Five Quarters of the Orange Joanne Harris,2009-10-13 When Framboise Simon returns to a small village on the banks of the Loire, the locals do not recognize her as the daughter of the infamous woman they hold responsible for a tragedy during the German occupation years ago. But the past and present are inextricably entwined, particularly in a scrapbook of recipes and memories that Framboise has inherited from her mother. And soon Framboise will realize that the journal also contains the key to the tragedy that indelibly marked that summer of her ninth year. . . .

The Train Stopped in Orange Carrie Joiner Woliver,2012-10-01 The loud wail of the train whistle pierced the night at my grandmother's house. The enormous steam locomotive rattled the windows as it thundered past only a hundred feet away. Exciting thoughts of adventure far beyond my hometown of Orange, Texas, bubbled in my mind. This is more than a memoir, it is a portrait of Americana.Train depots were bustling centers of activity, but even more so early in the 29th century when my grandparents were raising their family.I discovered four valuable diaries from 1917-18 written by my grandparents after the death of my mother. These journals held such a rich treasure trove of history that I knew I had to share them with others.Will and Pearl Joiner lived in Orange in 1917 when it was a lively community with a large lumber and shipbuilding industry. Will was a banker and Pearl was a homemaker. Their diaries provide first hand account of family life and daily life including outings, theater visits, illnesses, and many fishing trips. Life was simpler then. Says Pearl in her diary, In the afternoon we took a long walk, took the buggy to Mama and Papa's and let them have a nice ride. But their lives were not without challenge. Will became ill with Spanish influenza in the winter of 1918, at the same time millions of people across the globe died in this pandemic. Will, luckily, survived to provide for his young family.Their personalities emerge from the excerpts printed in these pages. I caught fever today...car fever, not typhoid, Will writes and the next day he bought his first car: \$875 of his hard-earned cash. Pearl, a nurturing, loving mother, was always talking about her large family, the Cottles, many who congregated on their front porch to chat. Will constantly checked the weather for perfect fishing conditions, and brought home a string of freshly caught fish every week for their maid to fry up.My childhood memories of growing up near my grandparents are part of the narrative. The 1950s with poodle skirt and tons of petticoats are truths of my life. The record player spun songs by The Platters, Sam Cooke, Johnny Mathis, and, of course, Elvis Presley. Girls' slumber parties were popular in high school when the only mischief was puffing on an occasional cigarette or gossiping about classmates.In the fifties, making out referred to how you did on your school exam. Grass was what you mowed, coke was what you ordered at Zack's drive in, and pot was something your mother cooked carrots in.Many family photos, historical Orange photos, and weathered clippings found within the pages of the old diaries are peppered throughout the book. The saying of the Joiner's favorite humorist, Will Rogers, are featured at the beginning of every chapter.The diaries of the Joiners are an honest, unembellished key to our understanding of the past, providing valuable clues about how people lived in a small town in Texas in 1917-18. Readers will enjoy this simpler, yet colorful slice of history and my cherished memories of time gone by.

Orange Mint and Honey Carleen Brice,2008-02-12 “A wonderful, jazzy, exciting read.” -Nikki Giovanni, author of Acolytes Broke and burned-out from grad school, Shay Dixon does the unthinkable after receiving a “vision” from her de facto spiritual adviser, blues singer Nina Simone. She phones Nona, the mother she had all but written off, asking if she can come home for a while. When Shay was growing up, Nona was either drunk, hungover, or out with her latest low-life guy. So Shay barely recognizes the new Nona, now sober and with a positive outlook on life, a love of gardening, and a toddler named Sunny. Though reconciliation seems a hard proposition for Shay, something unmistakable is taking root inside her, waiting to blossom like the morning glories opening up in Nona’s garden sanctuary. Soon Shay finds herself facing exciting possibilities and even her first real romantic relationship. But when an unexpected crisis hits, even the wise words and soulful melodies of Nina Simone may not be enough for solace. Shay begins to realize that, like orange mint and honey, sometimes life tastes better when bitter is followed by sweet. “Carleen Brice has woven her talent for storytelling into a funny, sad, and perceptive novel that speaks to all of us who navigate less-than-perfect relationships with our

parents or children.” -Elyse Singleton, author of *This Side of the Sky* “Brice deftly shows the importance and joy of understanding our past and not only forgiving those who hurt us, but loving them in spite of that hurt. Readers of Terry McMillan and Bebe Moore Campbell will find a new writer to watch.” -Judy Merrill Larsen, author of *All the Numbers*

Orange Laughter Leone Ross, 2001-10-16 Tony Pellar, a man of former style and fading beauty, has fled to the subway tunnels beneath New York. There he makes an even more perilous interior journey convinced the key to his sanity lies in retracing the events of his North Carolina childhood. As Tony gradually remembers, the stories of both his childhood friend Mikey, and of Agatha, a complex woman with a disfigured face, interweave with his own. All three stories finally come together against the backdrop of the civil rights movement and a heartrending and haunting climax.

