pause for thought on these subjects. The story maker's own abstraction and reworking of these new concepts will leave ample scope for metamorphosis into ones own powerful narrative. The cynical section on diplomacy takes the subject to new horizons that will lead one from fresh works in this subject thus adding modern scope to those works of Michiavelli. The story maker's extraction, modification and reapplication of the various other sections of this work may possibly lead to new higher ground in plot constructs. This book will both entertain and enlighten you. A revolutionary and extraordinary book that crosses the boundaries of religion, philosophy, and intellectual thought with purity,

lucidity, and protraction laid out in an order that allows full scope of craft a blueprint for your own book in word erection. This book of 'parables' venerates the probity of extraordinary events in the life and times of contemporary society and doings. It validates and encourages responsibility for creating your own truly insightful work. The book requires some effort in understanding fresh ground breaking concepts and thus willingness to learn and grasp new terminology.

Love Wise Jill Delbridge,2012-09-07 ForewordI have had the utmost pleasure in not only calling Jill Delbridge a friend, but a very close one, more like a Sister to me. There is not enough space or the proper words to capture her essence in a Foreword. The Multi-Faceted, Jill Delbridge is a beautiful and extremely talented lady that has taken many young writers under her gentle wings and mentored them gracefully. She is a natural Giver and to know her, is to love her.As for her own writing, it is thoughtful, deep and laden with profound messages that the readers may apply to their own lives as well as a feeling of familiarity as she lets you into her world.Whether she is writing about the plight of the Home-less, Racism or a Lovers quarrel, Ms. Delbridge has the natural ability to not only paint a vivid picture so that we may see but she captures all five senses in the reader. Her style may be considered by some, as Eclectic and I'd like to add that her use of Metaphors is strong and her vocabulary is prolific.

An abiding sense of present ? moment awareness will permeate your life as you practice the inner postures.
