Continuous Revival Historically there have been seasons where God's presence awakens revival – moving in powerful ways, saving souls, and releasing miracles. We often think of these seasons as isolated, unique outpourings of the Spirit. Is it possible to experience revival every day, as a way of life...

**Open Heavens** Ashish Raichur, 2021-06-01 The Body of Christ is gaining fresh understanding and insight concerning heavens being opened over people, communities, and geographical regions. It appears that there are certain regions in the world that are “hot spots” for open heavens. This publication is a simple study on what the Scriptures reveal concerning the heavens being opened, what this means and what the outcome would be. We trust that many would be encouraged to pray and create an “open heaven” over their lives, their local churches and their community. We trust that local churches in a region will be inspired to come together in a united effort to pray for an open heaven over their city or region, the reformation of the church and the transformation of that city or region. Opening Heaven's Door Patricia Pearson, 2014-05-13 The first book by a respected journalist on Nearing Death Awareness—similar to Near-Death Experience—this “fascinating” (Kirkus Reviews) exploration brings “humor, sympathy, and keen critical intelligence to a topic that is all too often off-limits” (Ptolemy Tompkins, collaborator with Eben Alexander on Proof of Heaven). People everywhere carry with them extraordinary, deeply comforting experiences that arrived at the moment when they most needed relief: when they lost a loved one. These experiences can include clear messages from beyond, profound and vividly beautiful visions, mysterious connections and spiritual awareness, foreknowledge of a loved one’s passing—all of which evade explanation by science and logic. Most people keep these

transcendent experiences secret for fear they will be discounted by hyperrational scrutiny. Yet these very common occurrences have the power to console, comfort, and even transform our understanding of life and death. Prompted by her family's surprising, profound experiences around the death of her father and her sister, reporter Patricia Pearson sets out on an open-minded inquiry, a rare journalistic investigation of Nearing Death Awareness, which Anne Rice praises as "substantive, eloquent, and worthwhile." Opening Heaven's Door offers deeply affecting stories of messages from the dying and the dead in a fascinating work of investigative journalism, pointing to new scientific explanations that give these luminous moments the importance felt by those who experience them. Pearson also delves into out-of-body and near-death experiences, examining stories and research to make sense of these related but distinct categories. Challenging current assumptions about what we know and what we are still unable to explain, Opening Heaven's Door will forever alter your perceptions of the nature of life and death.

**The Open Heaven** Christopher Rowland,1982

Open Heavens Vaughn Martin,2020-10-14 A spiritual battle is raging in the nations of the earth, between the forces of light and the forces of darkness. When this battle is won, the light of God which is the revelation of Jesus Christ will fill the earth. The bible clearly describes this war, and the way that this war will be won. The kingdoms of this world will become the kingdom of Our Lord.During the times of the early church, the apostles fought in this war as they wrestled with the rulers of the darkness of their age. The apostles were successful in their battles, and the gospel of Jesus Christ spread through the nations as the revelation of Jesus Christ began to fill the earth. This book will teach you how to walk in the footsteps of the early apostles. You will learn important keys to spiritual victory from the examples of the apostles and from Jesus Himself. You will also learn from contemporary followers of Jesus who are winning great victories over evil spiritual

forces. God's servants who have learned how to wage effective spiritual warfare have extremely fruitful ministries today, just as the New Testament apostles did. If you learn the lessons of this book, you too will become very fruitful and effective in your ministry.

**Open Heavens through Holy Disturbance** DR. D. K.

OLUKOYA, 2014-07-17 In this book, the author clearly explores what it takes to experience open heavens. The main import of this powerful book is to bring to the fore, the forgotten weapon of holy disturbance. In a brilliant manner the author highlights how notable Bible characters secured open heavens through holy disturbance. He advocates a return to the old-fashioned prayer patterns with which saints of old brought about a revolution.

**Pursuing Open Heavens** Marc Dupont, 2002 Marc Dupont points to many in the Church today who are experiencing holy prophetic frustration - those who are burdened with the weight of revelation regarding God's purposes - and examines the common thread running throughout their prophetic messages. This is a critical book for those who want to know what God is saying to the Church today and are willing to act upon it. OPEN HEAVENS - what does it mean and can it really happen this side of heaven? The term is used many different times in the Bible. It denotes a time, season, or place, in which there is a great freedom for some on earth to experience the fullness of God and His reign more clearly and powerfully. It is a time when either God's favour or wrath is released on the earth - a time for the release of His blessing and/or judgement. But it is always a time of exponential increase on the earth of God's power and purposes. Marc Dupont points to many in the Church today who are experiencing holy prophetic frustration - those who are burdened with the weight of revelation regarding

God's purposes - and examines the common thread running throughout their prophetic messages. This is a critical book for those who want to know what God is saying to the Church today and are willing to act upon it.