Multi-Owned Property in the Asia-Pacific Region Erika Altmann, Michelle Gabriel, 2018-02-21 This book provides critical insight into the experience of multi-owned property, and showcases different cultural responses across the Asia-Pacific region. Escalating demand for properties within global cities has created exuberance around apartment living; however less well understood are the restrictions on individual rights and responsibilities associated with collective living. In contrast to the highly populated and traditional communal housing arrangements of past Asian economies, we see an increasing focus on neo-liberalist, market-based policies associated with the rise of an Asian middle class shaping structural change from communal to individualistic. This edited collection unpacks the rights, restrictions and responsibilities of multi-owned property ownership across the Asia-Pacific region; examining the experiences of developers, strata-managers, owners and residents. In doing so, they highlight how the rights of one party affects the restrictions and responsibilities of others within different policy frameworks. This work will reach an interdisciplinary audience including scholars and practitioners of sociology, public policy, urban studies and planning, economics, property management and architecture.

Orange Juice in Bishop's Garden: The Summer of 1994 Otessa Marie Ghadar, You know that summer, right... the summer where EVERYTHING changed? Orange Juice in Bishop's Garden (OJBG) is that summer. And Bishop's Garden is the place where it all happened. It's the summer of '94 and naive and rebellious teens are engaging in all kinds of underage tomfoolery. Think grunge, Doc Martens, raves, the invincibility of youth, and epic first loves. This book details the lives of a group of teenagers navigating high school and growing up in DC during the 1990's. It's all about teen magic-- creating new and marvelous mischief with best friends, listening to mix-tapes and reading Sassy magazines, missing the last Metro, and getting stuck miles from payphones. Accompany the young heroine, Sarah, as she gets herself into idle summer misbehaving, love triangle betrayals, and friendship fallouts. This is a story about what her life is like before school's truly over and she knows it's all going to change for good. It's about the friends she'll never forget, those first mistakes, and her childish dreams not yet polluted by reality. She and her friends will engage in typical teen idolatry of hot musicians and renegades. They'll set each other up and tear each other down. They'll crash house parties and realize that sometimes in life, there are no 'do-overs.' They'll steal cars, candy, and hearts. They'll make you wish you were a teen again. This book contains the full collection of scripts from season one of the oldest and longest running teen web series, Orange Juice in Bishop's Garden. It's part recollection, part urban legend, and part pure fiction, and completely inspired by the author's memories of growing up in DC and the enchantment of her youth. The author, Otessa Ghadar, captures teen life as it is lived--dramatic, filled with self-discovery, and the pain of growing up. Together, as a whole, the stories and the characters ring true. Read the book and you'll realize you've either been-- or known-- one of these characters before. Venture into Bishop's Garden and remember what it feels like to have your whole life ahead of you! Best part is, when you're done reading, you can meet the characters by watching the webseries adaptation online (www.OJinBG.com). Good luck!

The Twenty Marianne C. Bohr, 2023-06-06 Great for fans of: Suzanne Roberts's *Almost Somewhere*, Juliana Buhring's *This Road I Ride*. Marianne Bohr and her husband, about to turn sixty, are restless for adventure. They decide on an extended, desolate trek across the French island of Corsica—the GR20, Europe's toughest long-distance footpath—to challenge what it means to grow old. Part travelogue, part buddy story, part memoir, *The Twenty* is a journey across a rugged island of stunning beauty little known outside Europe. From a chubby, non-athletic child, Bohr grew into a fit, athletic person with an “I'll show them” attitude. But hiking *The Twenty* forces her to transform a lifetime of hard-won achievements into acceptance of her body and its limitations. The difficult journey across a remote island provides the crucible for exploring what it means to be an aging woman in a youth-focused culture, a physically fit person whose limitations are getting the best of her, and the partner of a husband who is growing old with her. More than a hiking tale, *The Twenty* is a moving story infused with humor about hiking, aging, accepting life's finite journey, and the intimacy of a long-term marriage—set against the breathtaking beauty of Corsica's rugged countryside.
