The Semantic Web - ISWC 2008 Amit P. Sheth,Steffen Staab,Massimo Paolucci,Diana Maynard,Timothy Finin,Krishnaprasad Thirunarayan,2008-10-14 This book constitutes the refereed proceedings of the 7th International Semantic Web Conference, ISWC 2008, held in Karlsruhe, Germany, during October 26-30, 2008. The volume contains 43 revised full research papers selected from a total of 261 submissions, of which an additional 3 papers were referred to the semantic Web in-use track; 11 papers out of 26 submissions to the semantic Web in-use track, and 7 papers and 12 posters accepted out of 39 submissions to the doctoral consortium. The topics covered in the research track are ontology engineering; data management; software and service engineering; non-standard reasoning with ontologies; semantic retrieval; OWL; ontology alignment; description logics; user interfaces; Web data and knowledge; semantic Web services; semantic social networks; and rules and relatedness. The semantic Web in-use track covers knowledge management; business applications; applications from home to space; and services and infrastructure.

The Future of Luxury Brands Annamma Joy,2022-02-07 The concepts of artification and sustainability are now both at the heart of luxury brand marketing strategies; artification as an ongoing process of transformation in the world of art and sustainability as an indispensable response to the issues of our times. The Future of Luxury Brands examines three interrelated luxury-marketing segments—the art world, fashion and fine wines including hospitality services—through the dual lenses of sustainability and artification. From safeguarding human and natural resources to upholding labor rights and protecting the environment, sustainability has taken center stage in consumer consciousness, embodying both moral authority and sound business practices. At the same time, artification—the process by which non-art is reconceived as art—applies the cachet of art to business, affording commercial products the sacred status accorded to works of art. When commercial products enter the realm of aesthetic creation, artification and consumer engagement inevitably increases. This pioneering book examining artification and sustainability as strategic pillars of marketing strategies in the luxury industry will be essential reading for practitioners working in luxury product companies, as also students of luxury brand marketing.

Makers of the Piano: 1820-1860 Martha Novak Clinkscale,1993 This book continues the overview of early pianos begun in Clinkscale's *Makers of the Piano 1700-1820* (OUP, 1993). Although a few of the biographies overlap, the majority of the makers are completely new. Approximately 2,400 makers and manufacturers and about 2,200 pianos are listed. Of this total, about 645 are English, the majority of whom were active in London; more than 200 of the London makers have not been discussed in previous publications.

Knowledge Engineering: Practice and Patterns Aldo Gangemi,Jérôme Euzenat,2008-09-12 This book constitutes the refereed proceedings of the 16th International Conference on Knowledge Engineering and Knowledge Management, EKAW 2008, held in Acitrezza, Sicily, Italy, in September/October 2008. The 17 revised full papers and 15 revised short papers presented together with 3 invited talks were carefully reviewed and selected from 102 submissions. The papers are organized in topical sections on knowledge patterns and knowledge representation, matching ontologies and data integration, natural language, knowledge acquisition and annotations, search, query and interaction, as well as ontologies.

Opus Vino DK,2010-10-18 The techniques and research that have led the world's winemaking revolution have been transported around the globe, pushing boundaries in every region. An expansive new reference is needed to embrace these changes. *Opus Vino* provides greater coverage and a more up-to-date approach to the wine world than any other illustrated wine book. Use it as an encyclopedia to look up wine-producing regions, appellations, wineries, and producers; as an atlas to find places of interest; and as a travel guide to plan winery tours. *Opus Vino* takes a new look at the new world of wine from a new generation of wine writers. It takes wine publishing to new heights, and gives both professionals and amateur enthusiasts a wine reference fit for the 21st century.

The House of Mondavi Julia Flynn Siler,2007 An epic, scandal-plagued story of the immigrant family that built--and then spectacularly lost--a global wine empire. Award-winning journalist Flynn Siler brings to life both the place and the people in this riveting family drama.