**The Heavens Opened** Anna Rountree, Albert Rountree, 1999  
While staying at a cabin in the mountains, Anna Rountree is caught up in a tremendous vision of Satan's brutal attack on the church. Anna escapes this brutal attack when she climbs a stairway that takes her into the actual realm of heaven. While in heaven, she is taught by the angels around her and the Lord Jesus Himself as she journeys to the throne room of God. At the end of the vision, she stands trembling before God the Father as He commissions her to proclaim what she has seen and heard. He orders her to write letters from home to the homesick and to share His heart of unbounded love for His children and for the lost.

The Heavens Are Open Wendy W. Nelson, 2019-10-21

*Under an Open Heaven* Johnson, John E. , 2017-02-27  
When the gospel of John was written, the world was in turmoil. Jerusalem was collapsing, the empire was eroding, and the church was fighting for its life. The early believers needed a theology to strengthen their souls and steady their nerves--a theology found in this often enigmatic gospel. In our similar times of turbulence, we too need to know that the abundant life under the opened heaven John describes is not just conceivable--it's a promise.

John E. Johnson is determined to reveal the relevance of John's gospel to today's Christian. To do so, he explores various conversations found in its pages and applies them to our modern world. Jesus converses with family, answers the questions of religious leaders, and steps into dialogue with people whose names we never know but whose struggles we can relate to. They aren't always straightforward chats, Johnson readily admits. Yet that is what makes them so beautifully applicable to the messiness of life.

For readers tired of living confined lives, frustrated by failure, or starving in the midst of plenty, the conversations in John tell them life doesn't have to stay small. There is a whole new world made possible under God's open heaven.

*Open Heavens* Augusto L. Perez, 2015-08-22 Have you ever wondered why there seems to be open heavens in one city with signs, wonders and miracles taking place, while in another the heavens appear to be made out of brass as if God is withholding His blessing? If we are going to discover the answer to this puzzling question, we must go back to the very foundation of the early Church in America that produced earth shaking revivals and giants of the faith such as Jonathan Edwards, John Wesley, Charles Finney, William Seymour and the early Pentecostal and Healing Movements. If we have any hope of impacting our cities, we must begin by changing the present day condition of the Church. In its present weakened condition the Church in America will not be able to change itself, let alone impact the cities. A paradigm shift needs to take place in the consciousness of the Church, to shake them out of their slumber and wake up to the reality that we are in the middle of a spiritual war zone. The present religious structure cannot contain the outpouring that is fixing to take place. Many high places are going to have to come down, and major shifts and changes take place in the Church if it wants to be a part of what God is about to do in the world. The Apostolic Reformation that is coming will impact and transform cities and nations as apostolic houses begin to release God's power and authority. This is not a pipe dream, but the only true foundation upon which God's Kingdom should be built. Everything else is but shifting sands that cannot withstand the storms that are about to come against the world. Any church that has been built upon any foundation other than the Apostles and Prophets, Jesus Christ Himself being the chief cornerstone, will not survive the great shaking that is about to take place. A reformation will take place on this earth that will

shake the Church to its very foundation, and prepare the Bride for the return of our Lord Jesus Christ. This book is about a topic that is very misunderstood and desperately needed in the body of Christ. It was written to help train believers in the lost art of Intercessory Prayer and Spiritual Warfare. This book takes you through the four levels of prayer, and teaches you with simple yet profound insight how to become a prayer warrior in the kingdom of God. If you have been feeling like the Lord is calling you to a higher level in your prayer life and desire to walk under open heavens, this book will help you get there. Come, oh mighty man and woman of God! Let the Lord of Hosts train your hands to war the only way we are able to fight this war and win: Intercessory Warfare. If you feel that God has called you to intercession, this book will teach you what you need to know about intercessory warfare, and help you to become one of the end-times warrior intercessors that will usher in the great double portion outpouring of His Spirit upon this earth.
