

Orleans Squar

Florian Freitag

Congo Square Freddi Williams Evans, 2011 Comprehensive study of one of the New World's most sacred sites of African American memory and community.

Congo Square in New Orleans Jerah Johnson, 2011-01-31 A detailed history of a New Orleans landmark. Congo Square is an iconic location in New Orleans culture, filled with the echoes of jazz and the footsteps of modern dance. Brimming with the rich history of the city, this auspicious landmark traces its origins back to the 1740s. A popular gathering place for African-Americans, the square hosted public markets, musical events, and even the Congo Circus throughout its history. Johnson's detailed analysis of the development of the landmark places the deep-set culture of both the African-American community and the roots of New Orleans music firmly in the heart of Congo Square.

The World That Made New Orleans Ned Sublette, 2008-01-01 STRONG Named one of the Top 10 Books of 2008 by The Times-Picayune. STRONG Winner of the 2009 Humanities Book of the Year award from the Louisiana Endowment for the Humanities. STRONG STRONG Awarded the New Orleans Gulf South Booksellers Association Book of the Year Award for 2008. New Orleans is the most elusive of American cities. The product of the centuries-long struggle among three mighty empires--France, Spain, and England--and among their respective American colonies and enslaved African peoples, it has always seemed like a foreign port to most Americans, baffled as they are by its complex cultural inheritance. The World That Made New Orleans offers a new perspective on this insufficiently understood city by telling the remarkable story of New Orleans's first century--a tale of imperial war, religious conflict, the search for treasure, the spread of slavery, the Cuban connection, the cruel aristocracy of sugar, and the very different revolutions that created the United States and Haiti. It demonstrates that New Orleans already had its own distinct personality at the time of Louisiana's statehood in 1812. By then, important roots of American music were firmly planted in its urban swamp--especially in the dances at Congo Square, where enslaved Africans and African Americans appeared en masse on Sundays to, as an 1819 visitor to the city put it, &“rock the city.&” This book is a logical continuation of Ned Sublette's previous volume, *Cuba and Its Music: From the First Drums to the Mambo*, which was highly praised for its synthesis of musical, cultural, and political history. Just as that book has become a standard resource on Cuba, so too will *The World That Made New Orleans* long remain essential for understanding the beautiful and tragic story of this most American of cities.

Ancestors of Congo Square William A. Fagaly, New Orleans Museum of Art, 2011 First comprehensive book on the extraordinary collection of African Art at the New Orleans Museum of Art, considered one of the best in the United States.

The World from Jackson Square Etolia Simmons Basso, 1948

Popular New Orleans Florian Freitag, 2020-10-01 New Orleans is unique – which is precisely why there are many Crescent Cities all over the world: for almost 150 years, writers, artists, cultural brokers, and entrepreneurs have drawn on and simultaneously contributed to New Orleans's fame and popularity by recreating the city in popular media from literature, photographs, and plays to movies, television shows, and theme parks. Addressing students and fans of the city and of popular culture, *Popular New Orleans* examines three pivotal moments in the history of New Orleans in popular media: the creation of the popular image of the Crescent City during the late nineteenth century in the local-color writings published in Scribner's *Monthly/Century Magazine*; the translation of this image into three-dimensional immersive spaces during the twentieth century in Disney's theme parks and resorts in California, Florida, and Japan; and the radical transformation of this image following Hurricane Katrina in public performances such as

Mardi Gras parades and operas. Covering visions of the Crescent City from George W. Cable's Old Creole Days stories (1873-1876) to Disneyland's New Orleans Square (1966) to Rosalyn Story's opera Wading Home (2015), Popular New Orleans traces how popular images of New Orleans have changed from exceptional to exemplary.

