The Freelance Manifesto Joey Korenman, 2017-05-31 Designing beautiful boards and making smooth animation come naturally to us Motion Designers. It's what we're good at. However, designing the career we want, with the freedom, flexibility, and pay we crave, that's more difficult. All of the above is within your grasp if you're willing to take the plunge into freelancing. School of Motion founder Joey Korenman worked in every kind of Motion Design role before discovering that freelancing offered him not only more autonomy but also higher pay, less stress, and more creativity. Since then, he's taught hundreds of School of Motion students his playbook for becoming a six-figure freelancer. Now he shares his experience and advice on breaking out of the nine-to-five mold in this comprehensive and tactical handbook. The Freelance Manifesto offers a field guide for Motion Design professionals looking to make the leap to freelance in two clear and concise parts. The first examines the goals, benefits, myths, and realities of the freelance lifestyle, while the second provides future freelancers with a five-step guide to launching and maintaining a solo business, including making contact, selling yourself, closing the deal, being indispensable, and becoming a lucrative enterprise. If you're feeling stifled by long hours, low-paying

gigs, and an unfulfilling career, make the choice to redesign yourself as a freelancer-and, with the help of this book and some hard work, reclaim your time, independence, and inspiration for yourself.

The Complete Guide to Writing Web-based Advertising Copy to Get the Sale Vickie Taylor, 2008 Since the advent of the Internet and since more and more people are making purchases online, writers have had to adapt to composing copy for the Web. Contrary to what many people think, writing for the Web and writing for print are not the same and involve very different skill sets. Instead of struggling to find the right words, copywriters should read this new book from cover to cover to discover how to write sales-generating copy. The Complete Guide to Writing Web-based Advertising Copy to Get the Sale will teach you how to make your copy readable and compelling, how to reach your target audience, how to structure the copy, how to visually format the copy, how to forget everything you ever learned about writing, how to pull in visitors, how to convince visitors to buy, how to outline and achieve your goals, how to create a customer profile, how to create a unique selling position, how to include searchable keywords in the copy, how to convert prospects to paying customers, and how to compose eye-catching headlines. In addition, you will learn about the trends in Web-based advertising; the categories of advertising; the important information that needs to be included in your copy, such as what you are selling, what sets your product apart from the competition, where you are located, what makes your product affordable, and why you yourself would buy the product; writing in the inverted pyramid style; the do's and don'ts of Web-based advertising; and key phrases to incorporate in your copy. We will also provide you with some common mistakes to avoid and tips for writing, revising, and proofreading. By incorporating the principles in this book, you will take your Web-based advertising copy from boring to brilliant, while boosting your sales and increasing your customer traffic. Online Jobs Todd McLeod, 2014-02 Job hunting today can be rather competitive. Very rarely is a job opening available where you will be the only person applying, as predominantly hundreds may battle it out for the same position. Even if you are the person lucky enough to land the job, you may find that you are still not satisfied and yearn something more, something slightly out of the ordinary. Todd McLeod's book *Online Jobs* looks how people continue to explore new ways of making money from home as an additional income and they are making the right decision as there are so many opportunities just waiting to be tapped in to. Sitting at home and searching through the job section in your local newspaper simply won't cut it. All you really need is basic computer knowledge, a reliable internet connection, and the desire to earn cash from home at a pace you are comfortable with, either part time or full time. Freelancing Income Genesis Dr. Ope Banwo, Eric O. Philip, *The Secret Blueprint For Starting & Maximizing Your Income From Freelancing With Minimum Risk* Freelancing has become an increasingly popular career path for many individuals seeking flexibility, independence, and the potential for unlimited earning potential. With the rise of digital technologies, the number of individuals choosing to freelance is expected to continue to grow in the coming years. According to the 2021 *Freelancing in America* survey, there are now over 60 million freelancers in the United States alone, with over half of those individuals relying on freelance work as their primary source of income. Freelancing has become a viable career option for people from all backgrounds, including students, stay-at-home parents, and those who have been laid off from traditional jobs. However, many individuals are intimidated by the thought of starting their own freelancing business and are unsure of where to begin. This is where *Freelance Income Genesis* comes in. This book provides a comprehensive guide to starting and maximizing your income from freelancing, while minimizing the risks involved. *The Secret Blueprint*: This Blueprint is a step-by-step guide that provides a roadmap for starting and growing your freelancing business. It covers all aspects of freelancing, from finding clients and marketing your services to managing your finances and avoiding burnout. The book is designed to help you gain the skills, knowledge, and confidence you need to succeed as a freelancer. It provides practical advice, real-life examples, and case studies that demonstrate how you can overcome common challenges and turn your freelancing

