*Tales from the Syracuse Orange's Locker Room* Bud Poliquin, 2017-11-07 Orange is a state of mind for fans of Syracuse University basketball. Think Orange and images of greatness appear, from Vic Hanson in the Roaring '20s through Carmelo Anthony in the 21st century. Think Orange and the sounds of glory are heard, from old Archbold Gym to the gleaming Carrier Dome. Think Orange and the memories of 1,607 victories are stirred, from SU's first win in 1901 over Cornell to its 2003 triumph over Kansas that brought home the national championship. Many of the stories that have contributed to the phenomenon known as Orangemen basketball now come to life in Bud Poliquin's updated edition of *Tales from the Syracuse Orange's Locker Room*. Dave Bing, Jim Boeheim, Jim Brown (yes, he played hoops, too), Bouie and Louie, Leo Rautins, Pearl Washington, and Derrick Coleman—all of them and numerous other SU legends join Hanson and Anthony in the pages of this anecdotal anthology of Syracuse University basketball, certain to complete the bookshelf of any Orange fan. This book looks at the team's infamous 27-game losing streak in the early 1960s; Roy's Runts; the Pearl's stunning half-court buzzer-beater that knocked off Boston College in 1984; the fabulous Final Four runs of 1975, 1996, 2003, 2013, and 2016; and Anthony's freshman brilliance that delivered the school's first-ever NCAA tournament title in 2006.

100 Things Syracuse Fans Should Know & Do Before They Die Scott Pitoniak, 2014-10-01 Most Syracuse fans and alumni have seen a game at Carrier Dome, have seen highlights of a young Dwight Freeney and Carmelo Anthony, and know the story of the 2003 NCAA National Champion men's basketball team. But only real fans know the history of Archbold Stadium, the words to "Down the Field," or what Otto the Orange's name could have been originally. 100 Things

Syracuse Fans Should Know & Do Before They Die is the ultimate resource guide for true fans of the Syracuse Orange and, whether you're a die-hard booster from the days of Jim Brown or a current student at the university, these are the 100 things all fans needs to know and do in their lifetime. Author Scott Pitoniak has collected every essential piece of Orange knowledge and trivia, as well as must-do activities, and ranks them all, providing an entertaining and easy-to-follow checklist as you progress on your way to fan superstardom.

**Jim Boeheim and Syracuse Basketball** Donald Staffo, 2018-11-13 For more than forty seasons, Jim Boeheim has been one of college basketball's most successful and compelling figures with the second-most victories of all time behind only Mike Krzyzewski. The Hall of Fame coach has led the Syracuse Orange to five Final Fours, including a memorable national championship in 2003. In *Jim Boeheim and Syracuse Basketball: In the Zone*, Donald Staffo examines the career of the storied SU basketball coach and the elite program that he built. Boeheim's accomplishments as well as his considerable charitable work cannot be denied, nor can the sanctions that occurred under his watch. Both sides are covered in depth—the highs and lows that have made Boeheim a legend and Syracuse a basketball power. After taking over the program in 1977, a decade after his own playing career at the school, Boeheim transformed it into a national power behind such stars as Roosevelt Bouie, Pearl Washington, Sherman Douglas, Rony Seikaly, Derrick Coleman, Carmelo Anthony, and C. J. Fair. Staffo brings to life the wild environment in the old Manley Field House and a packed Carrier Dome. All the unforgettable moments are highlighted, including the 2003 championship win over Kansas, the epic six-overtime classic over UConn in the 2009 Big East Tournament, and the surprising run to the 2016 Final Four. It also analyzes Boeheim from a point-

counterpoint standpoint as well as the image of the Syracuse basketball program compared to other hoop powers. Jim Boeheim and Syracuse Basketball is a revealing look at a basketball legend.

**Syracuse Basketball** John M. Shea, 2013-07-15 From the early years at Archbold Gymnasium to today's record-breaking crowds at the Carrier Dome, readers learn the rich history of the Syracuse Orange, the fifth winningest Division I men's basketball program. Early chapters trace the team from its founding in 1901 to its emergence onto the national scene in the 1960s, led by Hall of Famer Dave Bing and his teammate and future coach Jim Boeheim. Since 1976, Coach Boeheim has led Syracuse to multiple NCAA appearances, including a national championship. Later chapters follow the team through its membership in the Big East from 1979 to 2013, when it left to join the ACC.

The Orangemen Mike Waters, 2003-11-01 The Orangemen—say the name and basketball fans everywhere immediately recognize the team from Syracuse University. For more than one hundred years, they have been playing basketball up on the Hill. Their history is one of growth and continued success, all of which is documented with rare archival photographs in *The Orangemen: Syracuse University Men's Basketball*. Syracuse University fielded its first men's basketball team in 1900 and enjoyed many successes in the program's early years. Legendary players highlighted the time: Lewis Castle, the first of Syracuse's thirty-two All-Americans; Vic Hanson, the only player enshrined in both the College Football and Naismith Memorial Basketball Halls of Fame; and Wilmet Sidat-Singh, the first African American to play at Syracuse. Longtime coach Jim Boeheim is one of just twenty-five Division I coaches with more than six hundred victories. *The Orangemen: Syracuse University Men's Basketball* will take fans back to Manley Field House and the

days of the zoo. More recent photographs of Carrier Dome favorites such as Pearl Washington, Derrick Coleman, Sherman Douglas, Lawrence Moten, and John Wallace will complete the picture of one of college basketball's most successful and enduring teams.

