Face Difficult Conversations with God on Your Side Rebecca Finley,2020-02 Would you be happy if you could kill your anxiety, confidently ask for what you want, and get it? Would your life be better if you could speak your mind and confront others without fear? Of course! Women tend to avoid conflict and make fewer requests for themselves than men because they intuitively know that the strategies that work for men backfire for women: an assertive man is admired, but an assertive woman is considered bossy; when a man protects his turf he's a committed leader, but if a woman does the same she's a control freak; and when a man and a woman express the same type of negative emotions with the same intensity, she's considered "too emotional," while he might be "having a bad day." Face Difficult Conversations with God on Your Side will help you—a Christian woman—speak up, resolve conflicts, and set boundaries in a healthy, successful, and biblical way. Rebecca Finley is a professional speaker, trainer, and award-winning and Amazon best-selling author with graduate degrees in business and communication. After 10 years of listening to the stories of hundreds of women and guiding them to improve their conflict-resolution skills, Rebecca has developed the powerful techniques you'll learn in this book. Face Difficult Conversations with God on Your Side is a step-by-step guide full of real-life stories and sprinkled with humor. It helps women use the fundamental principles of their faith, coupled with cutting-edge scientific research, to courageously navigate disagreements. You'll learn to · Solve your problems and get what you want applying a Christian approach · Not be judged by others as passive (weak) or aggressive (bossy), but just right · Speak your mind without fear of hurting or losing a relationship · Control your emotions and lower their defenses, so they won't turn the tables on you · Create a script to guide you, so you know exactly what to say and how to say it during a confrontation · And much more! Face Difficult Conversations with God on Your Side gives you clear, specific instructions, tried-and-true advice, and hand-holding you need to feel prepared before, during, and after difficult conversations. God Is Not on Your Side Joshua Opperman,2021-04-19 How is it possible for someone to grow up in the church, identify as a Christian, and yet still travel a path of separation from God? In God is Not on Your Side, author Joshua Opperman shares his testimony as someone who believed he was a follower of Jesus living a Christian life, but one day came to realize he was actually far from God. Opperman chronicles his journey of self-reflection and revelation, evaluating not only personal beliefs but external influences that have significantly impacted the American Christian church. He shares a Biblical look at money, politics, and sin and how the gospel impacts culture in power. Geared toward the approximately sixty percent of Americans who identify as Christians, God is Not on Your Side tackles difficult and controversial topics. It brings to light the many ways in which secular culture has influenced American Christianity both individually and corporately. It calls the follower of Jesus to a renewal of faith and a life set apart from the surrounding culture that bears witness to the power of almighty God.

Mastering The Market Cycle Howard Marks,2018-10-02 A NEW YORK TIMES, WALL STREET JOURNAL, AND USA TODAY BESTSELLER The legendary investor shows how to identify and master the cycles that govern the markets. We all know markets rise and fall, but when should you pull out, and when should you stay in? The answer is never black or white, but is best reached through a keen understanding of the reasons behind the rhythm of cycles. Confidence about where we are in a cycle comes when you learn the patterns of ups and downs that influence not just

economics, markets, and companies, but also human psychology and the investing behaviors that result. If you study past cycles, understand their origins and remain alert for the next one, you will become keenly attuned to the investment environment as it changes. You'll be aware and prepared while others get blindsided by unexpected events or fall victim to emotions like fear and greed. By following Marks's insights—drawn in part from his iconic memos over the years to Oaktree's clients—you can master these recurring patterns to have the opportunity to improve your results.

This is a novel that seeks to inspire readers by expounding upon the importance of demonstrating steadfast faithfulness.

God Is Not on Your Side Joshua Opperman, 2021-05-05 God Is Not on Your Side, but that is good news! Understanding why and discovering what the application of this truth means for each of our lives is quite the adventure. This sixteen-week book study has been written for the purpose of encouraging the individual to explore the topics and themes of God Is Not on Your Side in a group setting. It is an excellent curriculum for group Bible study, written with a focus on those who have been actively involved in church for some time or maybe have recently stopped attending church after being involved for many years. God Is Not on Your Side begins with the author's testimony as an individual who believed he was a follower of Jesus living a Christian life, but one day came to realize he was actually far from God. From this humble place, the reader is then invited on a journey of self-reflection and revelation; evaluating not only personal belief but external influences that have had a significant impact on the American Christian Church. What is discovered challenges one to compare commonly accepted cultural norms and the worldview of Christians in the American Christian Church against Biblical truth. The Christian life is not one of theory alone. The truths conveyed in God Is Not on Your Side are best learned and lived out in community. May you enjoy the journey.
