The Oxford Handbook of Nigerian Politics A. Carl LeVan,Patrick Ukata,2018-10-18 The Oxford Handbook of Nigerian Politics offers a comprehensive analysis of Nigeria's very rich history and ever changing politics to its readers. It provides a deep understanding of Nigeria's socio-political evolution and experience by covering broad range of political issues and historical eras. The volume encompasses 44 chapters organized thematically into essays covering history, political institutions, civil society, economic and social policy, identity and insecurity, and Nigeria in a globalized world. By identifying many of the classic debates in Nigerian politics, the chapters serve as an authoritative introduction to Africa's most populous country. The chapters are interdisciplinary, introducing readers to classic debates and key research on Nigeria, as well as new methodologies, new data, and a compelling corpus of research questions for the next generation of researchers and readers interested in Africa.

Locutions to the World 2012 - Messages from Heaven about the near Future of our World Jesus Christ, Virgin Mary,2016-04-05 Messages from Heaven about the near Future of our World. By our Lord and Saviour Jesus Christ and our Mother of Salvation Holy Virgin Mary. Virgin Mary is God's Final Preacher God is always trying to lead man away from self-destruction. He sends his preachers. He sends his teachers. But these are snuffed out. Their words are not listened to and their invitations are rejected. So, finally, he has sent me. I am his final teacher, his final prophet. I am his last opportunity to change the course of history. There is no one behind me, no other message, no other signs than the ones that I will give. When I tell the world that it must listen to me, I am not speaking from a selfish and arrogant spirit. I am speaking as one who sees the destruction, the hopelessness of mankind if my words are not heeded. The second of five books from 2011 until 2015

Religious Activism in the Global Economy Sabine Dreher,Peter J. Smith,2016-06-01 This book explores how religious activists understand, interpret and practically engage with neoliberal globalization and present their proposals and practices to promote, reform or resist neoliberal globalization.

Religion, Media, and Marginality in Modern Africa Felicitas Becker,Joel Cabrita,Marie Rodet,2018-02-02 In recent years, anthropologists, historians, and others have been drawn to study the profuse and creative usages of digital media by religious movements. At the same time, scholars of Christian Africa have long been concerned with the history of textual culture, the politics of Bible translation, and the status of the vernacular in Christianity. Students of Islam in Africa have similarly examined politics of knowledge, the transmission of learning in written form, and the influence of new media. Until now, however, these arenas—Christianity and Islam, digital media and “old” media—have been studied separately. *Religion, Media, and Marginality in Modern Africa* is one of the first volumes to put new media and old media into significant conversation with one another, and also offers a rare comparison between Christianity and Islam in Africa. The contributors find many previously unacknowledged correspondences among different media and between the two faiths. In the process they challenge the technological determinism—the notion that certain types of media generate particular forms of religious expression—that haunts many studies. In evaluating how media usage and religious commitment intersect in the social, cultural, and political landscapes of modern

Africa, this collection will contribute to the development of new paradigms for media and religious studies. Contributors: Heike Behrend, Andre Chappatte, Maria Frahm-Arp, David Gordon, Liz Gunner, Bruce S. Hall, Sean Hanretta, Jorg Haustein, Katrien Pype, and Asonzeh Ukah.

New Light From Heaven Jesus Christ, Virgin Mary, 2017-01-17 Messages From Heaven About the Future of Our World. Mary, God's Final Preacher, God is always trying to lead man away from self-destruction. He sends his preachers. He sends his teachers. But these are snuffed out. Their words are not listened to and their invitations are rejected. So, finally, he has sent me. I am his final teacher, his final prophet. I am his last opportunity to change the course of history. There is no one behind me, no other message, no other signs than the ones that I will give. When I tell the world that it must listen to me, I am not speaking from a selfish and arrogant spirit. I am speaking as one who sees the destruction, the hopelessness of mankind if my words are not heeded.

Worship That Touches the Heart of God Nina Gardner, 2015-06-18 Do you feel truly alive or are you just going through the motions in life? The fulfillment you seek can be found in worship—a worship that starts within you. The sweet psalmist David provided us his key to worship, which God vowed would never end. Once you know where you fit into this pattern of worship, and experience its freedom, you will never opt to live a life of merely going through the motions again. You will worship not because you are told to, but because you love to. In worship, God's heart of love is found. Through it—you can find joy—and feel more alive than ever before!

Let It Go T.D. Jakes, 2012-02-28 Bishop Jakes, the New York Times-bestselling author of *Reposition Yourself*, returns with a thorough examination of the power of forgiveness.