business into a success. With the rise of the gig economy, it's no surprise that freelancing is becoming an increasingly popular way to make a living. Freelancers have the flexibility to choose their clients, projects, and hours, and they can work from anywhere in the world. However, freelancing also comes with its own set of challenges, such as the need to find clients and manage finances. To succeed as a freelancer, you need to have a combination of skills and qualities. You need to be highly motivated, organized, and have excellent communication and problem-solving skills. You also need to have a strong work ethic and determination, as freelancing can be a challenging and competitive industry.

Work from Home Madison Hall, 2018-04-20 Are you tired working far from home or looking for a gig to earn you extra money? There is a plethora of opportunities available for those who want to work from home especially the stay-home-moms. You probably went to school and had earned a degree; you spent sleepless nights working on your education so that you could further your career. Unfortunately, motherhood demands much from you, and you decide to quit your 9-5 job, or your boss is stressing you, or even the job you got does not make you happy. Regardless of your gender, age or skin or height, today's economy does not cut anybody any slack. Bills have to be paid, and you have to feed and dress your children and yourself. SO, is it possible to have a profitable and fruitful career while working at home? Well, the answer is YES! Only if you balance your life. With your professional background, experience and determination this is achievable. If you probably did not manage to get a degree, that doesn't mean you should give up. Not at all! Fear should not hold you back that your skills are not honed enough to turn them into viable dreams, relax! It's not utterly necessary to have a distinct set of skills to be able to work from home. You have as many opportunities as those with degrees do; often they seek a different type of jobs out of the available pool of jobs. This book has been curated to help you work comfortably from home. We will see the different careers you could take while working from home, the advantages as well as the disadvantages of working from home and how to set up a routine that will help you manage your time wisely. I invite you to grab a copy of this book and change your perspective of working from home.

How to Make Money Online - The Real Secrets Revealed Wisdom Gabriel, 2017-09-14 NO PRIOR EXPERIENCE REQUIRED. ALL INSTRUCTIONS ARE FULLY DETAILED AND STEP-BY-STEP SO ANYONE CAN FOLLOW THEM EASILY. Online passive income is the ultimate dream. Making money while you sleep. Everybody wants it. But is it really possible? The short answer is YES The longer answer is yes, but it isn't easy to accomplish. If it was, wouldn't everyone be doing it? In my ebook, I give you a step-by-step plan on how to develop a passive income online business and show you how making money online actually works (with links to supporting lessons for extra clarity). The specific plan I teach is designed to make you \$5,000+ per month in passive income earnings, based on Blogging, Affiliate Marketing, Freelancing and Selling of Digital Products. Once you understand the process though, you can decide to work with any of them or with all. When you stop is up to you (and yes, there are people making tens of thousands of dollars per month on the Internet based on these concepts-they just love the work and don't ever stop. What's great about the business plan that I teach you is not only the income level you will accomplish if you follow through, but all that you will learn in the process. The skills you learn in this ebook will enable you to build all kinds of online businesses and open the door for all kinds of entrepreneurial projects you may have. Not only that, you will be able to evaluate business ideas much more intelligently once you've gone through this whole process. You will understand the fundamentals of keyword research & analysis, traffic & lead generation, social & affiliate marketing, monetization & conversion testing, and traffic analysis. These skills will help you immensely in ANY business

you ever decide to start (online or not, passive or not). Generating an online passive income won't happen overnight and takes a lot of hard work, but going through the process is completely worth it and having an exact plan of action is the ONLY way to ensure success. Let me put it this way: if you were offered no pay for six months for 40+ hours of work per week, but after those six months, you got \$5,000+ per month for the rest of your life, would that be worth it to you? If that idea isn't unbelievably exciting to you, then this isn't the business for you. This isn't a get rich quick scheme. This is a business. Except with this business, instead of trading your time for money (like most jobs), you are investing your time. You work hard now and continue to reap the benefits indefinitely. Building an online business takes a lot of work and a lot of patience, but the rewards can be amazing. That's the kind of business that I teach you in this ebook. Here's what you will learn 1. The Truth Behind the Internet and making money online 2. The only ways you can truly make money online 3. Blogging - What is blogging? 4. Affiliate Marketing – What is Affiliate Marketing? 5. Freelancing - what is freelancing? and much more things you will learn.
