Write it down on paper, post it on your bedroom door or stick it on your refrigerator, and look at it every single day to remind yourself of why you want to improve your lifestyle. It does not matter how superficial (go to the Bahamas and stay there for a month) or ambitious (earn a Master's Degree, and then a PhD) your goal is, because all that matters is you have one. In this book, you will find a detailed, practical guide on how you can organize your home, manage your time, and achieve your goals every day for thirty days. You will be guided from Day 1 all the way to Day 30, with specific timeframe details to help keep you on schedule. When it comes to sorting out your life, this book has you covered.