Matt Kramer on Wine Matt Kramer,2010-09-07 Oenophiles know: Matt Kramer is one of the worlds most distinguished and insightful writers on wine. Author of the classic book *Making Sense of Wine*, Kramer has written about the subject for 32 years-and his full-page column in *Wine Spectator* has appeared in every issue for the last 14 years. The time is ripe for a retrospective, and here it is, covering topics from terroir to glassware to the various grapes and regions and personalities. Most of the essays are drawn from his work in *Wine Spectator* and *The New York Sun*, along with excerpts from his books. The material remains fresh, vibrant, and compulsively readable.

Schwann Opus Vol. 10 Becky Barnhart,1999-12

Mammoth Books presents Religious Cabals Jon E. Lewis,2012-07-26 *The Dead Sea Scrolls* Why was it so important these documents should not be seen? What ancient historical secret was so big that it had to be buried forever? *Freemasons* Is this group of seemingly innocuous middle-aged men linked to almost every evil perpetuated? Are they really just an eccentric bunch of patriarchal do-gooders, or are they in fact sinister agents of satanic forces? *The Gunpowder Plot* Why is it that we reserve particular scorn for Guy Fawkes when there were six other men involved? *Knights Templar* The Knights Templar allegedly found the Holy Grail in their excavations of the temple in Jerusalem. Did they survive the cull of the 14th century and live on today as guardians of the Holy Grail? *Opus Dei* If *Opus Dei*'s only aims are charity and the 'sanctifying of work', why does it need its secretive independent status as a personal prelature? *Pope John Paul I* On the 26th August 1978 a new pope was elected. 33 days later this man was found dead, leaving an alarming trail of inconsistencies and seeming lies told by the Vatican themselves. Why was there no post-mortem, and why within twenty-four hours was his body embalmed? *The Priory of Sion* Does this French secret society protect the blood-line of Christ? *The Protocols of the Learned Elders of Zion* The truth behind the book in which powerful Jews supposedly set out the secret means to rule the Christian world. *The Rosicrucian's* Does this philosophical secret society seek to take over the world? *Satanic Ritual Abuse* Satanists ritually abuse children and nobody has the power to prevent it due to their infiltration into the police force and politics. *The Temple Mount Plot* Are Freemason's and Jews collaborating in a plot to destroy Islamic holy sites on Jerusalem's Temple Mount?

WineWise Steven Kolpan,Brian H. Smith,Michael A. Weiss,2014-10-28 The James Beard Award-winning classic “for beginners or professionals who want all the facts and stories in a concise, easy-to-follow format” (Laura Maniec, owner, Corkbuzz Wine Studio). Now completely revised and updated, this new edition of the essential consumer guide to wine features all the most current information for today’s wine landscape. The authors, longtime wine educators at The Culinary Institute of America, have added all the latest and most relevant information to their award-winning book, including new picks for the best regional producers, off-the-beaten-path finds, and bargain bottles. With a practical, anti-snob attitude, the emphasis is always on enjoying wine to the fullest in real-world scenarios and getting the best value for your dollar, whether splurging on a special-occasion bottle or deciding on your own “house” wine. All the basics are covered, including the major wine grapes, flavor profiles, and decoding labels, plus up-to-date information on established and up-and-coming regions, advice on pairing wine with everything from Korean short ribs to all-American burgers, opinions on wine gadgets (yea or nay?), and more. Cheers! “Reading *WineWise* is like having a great conversation about my favorite topic—wine! Enjoy exploring the diverse wine regions and then finish with how to pair wines with food. The ideas and thoughts behind the wine and food pairing chapters just make plain sense, and, of course, you may need another glass of wine.”—Bruce Cakebread, president, Cakebread Cellars “Nothing pretentious here. *WineWise* is fun, friendly, and packed with information on wines of the world, particularly ones that won’t break the bank.”—Tara Q. Thomas, executive editor, *Wine & Spirits*

Principles of Knowledge Representation and Reasoning James Allen,Richard E. Fikes,Erik Sandewall,1991 The proceedings of the Second International Conference on [title] held in Cambridge, Massachusetts, April 1991, comprise 55 papers on topics including the logical specifications of reasoning behaviors and representation formalisms, comparative analysis of competing algorithms and formalisms, and ana

