One Rainy Day Shobha Viswanath,2018-10-09 Rainy days are anything but boring! This beautifully illustrated book helps little ones practice their 1,2,3s while they follow along with all the fun things to do on a rainy day. Bright and bold collage illustrations introduce a variety of prints and materials as the reader journeys through the stages of a rainy day--from the first sign of clouds on the horizon to the rainbow in the sky when the sun reappears. Numbers are spelled out and written, so little ones can practice both numeral and word recognition while they spot bright umbrellas, puddles, and other elements of rainy days. A warm snack of samosas and tea will also encourage diversity discussions with children.

But soon the rain gets faster and the wind gets blowier and Little Hedgehog's rain day turns into a great big adventure!

The Familiar, Volume 1 Mark Z. Danielewski,2015-05-12 From the author of the international best seller *House of Leaves* and National Book Award-nominated *Only Revolutions* comes a monumental new novel as dazzling as it is riveting. *The Familiar* (Volume 1) ranges from Mexico to Southeast Asia, from Venice, Italy, to Venice, California, with nine lives hanging in the balance, each called upon to make a terrifying choice. They include a therapist-in-training grappling with daughters as demanding as her patients; an ambitious East L.A. gang member contracted for violence; two scientists in Marfa, Texas, on the run from an organization powerful beyond imagining; plus a recovering addict in Singapore summoned at midnight by a desperate billionaire; and a programmer near Silicon Beach whose game engine might unleash consequences far exceeding the entertainment he intends. At the very heart, though, is a twelve-year-old girl named Xanther who one rainy day in May sets out with her father to get a dog, only to end up trying to save a creature as fragile as it is dangerous . . . which will change not only her life and the lives of those she has yet to encounter, but this world, too--or at least the world we think we know and the future we take for granted. (With full-color illustrations throughout.) Like the print edition, this eBook contains a complex image-based layout. It is most readable on e-reading devices with larger screen sizes.

Richard Scarry's Best Rainy Day Book Ever Richard Scarry,2004 Includes such activities as connecting-the-dots, making holiday decorations and cards, coloring, and making paper models.

But then a mouse joined him, and then two porcupines, three buffaloes, and so on, until there were enough animals under that tree to fill a zoo! One Rainy Day Joan Jonker,2012-02-02 For one young girl, a walk in the rain will change her life forever... One Rainy Day is an unforgettable saga of warmth and humour from hugely popular author, Joan Jonker. Perfect for fans of Dilly Court and Katie Flynn. Poppy Meadows has a face of rare beauty. Like most other nineteen-year-olds, she enjoys life. And, oh, how she loves to dance! The only blot on her happiness is her dreadful boss in the office where she works... One rainy day, Poppy is delivering a letter when she fails to notice two people approaching and is knocked to the ground. The couple are full of apologies but Poppy brushes aside the young man's offer to replace her ruined raincoat. As she walks away with her head held high, Andrew Wilkie-Brook says to his sister Charlotte, 'I wish she'd let me help, but she wouldn't listen to me.' Someone is listening, however, and her name is Fate... What readers are saying about One Rainy Day: 'A wonderfully delightful story by Joan Jonker, who as always satisfies her readers. I thoroughly enjoyed the humour, friendship and romance in the story. Such an enjoyable read which was difficult to put down. I just loved to cuddle up with such a super book' 'This is a most delightful book; even for romantic males! It had everything. Sorrow and laughter, hatred and love, rich and poor. I would have liked to have read a follow-up to discover what happened next'

One Rainy Day / Un Día Lluvioso Valeri Gorbachev,2016-06-14 Pig got caught in a big rainstorm, but he managed to find a big tree to stay beneath while waiting for the rain to stop. Why, then, is he running up to Goat's house all wet? Pig proceeds tells Goat a wild tale of how he was joined under the tree by one mouse, two porcupines, three buffaloes, and so on! Join Pig and Goat as Goat tries to figure out why Pig is all wet, even though he says there was enough room under the tree for everyone. The ending won't be one you expect! As Pig describes all the animals who seek shelter under the tree, your children will love counting along with him all while learning a new language!

Once Upon a Rainy Day Édouard Manceau,2015-08-11 This is the story of a story that starts over again every day in the same way: as the sun rises, Mr. Warbler steps outside his cottage and walks into to the forest to wake the Big Bad Wolf. Every day, this action unleashes the same cavalcade of antics as the forest animals try to escape. But today, none of it happens -- Mr. Warbler doesn't even go outside -- because it is raining. In this book, the text tells a story the reader purposely never sees play out on the page. In whimsical color, the settings are illustrated as described, but they are empty of characters and action. The reader has to imagine them to life. The eccentric characters described -- like Oscar the bookwormish, bicycle-riding pig and Niles, a flying squirrel and retired globetrotter with a hot air balloon -- will provide rich fodder for creative imaginations. Once Upon a Rainy Day sets the stage for exploring cause and effect and invites an inventiveness that could lead someplace new with every read. And just as the book ends, the sun comes out... Praise for Windblown by Édouard Manceau: A surefire inspiration for imagination-fueled projects at school or at home. --Publishers Weekly(starred review) Praise for LOOK! by Édouard Manceau: This clever, engaging offering invites children to review basic concepts while seeing the world around them in new ways. --Kirkus(starred review)

Rainy Day Friends Jill Shalvis,2018-06-19 First Time Available! Following the USA Today bestseller, Lost and Found Sisters, comes Rainy Day Friends, Jill Shalvis’ moving story of heart, loss, betrayal, and friendship. Six months after Lanie Jacobs’ husband’s death, it’s hard to imagine anything could deepen her sense of pain and loss. But then Lanie discovers she isn’t the only one grieving his sudden passing. A serial adulterer, he left behind several other women who, like Lanie, each believe she was his legally wedded wife. Rocked by the infidelity, Lanie is left to grapple with searing questions. How could she be so wrong about a man she thought she knew better than anyone? Will she ever be able to trust another person? Can she even trust herself? Desperate to make a fresh start, Lanie impulsively takes a job at the family-run Capriotti Winery. At first, she feels like an outsider among the boisterous Capriottis. With no real family of her own, she’s bewildered by how quickly they all take her under their wing and make her feel like she belongs. Especially Mark Capriotti, a gruffly handsome Air Force veteran turned deputy sheriff who manages to wind his way into Lanie’s cold, broken heart—along with the rest of the clan. Everything is finally going well for her, but the arrival of River Green changes all that. The fresh-faced twenty-one-year old seems as sweet as they come…until her dark secrets come to light—secrets that could destroy the new life Lanie’s only just begun to build.
