Aleister Crowley and the Ouija Board J. Edward Cornelius,2005 For decades the Parker Brothers' popular board game has been condemned as a devil's gateway to perilous obsessions and spiritual possessions. While these claims recall a special brand of witch-trial era hysteria, author Cornelius defends these accusations as entirely true. Aleister Crowley, the greatest ceremonial magician of the 20th century, advocated the Ouija board's use as an occult tool. This fascinating work combines a history of the Ouija Board, Crowley's writings on this device and practical advice on its proper use.

The Ouija Board Edmond C. Gruss,1986

The Ouija Board Edmond C. Gruss,1994 Without sensationalism, Edmond C. Gruss demonstrates - through one startling case after another- that these dangers are all too real. He traces the occult ancestry of the Ouija board and explores possible sources of messages, as well as Ouija's role in THE EXORCIST and the modern channeling movement. Gruss combines compelling documentation with a solid biblical response and offers practical steps for those struggling with the occult.

Ouija Board Nightmares: The Complete Collection John Harker, Have a Ouija board in your house? Thinking about trying one out? You won't after reading this book. Containing the full editions of Ouija Board Nightmares 1 and 2, this newest compendium offers a sweeping thrill ride through the mysterious and hair-raising world of the Ouija. Real-life encounters with strange and terrible entities drive these tales of unearthly obsession, frightful oppression, and terrifying possession. Though the Ouija board may be marketed as a game, there are no winners in this activity. Only victims. Fans of the paranormal, would-be dabblers in the occult, skeptics as well as believers will find Ouija Board Nightmares: The Complete Collection an entertaining if not cautionary reading experience. The chilling stories told within its pages may confirm your own suspicions, or open your eyes to a dark and dangerous alternate reality. One thing is certain: they will not be soon forgotten. Nightmares rarely are.

LIGHT FROM BEYOND KATHERINE MARDON. DAVIS,2018

Light from Beyond Katherine Mardon Davis,2016-08-11 From the Preface. IF this story had come to us through the usual channels, we doubt if it would have had more than the attention we give to things we don't want. An Ouija board we always looked upon as something for children to play with. A story over an Ouija board-absurd! In the latter part of February we were spending the evening

with some friends. Somehow the talk got around to a recent article by Ella Wheeler Wilcox in Cosmopolitan, then to Spiritualism, and finally to Ouija boards. We found that the latter were common in the neighborhood and we borrowed one. The wife of the sculptor to whom the board belonged could work it with more or less success, but for no one in our party would it work until Mrs. X. (Katherine Davis) placed her hands on it. Then it did work and in a most alarming way. It told some things that were most embarrassing to us all, and did not stop at profanity. But it did work and it was not pushed. Could I write a story through you? asked Mrs. X. later on in the evening. Answer: I will give it. Question: When? Answer: Now. And that is how The Light from Beyond came to be written. The title, the author's name under which it was to be published, and every word in it were taken over the Ouija board, and no changes nor corrections have been made for that reason, other than such as the board itself instructed. Understand, please, this story was not written in one sitting, but during the evenings covering a period of about three weeks. A word about Mrs. X. She is young, popular, an excellent wife and a successful mother. In other words, she is a normal, happy, healthy, human being, and she could not have conceived either consciously or, to our belief, subconsciously, the thoughts given to the world in this book. Possibly Sir Oliver Lodge or Conan Doyle, or someone specialized in this sort of thing can explain it. We cannot.

The Light from Beyond Katherine Mardon Davis, 2014-03-30 This Is A New Release Of The Original 1919 Edition.

Ouija Board Nightmares John Harker, 2015-04-01 Think the Ouija board is just a game? Think again. For more than a century, the Ouija board has attracted the attention of a wide variety of people: paranormal thrill-seekers, adventurous adolescents, temperamental teens, tipsy party guests, and even curious skeptics. Most of the time, those who dabble with the Ouija or other spirit boards experience nothing out of the ordinary. But many times that's not the case. And many times that extraordinary experience isn't just strange, but downright terrifying. *Ouija Board Nightmares* takes a look at some of those terrifying experiences, which range from nightmarish manifestations to actual physical assaults and demonic possession. While part of the author's intention is to inform and engage with these scary accounts, the main objective is to warn. While the Ouija board may be marketed as a harmless game, it is indeed neither. If the accounts in this book don't convince you of that, then nothing will.
