The Lightmaker's Manifesto Karen Walrond, 2021-11-02 Karen Walrond shines her light so we can find our own. —Brené Brown Many of us have strong convictions. We want to advocate for causes we care about—but which ones? We want to work for change—but will the emotional toll lead to burn out? Leadership coach, lawyer, photographer, and activist Karen Walrond knows that when you care deeply about the world, light can seem hard to find. But when your activism grows out of your joy--and vice

versa--you begin to see light everywhere. In *The Lightmaker's Manifesto*, Walrond helps us name the skills, values, and actions that bring us joy; identify the causes that spark our empathy and concern; and then put it all together to change the world. Creative and practical exercises, including journaling, daily intention-setting, and mindful self-compassion, are complemented by lively conversations with activists and thought leaders such as Valarie Kaur, Brené Brown, Tarana Burke, and Zuri Adele. With stories from around the world and wisdom from those leading movements for change, Walrond beckons readers toward lives of integrity, advocacy, conviction, and joy. By unearthing our passions and gifts, we learn how to joyfully advocate for justice, peace, and liberation. We learn how to become makers of light.

*Truth's Table* Ekemini Uwan, Christina Edmondson, Michelle Higgins, 2022-04-26 A collection of essays and stories documenting the lived theology and spirituality we need to hear in order to lean into a more freeing, loving, and liberating faith—from the hosts of the beloved Truth’s Table podcast “The

liberating work of Truth's Table creates breathing room to finally have those conversations we've been needing to have."—Morgan Harper Nichols, artist and poet Once upon a time, an activist, a theologian, and a psychologist walked into a group chat. Everything was laid out on the table: Dating. Politics. The Black church. Pop culture. Soon, other Black women began pulling up chairs to gather round. And so, the Truth's Table podcast was born. In their literary debut, co-hosts Christina Edmondson, Michelle Higgins, and Ekemini Uwan offer stories by Black women and for Black women examining theology, politics, race, culture, and gender matters through a Christian lens. For anyone seeking to explore the spiritual dimensions of hot-button issues within the church, or anyone thirsty to deepen their faith, Truth's Table provides exactly the survival guide we need, including:

- Michelle Higgins's unforgettable treatise revealing the way "racial reconciliation" is a spiritually bankrupt, empty promise that can often drain us of the ability to do real justice work
- Ekemini Uwan's exploration of Blackness as the image of God in the past, present, and future
- Christina Edmondson's reimagination of what a more just and liberating form of church discipline might look like—one that acknowledges and speaks to the trauma in

the room These essays deliver a compelling theological re-education and pair the spiritual formation and political education necessary for Black women of faith.

*Siriously Delicious* Daly, Siri, 2018-04-17 Popular food blogger and TODAY food contributor Siri Daly shares her collection of cooking triumphs and mistakes, and delicious recipes for people who love food. Like many of us trying to feed our families, Siri Daly is a very busy cook. As a mother of three under the age of 10, TODAY food contributor, and wife of a bicoastal traveling man, Carson Daly (The

Voice host and TODAY show co-host), Siri often doesn't know which end is up. Siri is not a serious cook, but she is serious about her food—and what she serves her family, friends and loved ones. Seriously Delicious is organized by how a busy mom gets through her day—breakfast, lunch, happy hour (her favorite!), dinner with sides, and dessert. Siri's recipes are created with three goals in mind: to create food that is delicious and satisfying for both kids and adults, to prepare dishes packed with traditionally comforting flavors and ingredients (think cheese, avocado, chocolate!), and to make each recipe approachable for even a novice cook—no trips to specialty food stores are required. Whether you're looking for easy-to-cook recipes your kids will devour, such as mouth-watering Bacon Pizzadillas, or you're dying to relax with a Spicy Grapefruit Cocktail when the days feel too long, this cookbook has a recipe for every occasion. Siri also includes extra tips to make your time in the kitchen easier: Seriously Simple offers a hack or time-saving tip, Seriously Sinful details how to make something even more indulgent, Seriously Nutritious explains how to make something healthier, and Seriously Mini advises how to satisfy the kiddos. Filled with Siri's often hilarious anecdotes, Seriously Delicious will

not only feed your family's bellies but hopefully deliver a belly laugh along the way.

**Unashamed** Leah Vernon, 2019-10-15 A Muslim woman's searingly honest memoir of her journey toward self-acceptance as she comes to see her body as a symbol of rebellion and hope—and chooses to live her life unapologetically Ever since she was little, Leah Vernon was told what to believe and how to act. There wasn't any room for imperfection. 'Good' Muslim girls listened more than they spoke. They didn't have a missing father or a mother with a mental disability. They didn't have fat bodies or grow up wishing they could be like the white characters they saw on TV. They didn't have husbands who abused and cheated on them. They certainly didn't have secret abortions. In *Unashamed*, Vernon takes to task the myth of the perfect Muslim woman with frank dispatches on her love-hate relationship with her hijab and her faith, race, weight, mental health, domestic violence, sexuality, the millennial world of dating, and the process of finding her voice. She opens up about her tumultuous adolescence living at the poverty line with her fiercely loving but troubled mother, her absent dad, her siblings, and the violent dissolution of her 10-year marriage. Tired of the constant

policing of her clothing in the name of Islam and Western beauty standards, Vernon reflects on her experiences with hustling paycheck to paycheck, body-shaming, and redefining what it means to be a “good” Muslim. Irreverent, youthful, and funny, Unashamed gives anyone who is marginalized permission to live unapologetic, confident lives. “Vernon’s determined advocacy for body positivity as a feminist and mental health issue, and her painful journey to self-acceptance, are moving and powerful, forcing readers to examine their own preconceptions about beauty standards and health.” —Booklist
