The Killing of Reverend Kay Cynthia Mattson,2018-04-09 It is the early fall of 1755 in the backcountry of Virginia. The British army has suffered a stunning defeat at the hands of the French and their Indian allies in the opening battle of the French and Indian War, leaving the frontier in flames and open to attacks from the enemy. William Kay, a young minister well-known to the colonial establishment for his years long stand against a powerful planter and vestryman bent on revenge, is murdered. Three of Kay's slaves are accused and swiftly condemned to the brutal form of justice reserved for the enslaved, while another man who had threatened Kay's life disappears from the scene. When the colonial governor and officials aligned with him suppress the news of the unprecedented crime and the court record of the slave trial, the killing of Reverend Kay becomes lost to history--until now.

TRIUMPH: Inspired by the true life story of legendary Coach Kay Yow Mary Ellen Williams, 2012-10-01 TRIUMPH is an inspiring true-life story of a girl from a small town who became a world renowned legend. It begins in a time and place where women had few options and sports were a man's world. As a child Kay loved playing basketball but like many young women of that time she anticipated life as a teacher. Through the encouragement of her parents and principal, she changed her expectations and raised the bar on what women could accomplish. Kay defied these limitations to become a successful Basketball coach, a hall of fame inductee, and an Olympic gold coach. With her many successes there would be even bigger challenges. Her fiercest opponent would become her ongoing battle with breast cancer. Coach Yow faced these trials head on with grace, dignity, and her deep faith. Kay's love of people, her sense of humor, and her undying hope were contagious. She believed When Life Kicks You, Let it Kick You Forward. This story will inspire you, give hope to you and let you find the hidden hero within yourself.

With a backlog of cold cases to investigate and attempting to uncover who is behind a professional vendetta against her, Kay must keep one step ahead of both the killer and her own adversaries. When a second murder takes place within a week of the first, she realises the killer's timetable has changed, and she's running out of time to stop him... The Changing Vampire of Film and Television Tim Kane,2015-01-09 Vampires have been a fixture of film since Bela Lugosi brought Bram Stoker's Dracula to life on the big screen in 1931. Over the decades the genre has been far from static, as vampire narratives changed and evolved with the appetites of their viewing public. First depicted as formally dressed villains, vampires would later be portrayed as supernatural beings with some human characteristics, and still later as sympathetic figures. Focusing on 19 representative films and television productions, this critical study tracks the evolutionary changes of the screen vampire. It explores the factors that cause a genre to change and examines the alternating cycles of audience expectation. The author identifies three distinct modes of depiction: the Malignant Cycle (1931-1948), comprised primarily of the Universal films; the Erotic Cycle (1957-1985), which encompasses Hammer films and popular television shows such as Dark Shadows; and the Sympathetic Cycle (1987-present) including recent offerings such as The Lost Boys, Interview with the Vampire and Buffy the Vampire Slayer. Each film is evaluated in seven key areas

including the act of the vampire biting the victim; process of the victim's infection; physical appearance and demeanor of the vampire and the vampire expert; and the eventual destruction of the vampire. Appendices include a complete filmography of the films examined. Instructors considering this book for use in a course may request an examination copy here.

Strawberry Fields Miriam J. Wells,1996 This book is about social conflict and economic restructuring, and the play of political forces in the relationship between the two. Pulp and Other Plays by Tasha Fairbanks Elaine Aston,Gabriele Griffin,2013-09-13 *Pulp and other Plays by Tasha Fairbanks* is an anthology of plays which were written for the British group Siren Theatre Company, a lesbian theatre collective founded in 1979 by women from the punk music scene and worked with their unorthodox performance skills to challenge mainstream traditions of 'straight' acting. This anthology of three of the company's plays brings together long overdue recognition to the company which was Britain's foremost lesbian collective in the 1980s. This collection indicated the diversity of the Siren's theater work: their radical feminist critique of heterosexuality and male violence in 'Curfew', their celebration of lesbian glamour and desire in 'Pulp' and a scathing attack on Thatcherite Britain in ' Now Wash Your Hands, Please'.