Open My Eyes, Lord Bevin Summey, 2012-11 "Jesus! Have mercy on me!" The blind beggar cried out these words to Jesus over two thousand years ago. And what did Jesus do? He healed the beggar's blindness! We may not all be physically blind, but we all are born spiritually blind. God does not want us to be in this state, and he offers to us a solution: grace, mercy, and salvation that will open our eyes to the truth of the world and ourselves. We cannot be healed from our "blindness" without the loving touch of Jesus. He longs to put His hand on our "eyes" and say, "Your faith has made you well." He cannot do this, though, unless you are willing to surrender to Him. As the beautiful song, "Amazing Grace" says, "I once was lost, but now I'm found. Was blind, but now I see." Are you willing to cry out, "Jesus! Have mercy on me"?

Open Heaven Tommy Tenney, 2012-11-20 The secret revealed! Are you ready to accept the power and use it for His glory? With our nation's landscape littered with multimillion-dollar steeples piercing into God's blue atmosphere and stained windows shimmering with His sunshine, you might imagine that God's favorite living space would be an elaborate palace. Wrong. He picks everyday people within whom to reside. Have you discovered His heavenly presence? Have you opened the door to His presence? You can today as you read *Open Heaven: The Secret Power of a Door Keeper* by best-selling author Tommy Tenney. Intriguing chapter topics include: False Finish Lines and Scented Doorknobs Building a Mercy Seat Never Trust Anyone Without a Limp Spiritual Pornography or Spiritual Intimacy? The Day the Music Died *Open Heaven* is not about restoring the physical structure or the mechanical operation of church. It is about restoring the passion of worship, turning on the light

of His glory, and expanding the Throne Zone.

Letters from Heaven Laudem Gloriam, 2015-08-14 Heaven is trying to speak to us but we are not listening. In the silence, God speaks. He will speak to every soul that will listen.

Glory Invasion David Herzog, 2007-04-28 Is there something beyond your current Christian experience that seems to be lacking? Is God calling you to the next level of His Glory? God will reveal to you how to activate the prophetic destiny over your life that seems dormant. He is waiting for you to realize that your dream, prophecy, desire, or miracle is not dead only sleeping! God is ready to awaken those promises as you open yourself to His abundant glory.

Love Opened Heaven's Door Bill Hoffman, 2012-12-13 There is a relatively safe and sane spiritual walk for the Christian, and God's love is the source. This book brings good teaching from a variety of teachers/writers, and an outpouring of love, sense and sensitivity, forgiveness and acceptance in the Christian walk. God the Father, in methods past, has revealed His personality in all its fullness in His Son. The life of Christ is the source for a spiritual walk in the open air without surrender to mystery. Our Christian philosophy should be consistent with reality, make sense, and be practical. Dr. Alva J. McClain has written this clearly, and his statements are a part of this book. Disillusionment feeds on the word "allow," because it implies that God is the cause or authority behind all events. Pastor-author Rick Warren makes a powerful statement quoted in this book about evil and its real cause. What are some of the causes of good and bad things? Does God allow accidents, sickness, and evil? "Christianity does not begin with walking: it begins with sitting," wrote Watchman Nee. This book starts with the sitting-place in the Christian's permanent home with Christ.

Saint Thomas the Apostle: New Testament, Apocrypha, and Historical Traditions Johnson Thomaskutty, 2018-02-22 Are the Thomas references in the Gospel of John, the Thomas compositions, and the early Thomas traditions in northwestern and southern India purely legendary as biblical scholars have assumed or do they preserve unexamined historical traditions intermittently as the Thomas Christians in India have believed? Didymus Judas Thomas is one of the most misunderstood characters from the beginning of the New Testament history and interpretation. In this study, Thomaskutty addresses the following questions: whether Thomas was merely a 'doubting Thomas' or a 'genuine Thomas'? Can we understand Thomas comprehensively by bringing the New Testament, apocrypha, and historical traditions together? How was Thomas connected to eastern Christianity and how does the Thomas literature support/not support this connectivity? Can we understand the Thomas traditions related to Judea, Syria, and India with the help of canonical, extra canonical, and traditio-historical documents? Thomaskutty investigates the development of the Thomas literature right from the beginning, examining and questioning the approaches and methodologies that have been employed in interpreting these documents, and analyzes the Thomas literature closely in order to understand the character, his mission involvements, and the possible implications this may have for understanding early Christianity in the east.
