The Darkdeep Series Ally Condie,Brendan Reichs,2021-06-29 Discover a thrilling, darkly suspenseful middle grade series by New York Times bestselling authors Ally Condie and Brendan Reichs in this three-book digital bundle! Everyone in Timbers knows Still Cove is off-limits, with its creepy Beast sightings and equally terrifying legends. But when a bullying incident sends twelve-year-old Nico Holland over a cliff and into Still Cove's icy waters, friends Tyler and Emma--and even Opal Walsh, who usually runs with the popular kids--rush to his rescue . . . and discover a mysterious island hiding in the murky, swirling mists below. Though the island appears uninhabited, the kids can't shake a feeling that something about it is definitely not right. Their suspicions grow when they stumble upon an abandoned houseboat filled with all sorts of curiosities, and in its lowest depths churns a dark, deep secret. As the group delves deeper into this mysterious new clubhouse, they discover shocking secrets about their houseboat hangout, the Rift, and the Darkdeep itself, and their lives begin to intertwine in weird and dangerous ways. For something ancient has awakened . . . Now, the friends must fight to protect their secrets, defeat new enemies, and save Timbers and all that they love, putting their friendships to the test as never before. Do they have what it takes to face the shadowy secrets lurking within their own hearts? This e-book bundle includes the entire series: The Darkdeep, The Beast, and The Torchbearers.

The Final Revival of Opal & Nev Dawnie Walton,2021-03-30 An electrifying novel about the meteoric rise of an iconic interracial rock duo in the 1970s, their sensational breakup, and the dark secrets unearthed when they try to reunite decades later for one last tour. A GOOD MORNING AMERICA BUZZ PICK NAMED A BEST BOOK OF 2021 BY BARACK OBAMA * THE WASHINGTON POST * NPR * ESQUIRE * ENTERTAINMENT WEEKLY * GOODREADS * THE MILLIONS * READER’S DIGEST * PHILADELPHIA INQUIRER * EERIE READER * PUBLIC RADIO TULSA * CHICAGO PUBLIC LIBRARY * KIRKUS REVIEWS “Feels truer and more mesmerizing than some true stories. It’s a packed time capsule that doubles as a stick of dynamite.” —THE NEW YORK TIMES BOOK REVIEW Opal is a fiercely independent young woman pushing against the grain in her style and attitude, Afro-punk before that term existed. Coming of age in Detroit, she can’t imagine settling for a 9-to-5 job—despite her unusual looks, Opal believes she can be a star. So when the aspiring British singer/songwriter Neville Charles discovers her at a bar’s amateur night, she takes him up on his offer to make rock music together for the fledgling Rivington Records. In early seventies New York City, just as she’s finding her niche as part of a flamboyant and funky creative scene, a rival band signed to her label brandishes a Confederate flag at a promotional concert. Opal’s bold protest and the violence that ensues set off a chain of events that will not only change the lives of those she loves, but also be a deadly reminder that repercussions are always harsher for women, especially black women, who dare to speak their truth. Decades later, as Opal considers a 2016 reunion with Nev, music journalist S. Sunny Shelton seizes the chance to curate an oral history about her idols. Sunny thought she knew most of the stories leading up to the cult duo’s most politicized chapter. But as her interviews dig deeper, a nasty new allegation from an unexpected source threatens to blow up everything. Provocative and chilling, The Final Revival of Opal & Nev features a backup chorus of unforgettable voices, a heroine the likes of which we’ve not seen in storytelling, and a daring structure, and introduces a bold new voice in contemporary fiction.

The Darkdeep Ally Condie,Brendan Reichs,2018-10-02 This book left me breathless! --R. L. Stine, #1 New York Times bestselling author of Goosebumps and Fear Street Move over, Stranger Things. . . The Darkdeep will pull you into an irresistibly eerie world beyond your wildest dreams--and nightmares. --Melissa de la Cruz, #1 New York Times bestselling author of the Descendants series New York Times bestselling authors Ally Condie and Brendan Reichs team up to co-author this thrilling first book in a darkly suspenseful middle grade series. Everyone in Timbers knows Still Cove is off-limits, with its creepy Beast sightings and equally terrifying legends. But when a bullying incident sends twelve-year-old Nico Holland over a cliff and into Still Cove's icy waters, friends Tyler and Emma--and even Opal Walsh, who usually runs with the popular kids--rush to his rescue . . . and discover a mysterious island hiding in the murky, swirling mists below. Though the island appears uninhabited, the kids can't shake a feeling that something about it is definitely not right. Their suspicions grow when they stumble upon an abandoned houseboat filled with all sorts of curiosities: odd-looking weapons, unnerving portraits, maps to unknown places, and a glass jar containing something completely unidentifiable. And in its lowest depths churns a dark, deep secret. As the group delves deeper into this mysterious new clubhouse, their lives begin to intertwine in weird and dangerous ways. For something ancient has awakened . . . and it can detect not only their wishes and dreams, but also their darkest, most terrible imaginings. Do they have what it takes to face the shadowy secrets lurking within their own hearts? Told from alternating points of view, this pulse-racing tale from bestselling duo Ally Condie and Brendan Reichs is the start of a high-stakes, thrilling series about friendship and believing in yourself--and each other.

Beyond the Farm J. M. Opal,2013-04-19 During the first half-century of American independence, a fundamental change in the meaning and morality of ambition emerged in American culture. Long stigmatized as a dangerous passion that led people to pursue fame at the expense of duty, ambition also raised concerns among American Revolutionaries who espoused self-sacrifice. After the ratification of the U.S. Constitution and the creation of the federal republic in 1789, however, a new ethos of nation-making took hold in which ambition, properly cultivated, could rescue talent and virtue from the parochial needs of the family farm. Rather than an apology for an emerging market culture of material desire and commercial dealing, ambition became a civic project—a concerted reply to the localism of provincial life. By thus attaching itself to the national self-image during the early years of the Republic, before the wrenching upheavals of the Industrial Revolution, ambitious striving achieved a cultural dominance that future generations took for granted. Beyond the Farm not only describes this transformation as a national effort but also explores it as a personal journey. Centered on the lives of six aspiring men from the New England countryside, the book follows them from youthful days full of hope and unrest to eventual careers marked by surprising success and crushing failure. Along the way, J. M. Opal recovers such intimate dramas as a young man's abandonment by his self-made parents, a village printer's dreams of small-town fame, and a headstrong boy's efforts to both surpass and honor his family. By relating the vast abstractions of nation and ambition to the everyday milieus of home, work, and school, Beyond the Farm reconsiders the roots of American individualism in vivid detail and moral complexity.

Anatomy of an Affair Dave Carder,2017-09-05 When it comes to adultery, never say, “It won’t happen to me.” Just when you think your marriage is safe from adultery is when you may be the most vulnerable. With eye-opening stories, clinical insights, and up-to-date data, Dave Carder reveals what adulterers learned the hard way—and what they want the rest of us to know to save us the pain. Dave Carder, counselor and author of the bestselling Torn Asunder (100,000 in print), is a sought-after expert on issues of adultery. Here he helps you make your marriage adultery-proof by showing you: How attractions can lead to affairs Ways you may be vulnerable to affairs The common ingredients of adultery How to restore intimacy to your marriage How to make wise, protective decisions Marriage is too sacred to be taken casually. Affairs are a very real threat, and they can destroy lives and families. For this reason, Anatomy of an Affair should be on every church leader’s and marriage counselor’s required reading list, and in the home of every married couple. Includes charts and assessments to understand and guard against affairs. This book is the revised edition of Close Calls (2008)

FAQs About Opals Family Office Event App Books

Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
