**The Improbable First Century of Cosmopolitan Magazine** James Landers, 2010-11-01 Today, monthly issues of Cosmopolitan magazine scream out to readers from checkout counters and newsstands. With bright covers and bold, sexy headlines, this famous periodical targets young, single women aspiring to become the quintessential "Cosmo girl." Cosmopolitan is known for its vivacious character and frank, explicit attitude toward sex, yet because of its reputation, many people don't realize that the magazine has undergone many incarnations before its current one, including family literary magazine and muckraking investigative journal, and all are presented in *The Improbable First Century of Cosmopolitan Magazine*. The book boasts one particularly impressive contributor: Helen Gurley Brown herself, who rarely grants interviews but spoke and corresponded with James Landers to aid in his research. When launched in 1886, Cosmopolitan was a family literary magazine that published quality fiction, children's stories, and homemaking tips. In 1889 it was rescued from bankruptcy by wealthy entrepreneur John Brisben Walker, who introduced illustrations and attracted writers such as Mark Twain, Willa Cather, and H. G. Wells. Then, when newspaper magnate William Randolph Hearst purchased Cosmopolitan in 1905, he turned it into a purveyor of exposé journalism to aid his personal political pursuits. But when Hearst abandoned those ambitions, he changed the magazine in the 1920s back to a fiction periodical featuring leading writers such as Theodore Dreiser, Sinclair Lewis, and William Somerset Maugham. His approach garnered success by the 1930s, but poor editing sunk Cosmo's readership as decades went on. By the mid-1960s executives considered letting Cosmopolitan die, but Helen Gurley Brown, an ambitious and savvy businesswoman, submitted a plan for a dramatic editorial makeover. Gurley Brown took the helm and saved Cosmopolitan by publishing articles about topics other women's magazines avoided. Twenty years later, when the magazine ended its first century, Cosmopolitan was the profit center of the Hearst Corporation and a culturally significant force in young women's lives. *The Improbable First Century of Cosmopolitan Magazine* explores how Cosmopolitan survived three near-death experiences to become one of the most dynamic and successful magazines of the twentieth century. Landers uses a wealth of primary source materials to place this important magazine in the context of history and depict how it became the cultural touchstone it is today. This book will be of interest not only to modern Cosmo aficionados but also to journalism students, news historians, and anyone interested in publishing.

**Heart of Darkness and Other Tales** Joseph Conrad,2008-05-08 HEART OF DARKNESS \* AN OUTPOST OF PROGRESS \* KARAIN \* YOUTH The finest of all Conrad's tales, 'Heart of Darkness' is set in an atmosphere of mystery and menace, and tells of Marlow's perilous journey up the Congo River to relieve his employer's agent, the renowned and formidable Mr Kurtz. What he sees on his journey, and his eventual encounter with Kurtz, horrify and perplex him, and call into question the very bases of civilization and human nature. Endlessly reinterpreted by critics and adapted for film, radio, and television, the story shows Conrad at his most intense and sophisticated. The other three tales in this volume depict corruption and obsession, and question racial assumptions. Set in the exotic surroundings of Africa, Malaysia. and the east, they variously appraise the glamour, folly, and rapacity of imperial adventure. This revised edition uses the English first edition texts and has a new chronology and bibliography. Beecher's Magazine, 1870 J. A. Beecher, 2017-10-23 Excerpt from Beecher's Magazine, 1870: Original, Pure, Progressive, Practical, Popular; Volumes I and II Life - the intellectual and moral life of man as a denizen of earth - is so constructed as to be an intense and exciting emergency full of interest, full of duty, full of opportunity. Brief in its period, incipient in infancy, feeble in age, with no absolute guarantee for continuance beyond the present moment, needing frequent suspensions from effort, charged with the interests and responsibilities that relate to two worlds, life surely is no play-day to be fooled away in senseless giggle, or lounged away in stupid indolence. It is ever ringing with the call to action. Through it we pass once, and but once, and the first passage must be a success, or life will be a stupendous failure. It is indeed a succession of emphatic words, every one of which should arrest the attention and impress the heart. The things that are to be done in life, that may be done, and should be done, with the consequences ensuing alike here and hereafter, form the providential oratory by which God loudest calls, and which earth should be most anxious to hear. Morally considered, life photographs eternity upon time. Time in productive power is eternity. It is really a more solemn thing to live than to die. Some there are who reserve their anxieties and tears for death. Wiser would it be in them to spend them on life, and then they would have far less occasion for them in death.
