Higher Education in South Africa Eli Bitzer,2009-10-01 Higher Education in South Africa should be of considerable interest to higher education researchers outside of South Africa, as well as within, for the general and comparative assessments it makes. The South African higher education researchers included within its covers have clearly engaged with research and writing from many parts of the world, which they have then applied to make sense of their own condition. - Malcolm Tight Lancaster University, UK

The Bootleg Guide Garry Freeman,2003 The Bootleg Guide is the ultimate in reference works for the 1960s and the 1970s bootleg recordings. Within these pages lies a history of rock at its best, as performed on stage or in the studio. Each entry is catalogued by title, date, featured tracks, and contains a quality rating and comments on the nature and origin of the recording. Cross-references are provided to other titles and extensive information is available on alternate titles of bootlegs. In many cases, quirky facts about a particular title are given-something that in itself may make a title a highly desirable and sought-after 'rarity' amongst collectors. Limited editions are listed to help the reader and collector develop a clearer picture of just how obtainable a bootleg may be. Bootlegs are unofficial 'live' and studio recordings of artists and bands that are released onto vinyl, tape or CD. By definition, most are so rare that they change hands only for vastly inflated sums or are traded by networks of dedicated collectors worldwide. Serious fans and collectors have been known to spend as much as \$225 for an original, scratchy vinyl recording of bands like Deep Purple and the Grateful Dead dating back to the early seventies. The rarest of all are akin to valuable paintings as far as collectors and traders are concerned.

Vermeer and the Delft School Walter A. Liedtke,Michiel Plomp,Axel Rüger,Metropolitan Museum of Art (New York, N.Y.),National Gallery (Great Britain),2001 Walter Liedtke, curator of European paintings at the Metropolitan Museum of Art in New York, has assembled a splendid catalog of Vermeer and his artistic milieu. Seven lengthy, well-illustrated chapters (Liedtke wrote five, Dutch art historians Michiel Plomp and Marten Jan Bok wrote the others) describe life in the city of Delft; the painters Carel Fabritius, Leonart Bramer, and others who preceded Vermeer; the careers of Vermeer and De Hooch; the making of drawings and prints in 17th-century Delft; and the collecting of art in the same period. The catalog follows: each painting, print, and drawing accompanied by a lengthy catalog essay. Oversize: 12.25x9.75. c. Book News Inc.

When God Made Light Matthew Paul Turner,2018-02-13 From the author and illustrator of the best-selling *When God Made You* comes a new illuminating message about God's design affirming young readers. 'Let there be light!' that's what God said. And light began shining and then started to spread. Wild and creative illustrations from top children's illustrator David Catrow pair with Matthew Paul Turner's lyrical verse in this message of a God-made light that cuts through darkness to bring vision and hope to all young readers. This light radiates, chasing away the shadows, providing the wonder and fun of stargazing or firefly chasing. Most important, this light appears in each child--an inner God-given spark that grows and will be used to change the world.

When I Pray for You Matthew Paul Turner,2021-02-02 USA TODAY, PUBLISHERS WEEKLY, AND WALL STREET JOURNAL BESTSELLER • From the author of the bestselling *When God Made You* comes an illuminating message about God's design affirming young readers. With lyricism, whimsy, and heartfelt emotion, Matthew Paul Turner reveals the tender emotions connected with watching a beloved child grow up and experience the world. Paired with Kimberley Barnes's vivid and playful illustrations, *When I Pray for You* is a beautifully affirming book, in which children and parents will see their own stories come to life. *When I Pray for You* celebrates the dreams, hopes, and longings parents pray over their children, and shares with the little ones how much care and concern a loved one feels for them. This is a book you will read to your child again and again. Perfect for any occasion, as well as for milestones including baby showers, birthdays, and graduations. From the moment I saw you, I started to pray. Big prayers and small ones I have sent God's way. I prayed you felt safe, full of joy and content. When I whispered I love you, you knew what I meant.

J.J. has the goods on everyone, from the president to the latest starlet. And everyone feeds J.J. scandal, from J. Songversations Eric Hutchinson,2017-09-05 Each of the 50 record-shaped cards in this conversation deck is printed with a music-themed question on each side (100 questions total). The questions range in format: some invoke songs that are tied to memories (name a song from your school dance); others prompt you to choose an ideal soundtrack for a hypothetical situation (if you were a major league baseball player, what song would blast when you're up to bat?); some cards aim to get people comparing their favorite (and not-so-

favorite) music moments. Created expressly to start a conversation about the music people love and the personal insights that their favorite songs evoke, Songversations is the perfect gift for serious audiophiles, casual listeners, and everyone in between.