Gardens of New Orleans Jeannette Hardy, Lake Douglas, 2001-02 New Orleans is a gardener's paradise. Fragrant ginger and night-blooming jessamine scent the air. Nary a crack in the cement or divot in the wall is free from rogue ferns, mosses, or draping greenery. For generations, residents from wildly varied cultures and sensibilities have been at work creating magnificent gardens throughout the city. New Orleans Gardens explores this rich history and tours public gardens, as well as opens the doors to lovingly tended private balcony, patio, and mansion grounds. Interviews discuss the environmental and cultural forces that shaped the gardens. In photography as sumptuous as his acclaimed New Orleans: Elegance and Decadence, Richard Sexton vividly illustrates the many traditions interwoven in this bewitching city's landscape heritage.

Jackson Square Jazz Greg Herren, 2005-03-01 When he becomes involved with Bryce Bell, America's hottest skater, gay psychic, private detective, and ex-stripper Scotty Bradley suddenly finds himself embroiled with the dark underworld of New Orleans, Bryce's twisted family secrets, the unsolved theft of a priceless artifact, and murder. Reprint.

Freedom in Congo Square Carole Boston Weatherford, 2017-01-17 Chosen as a New York Times Best Illustrated Book of 2016, this poetic, nonfiction story about a little-known piece of African American history captures a human's capacity to find hope and joy in difficult circumstances and demonstrates how New Orleans' Congo Square was truly freedom's heart. Mondays, there were hogs to slop, mules to train, and logs to chop. Slavery was no ways fair. Six more days to Congo Square. As slaves relentlessly toiled in an unjust system in 19th century Louisiana, they all counted down the days until Sunday, when at least for half a day they were briefly able to congregate in Congo Square in New Orleans. Here they were free to set up an open market, sing, dance, and play music. They were free to forget their cares, their struggles, and their oppression. This story chronicles slaves' duties each day, from chopping logs on Mondays to baking bread on Wednesdays to plucking hens on Saturday, and builds to the freedom of Sundays and the special experience of an afternoon spent in Congo Square. This book will have a forward from Freddie Williams Evans (freddievans.com), a historian and Congo Square expert, as well as a glossary of terms with pronunciations and definitions. AWARDS: A Kirkus Reviews Best Book of 2016 A School Library Journal Best Book of 2016: Nonfiction Starred reviews from School Library Journal, Booklist, Kirkus Reviews, and The Horn Book Magazine

The Disneyland Encyclopedia Chris Strodder, 2017-04-11 Completely updated and expanded with over 50 new entries and 300 new photos, The Disneyland Encyclopedia spans the entire history of the park, from its founding more than 50 years ago to the present day. This fascinating book features detailed explorations of 600 Disneyland topics, including lands, attractions, restaurants, stores, events, and significant people. Each of the main encyclopedia entries illuminates the history of a Disneyland landmark, revealing the initial planning strategies for the park's iconic attractions and detailing how they evolved over the decades. Enriching this unique A-to-Z chronicle are profiles of the personalities who imagined and engineered the kingdom known as "The Happiest Place on Earth." Discover unbuilt concepts, including Liberty Street, Rock Candy Mountain, and Chinatown, and delight in fascinating trivia about long-lost Disneyland features, from the real rifles in the shooting gallery that was once located on Main Street to the jet-packed Rocket Man who flew above Tomorrowland. The new "Mouscellany" feature adds fun facts,

hidden secrets, and odd trivia to the third edition. Overflowing with meticulously researched details and written in a spirited, accessible style, *The Disneyland Encyclopedia* is a comprehensive and entertaining exploration of the most-influential, most-renovated, and most-loved theme park in the world!

City celebration of the anniversary of the national independence New Orleans (La.), 1864

Waltäö»s Utopia Priscilla Hobbs, 2015-07-14 The “Happiest Place on Earth” opened in 1955 during a trying time in American life—the Cold War. Disneyland was envisioned as a utopian resort where families could play together and escape the tension of the “real world.” Since its construction, the park has continually been updated to reflect changing American culture. The park’s themed features are based on familiar Disney stories and American history and folklore. They reflect the hopes of a society trying to understand itself in the wake of World War II. This book takes a fresh look at the park, analyzing its cultural narrative by looking beyond consumerism and corporate marketing to how Disney helped America cope during the Cold War and beyond.
