Suzi Woodfield - Christchurch, NEW ZEALAND **DIY RECIPE MANGO BODY BUTTER** This mango body butter melts right away on contact with your skin, leaving it silky smooth and not greasy. Total Time:25 minutes Ingredients 12 tablespoons of organic unrefined mango butter 2 tablespoons of organic refined shea butter 6 tablespoons of organic safflower oil 1 teaspoon of arrowroot powder (optional and to make it less greasy) 15 drops of roman chamomile essential oil 3 drops of bergamot Bergaptene free essential oil 10 drops of patchouli essential oil 3 Glass Salve Containers of 100 ml Instructions Put the shea and mango butter in a glass or metal bowl inside a pan filled with water on low heat so they start melting slowly. Once melted add the safflower oil and mix well. Put the bowl in the freezer for 5 to 10 minutes, depending on the temperature of your freezer. You want the mixture to not be completely frozen but thick enough so it is not liquid. If it's a soft paste then its ready to whip! Then take it out of the freezer and start whipping with an electric whip at low speed. Add the arrowroot powder and essential oils if desired and begin whipping your mixture on low speed until it becomes fluffy. Your whipped butter will have a fluffy consistency!

Natural & Organic Beauty Recipes Evelyn R. Scott,2015-03-10 Have you noticed? You continue to use cosmetics & products promising you an acne-free life, anti-aging results, smoother glowing skin... But the more you use these

products, the fewer results you see. If you're like millions of other people, you may begin to feel they only prove to be a waste of both your money (the best of these products come with a hefty price tag!) and your time. There very well could be something else that is being wasted, too -- your very health. It's true! Even the so-called natural and organic cosmetics seem to carry potential dangers -- despite the soothing assurances of commercials and manufacturers. If you put cosmetics on with less than healthy -- even toxic -- ingredients, guess what happens? All the potentially toxic items soak directly into your skin and into your system. Surely there must be a better way to make you look and feel better without putting your health on the line everyday! What if I told you there were products available that are natural, and many times organic that wouldn't harm your skin or endanger your health? What if I told you there were products you can use and be absolutely sure of the ingredients you were using? What if I told you the ingredients for these outstanding skin care remedies are waiting for you right now in your very own kitchen? All you need to do is gather the items and make them. It's true and this is what Natural & Organic Beauty Recipes will show you. Just imagine being able to have healthier & more beautiful skin in just 7 days (or less) without becoming frustrated or wasting your time. Here's what you'll discover in Natural & Organic Beauty Recipes: - The potentially dangerous and toxic ingredients lurking in many modern cosmetics... - How to understand the advantages of creating your own skin care recipes, therapies and treatments... - Dozens of easy-to-make, all-natural recipes for facial scrubs, masks, under eye treatments, moisturizers and more... - 7 everyday but often overlooked tips and tricks for understanding your skin and giving it the best treatments... - WARNING: 3 things you should never do when it comes to creating your own homemade skin care treatments... - 6 time tested and proven strategies to reducing, treating and curing many common skin problems... - How to use natural skin care recipes to improve your skin's moisture content and repair damaged skin... - How to use skin care recipes to boost your skin's ability to protect itself from environmental toxins... - And much more...
