Why I Stand Jonathan Isaac,2022-05-17 Facing public criticism, peer hostility, and widespread disapproval, would you compromise your principles to blend in with the crowd, or would you stand for what you believe? On July 31, 2020, the Orlando Magic starting forward Jonathan Isaac was the lone NBA player not to kneel for the national anthem amid a league-wide demonstration in support of Black Lives Matter. Standing alone, knowing the scrutiny to come, Jonathan had a peace he at one time never could have imagined possible. In *Why I Stand*, Jonathan shares the journey of how—through a series of divine connections and a willingness to follow Christ—his fear and insecurity-driven life was transformed into one of confidence and purpose. From his childhood in the Bronx to his high school years in Florida, from rail-skinny freshman at FSU to top draft pick in the NBA, Jonathan uses his life story to illuminate the freedom and peace found in the love of Jesus Christ. More than the story of an NBA player's transformation from man on the court to man of God, *Why I Stand* is a testament to His love, power, and grace that extends to us all. This book is a discovery that no matter your level of confidence today, God's strength will develop in your weakness. That courage is found in trusting that God is greater than your fears. As Jonathan takes you through the experiences that drove his decisions, he offers insight and inspiration to help you to grow to a point where standing alone is better than not standing at all.

Can't Hurt Me David Goggins,2021-03-03 New York Times Bestseller Over 2.5 million copies sold For David Goggins, childhood was a nightmare -- poverty, prejudice, and physical abuse colored his days and haunted his nights. But through self-discipline, mental toughness, and hard work, Goggins transformed himself from a depressed, overweight young man with no future into a U.S. Armed Forces icon and one of the world's top endurance athletes. The only man in history to complete elite training as a Navy SEAL, Army Ranger, and Air Force Tactical Air Controller, he went on to set records in numerous endurance events, inspiring *Outside* magazine to name him The Fittest (Real) Man in America. In *Can't Hurt Me*, he shares his astonishing life story and reveals that most of us tap into only 40% of our capabilities. Goggins calls this The 40% Rule, and his story illuminates a path that anyone can follow to push past pain, demolish fear, and reach their

full potential.

The Inner Game of Tennis W. Timothy Gallwey, 1997-05-27 The timeless guide to achieving the state of “relaxed concentration” that’s not only the key to peak performance in tennis but the secret to success in life itself—part of the bestselling Inner Game series, with more than one million copies sold! “Groundbreaking . . . the best guide to getting out of your own way . . . Its profound advice applies to many other parts of life.”—Bill Gates, *GatesNotes* (“Five of My All-Time Favorite Books”) This phenomenally successful guide to mastering the game from the inside out has become a touchstone for hundreds of thousands of people. Billie Jean King has called the book her tennis bible; Al Gore has used it to focus his campaign staff; and Itzhak Perlman has recommended it to young violinists. Based on W. Timothy Gallwey’s profound realization that the key to success doesn’t lie in holding the racket just right, or positioning the feet perfectly, but rather in keeping the mind uncluttered, this transformative book gives you the tools to unlock the potential that you’ve possessed all along. “The Inner Game” is the one played within the mind of the player, against the hurdles of self-doubt, nervousness, and lapses in concentration. Gallwey shows us how to overcome these obstacles by trusting the intuitive wisdom of our bodies and achieving a state of “relaxed concentration.” With chapters devoted to trusting the self and changing habits, it is no surprise then, that Gallwey’s method has had an impact far beyond the confines of the tennis court. Whether you want to play music, write a novel, get ahead at work, or simply unwind after a stressful day, Gallwey shows you how to tap into your utmost potential. No matter your goals, *The Inner Game of Tennis* gives you the definitive framework for long-term success.

Relational Intelligence Dharius Daniels,2020-01-28 Relational Intelligence is your action plan for getting smart about who you surround yourself with. Using Jesus's relational framework for choosing the twelve disciples, this book gives you the tools you need to define, discern, align, assess, and activate your relationships to unlock your greatest potential. Years of ministry leadership experience have taught Dr. Dharius Daniels that there's no such thing as a casual relationship. All of our relationships either push us forward into our God-given purposes or hold us back from who we're meant to be. If you're serious about taking your life to the next level, you should be serious about taking your relationships to the next level, too. Scripture gives us a blueprint for the way relationships should be managed, and this blueprint helps us construct and grow relationships that are fruitful. It tells us that our spiritual, physical, financial, emotional, and professional progress is greatly impacted by who we allow to be a part of our lives and what part we allow them to play. Relational Intelligence reminds us that with our destiny on the line, relationships are too consequential to nonchalantly roll the dice in managing them. Daniels shows us that relationships were part of God's design, and when we understand and apply what God has to say about them, we can finally learn to: Reflect on the people that God has placed in our lives Avoid unnecessary relational turmoil Be intentional in each of our relationships Accomplish our God-given purpose When your purpose is on the line, the cost of relational unintelligence is too great to pay. Join Daniels as you uncover the secret to gaining the relational intelligence you need to build the purposeful life that you want.