Scalable Uncertainty Management Sergio Greco,Thomas Lukasiewicz,2008-09-19 This book constitutes the refereed proceedings of the Second International Conference on Scalable Uncertainty Management, SUM 2008, held in Naples, Italy, in Oktober 2008. The 27 revised full papers presented together with the extended abstracts of 3 invited talks/tutorials were carefully reviewed and selected from 42 submissions. The papers address artificial intelligence researchers, database researchers, and practitioners to demonstrate theoretical techniques required to manage the uncertainty that arises in large scale real world applications and to cope with large volumes of uncertainty and inconsistency in databases, the Web, the semantic Web, and artificial intelligence in general.

Schwann Opus ,2001

Business Technologies in Contemporary Organizations: Adoption, Assimilation, and Institutionalization Haider, Abrar,2014-10-31 As two areas of study that thrive on change and innovation, the combination of electronic resources and corporation management presents many challenges to researchers and professionals as information is discovered and applied to existing practices. Business Technologies in Contemporary Organizations: Adoption, Assimilation, and Institutionalization investigates the reciprocal relationship between information systems and corporations in order to understand and assess the benefits of this partnership as technology continues to progress. This publication is an essential reference source for researchers, practitioners, and students interested in the practical and theoretical implementation of information systems and electronic resources in corporations and firms.

Medieval Theology of Work P. Ranft,2016-04-30 This study addresses the need to learn what medieval thinkers had to say about the concept of work by examining the thought of Peter Damian and numerous other religious leaders and groups of the High Middle Ages for evidence of their contributions, deepening our understanding of this concept.

Napa James Conaway,2002-10-24 The New York Times–bestselling history of the rise of California’s wine country and its most famous vintners—from the author of Napa at Last Light. James Conaway’s remarkable bestseller delves into the heart of California’s lush and verdant Napa Valley, also known as America’s Eden. Long the source of succulent grapes and singular wines, this region is also the setting for the remarkable true saga of the personalities behind the winemaking empires. This is the story of Gallos and Mondavis, of fortunes made and lost, of dynasties and destinies. In this delightful, full-bodied social history, Conaway charts the rise of a new aristocracy and, in so doing, chronicles the collective ripening of the American dream. Napa is a must-read for anyone interested in our country’s obsession with money, land, power, and prestige. “An extraordinary American success story: a pageant of family dramas and blood feuds.” —People “This is more than a ‘wine book’—it is a fascinating and closely reported social history.” —Tracy Kidder

Billboard ,2003-07-19 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Bottled Poetry James T. Lapsley,2023-04-28 California's Napa Valley is one of the world's premier wine regions today, but this has not always been true. James T. Lapsley's entertaining history explains how a collective vision of excellence among winemakers and a keen sense of promotion transformed the region and its wines following the repeal of Prohibition. Focusing on the formative years of Napa's fine winemaking, 1934 to 1967, Lapsley concludes with a chapter on the wine boom of the 1970s, placing it in a social context and explaining the role of Napa vineyards in the beverage's growing popularity. Names familiar to wine drinkers appear throughout these pages—Beaulieu, Beringer, Charles Krug, Christian Brothers, Inglenook, Louis Martini—and the colorful stories behind the names give this book a personal dimension. As strong-willed, competitive winemakers found ways to work cooperatively, both in sharing knowledge and technology and in promoting their region, the result was an unprecedented improvement in wine quality that brought with it a new reputation for the Napa Valley. In The Silverado Squatters, Robert Louis Stevenson refers to wine as bottled poetry, and although Stevenson's reference was to the elite vineyards of France, his words are appropriate for Napa wines today. Their success, as Lapsley makes clear, is due to much more than the beneficence of sun and soil. Craft, vision, and determination have played a part too, and for that, wine drinkers the world over are grateful. This title is part of UC Press's Voices Revived program, which commemorates University of California Press’s mission to seek out and cultivate the brightest minds and give them voice, reach, and impact. Drawing on a backlist dating to 1893, Voices Revived makes high-quality, peer-reviewed scholarship accessible once again using print-on-demand technology. This title was originally published in 1996.

Billboard ,1952-12-20 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.