**Syracuse University Football** Scott Pitoniak, 2003 It began with a 36-0 loss to the University of Rochester on November 23, 1889, but that humbling debut proved to be an aberration rather than an omen for Syracuse University football. The Orangemen have since established themselves as the eleventh winningest team in college football history, and more than two hundred of their players have gone on to play professionally. Their legendary success is celebrated in Syracuse University Football. The Orangemen have participated in more than twenty bowl games. In 1959, they went 11-0 under Hall of Fame coach Ben Schwartzwalder and won the national championship. Through the years, Syracuse has produced numerous stars, such as Heisman Trophy winner Ernie Davis, and more than forty other All-Americans and a dozen College Football Hall of Fame inductees. Along with Jim Brown and Floyd Little, Davis helped make No. 44 one of football's most famous jerseys, not to mention a permanent part of the university's zip code. Syracuse University Football documents this outstanding program with nearly two hundred photographs.

**Syracuse University** Edward L. Galvin, Margaret A. Mason, Mary M. O'Brien, 2013-08-26 Syracuse University was founded in 1870 as a private, coeducational university in Syracuse, New York. Classes began the following year in temporary quarters until the university moved to its current location on The Hill in 1873, occupying the Hall of Languages, which is still the iconic center of SU. Syracuse University provides a photographic journey from the late 1800s to the present, highlighting its growth from a small Methodist

college to a university of national importance with more than 20,000 students and over 240,000 living alumni. Always committed to diversity, SU has embraced opportunity--be it with the Syracuse-in-China program in the 1920s, the enrollment of thousands of veterans after World War II, or cofounding the Say Yes to Education scholarship program for urban schools. Championship football, basketball, and lacrosse teams have also brought prestige to SU, and fans around the nation and world bleed orange along with those who work, teach, or study at the university.

**ESPN College Basketball Encyclopedia** Espn,2009 A comprehensive reference provides historical overviews of all 335 Division 1 teams, season-by-season summaries, ESPN/Sagarin rankings of top-selected college basketball programs, and more.

*Color Him Orange* Scott Pitoniak,2012 Presents the life and career of Jim Boeheim, head basketball coach for Syracuse University, where he guided the Orangemen to 829 wins, and reveals his keen eye for talent, his devotion to raising money to fight cancer, the ups and downs of his life and career, and statistics and records from his career.

Tales from the Syracuse Hardwood Bud Poliquin,2003 A collection of first-hand accounts, personal recollections, and anecdotes that trace the history of the Syracuse University basketball team.

**Where Tomorrows Aren't Promised** Carmelo Anthony,2022-10-04 From iconic NBA All-Star Carmelo Anthony comes a raw and inspirational memoir about growing up in the housing projects of Red Hook and Baltimore--a brutal world Where Tomorrows Aren't Promised--

*The Big East* Dana O'Neil,2023-02-28 The definitive, compulsively readable story of the greatest era of the most iconic league in college basketball

history—the Big East “This book, full of long-standing rivalries, unmatched moments in the lives of coaches and players, and juicy insider gossip, is, like the game of basketball, a ton of fun.”—Philadelphia magazine The names need no introduction: Thompson and Patrick, Boeheim and the Pearl, and of course Gavitt. And the moments are part of college basketball lore: the Sweater Game, Villanova Beats Georgetown, and Six Overtimes. But this is the story of the Big East Conference that you haven’t heard before—of how the Northeast, once an afterthought, became the epicenter of college basketball. Before the league’s founding, East Coast basketball had crowned just three national champions in forty years, and none since 1954. But in the Big East’s first ten years, five of its teams played for a national championship. The league didn’t merely inherit good teams; it created them. But how did this unlikely group of schools come to dominate college basketball so quickly and completely? Including interviews with more than sixty of the key figures in the conference’s history, *The Big East* charts the league’s daring beginnings and its incredible rise. It transports fans inside packed arenas to epic wars fought between transcendent players, and behind locker-room doors where combustible coaches battled even more fiercely for a leg up. Started on a handshake and a prayer, the Big East carved an improbable arc in sports history, an ensemble of Catholic schools banding together to not only improve their own stations but rewrite the geographic boundaries of basketball. As former UConn coach Jim Calhoun eloquently put it, “It was Camelot. Camelot with bad language.”

*Bleeding Orange* Jim Boeheim, Jack McCallum, 2015-11-10 In six decades as a player, assistant coach, and the head man on the bench for Syracuse University's basketball program, Jim Boeheim is synonymous with the blood and

thunder of East Coast hoops. In *Bleeding Orange*, Boeheim recounts for the first time all the pleasures and perils of a career spent battling the Beasts of the Big East, the NCAA, and his own fear of failure. Coach Boeheim has always been full of life, and his combative nature helped ignite what was arguably the most fascinating and competitive college basketball conference ever—the Big East of the 1980s. Boeheim's battles with fellow coaches turned the Big East into the best show in college basketball. Combining a real-time, inside-the-program account of the 2013-14 season—Syracuse's first in the ACC—with a narrative of his most cherished memories of coming-of-age on the Syracuse campus and of coaching two Olympic gold medal-winning teams, *Bleeding Orange* is a must-read both for Syracuse fans and anyone who calls himself or herself an aficionado of college basketball history.

*Net Work* Rob McClanaghan, 2020-11-03 From the NBA's most sought-after trainer and skills coach comes a “backstage pass to a part of the NBA that most fans never see” (Pete Thamel, Yahoo Sports)—how superstars like Stephen Curry, Kevin Durant, Derrick Rose, Russell Westbrook, and Kevin Love work to excel at the game. When Rob McClanaghan failed to make the Syracuse basketball team as a walk-on freshman, he asked the coaches what he needed to do to achieve his goal the following year. They all agreed: get stronger. So that's what he did. For months, Rob traded fraternity parties and hanging out with buddies for hours in the gym lifting weights and shooting baskets. He was single-minded; the only thing that mattered was defying the odds. He

returned to Syracuse for his sophomore year thirty pounds heavier and caught the coach's eye. In *Net Work*, McClanaghan's "experience, knowledge, and keen understanding of the sport jumps off the pages" (Bob Iger, CEO of the Walt Disney Company) and he delivers what he brings to each of his training sessions: the same grit and spirit that got him into the college game. He calls it "the grind," and he knows that without it, even the most talented players will come up short. McClanaghan pushes his clients hard; he does whatever he can to drive his players to the edge and to simulate fourth quarter, at-the-buzzer adrenaline and fatigue. An all-access pass to the practice courts of the NBA, *Net Work* combines McClanaghan's hard-earned wisdom—both on and off the court—with rare glimpses into the dues-paying life of professional athletes determined to stay at the top. McClanaghan shares stories of working one-on-one with some of basketball's greatest names, explaining how each athlete works to shore up his offensive and defensive weaknesses; perfect his nutrition; treat injuries; build mental toughness; and find occasional refuge from the glare of the spotlight. This book is life inside the NBA as you've never seen it, where players differentiate themselves by their willingness to put in relentless "net work."

'59 Gary Youmans, Maury Youmans, 2003 This inside look at college football in 1959 follows the Syracuse University football team through their remarkable season. Led by a team captain, who as a young boy in Nazi Germany survived World War II, this improbable tale is at times humorous, other times poignant, but always brutally honest.

Legends of Syracuse Basketball Mike Waters, 2004 A list of legends is significant not only for who makes the list, but who gets left off of it. If there are no obvious omissions, then the list of candidates was probably less

than legendary in the first place. Not so in the case of the Syracuse University Orangemen. Calling roll on Syracuse's all-time basketball greats can take up the greater part of a day. The school produced its first All-American, Lewis Castle, in 1912. Most recently, Carmelo Anthony, one of the best freshmen to ever play college basketball, led the 2003 Orangemen to the school's first NCAA championship. In between there were legends such as the incomparable Dave Bing, Roosevelt Bouie, and Louis Orr, who together formed the Louie and Bouie Show, along with names like Derrick Coleman, Sherman Douglas, Lawrence Moten, and John Wallace. Legends of Syracuse Basketball features 24 players, one coach, and one special team. Within the book's pages are stories straight from the legends' teammates, their coaches, and the legends themselves. Of the players mentioned, 17 played in the NBA. More telling of the greatness of the Syracuse University basketball program is the fact that 10 Orangemen who played in the NBA did not make this list of legends. The same is true of record holders, All-Americans, and more fan favorites than are possible to count.

**How to Grow an Orange** Sean M. Keeley, 2013-02-13 Being a parent is hard. Make the wrong decisions and your child can grow up to do something terrible, like root for Georgetown. How To Grow An Orange shows every parent how to make sure that never happens...by providing them with everything they could ever possibly want to know about Syracuse University sports. No Orange fan should be without this guide to the people, places and history of SU. How To Grow An Orange is perfect for any Syracuse fan, alumni, parent or incoming student. It is not, however, perfect for a Georgetown or UConn fan. It's unfortunately too late for them.

*Slices of Orange* Sal Maiorana, Scott Pitoniak, 2005-12-05 There are games

that stand the test of time performances that years, even decades later bring a smile or in some cases a grimace, to a fan's face. They are indelible moments that, when strung together, give you a sense of a college's history. In Slices of Orange, Sal Maiorana and Scott Pitoniak recapture the heroics of running back Jim Brown's 43-point performance against Colgate at old Archbold Stadium; the pain of Keith Smart's jumper that denied Syracuse a national title in 1987; and the joy of forward Carmelo Anthony's levitation act in the 2003 NCAA basketball championship game. They tell of the fierce SU-Georgetown basketball rivalry and John Thompson's incendiary comments that ignited it and how the Gait brothers, Paul and Gary, revolutionized the game of lacrosse and laid the foundation for a college sports dynasty.
