**Cowboy Ethics** James P. Owen,David R. Stoecklein,2004 Having been rocked by one damaging revelation of misbehavior after another, Wall Street is in a state of crisis. Investors are disgusted by the misdeeds of a few and suspicious of the industry at large. Every firm finds its integrity open to question. Regulators are up in arms. And the industry is facing billions of dollars in costs to comply with a floodtide of new regulations. But imagine what could happen if Wall Street firms looked back to a simpler time when a handshake was enough to seal a deal, and right and wrong were as clear as black and white. What if executives, portfolio managers, analysts, and traders decided that some things aren't for sale? What if every major investment firm agreed to live by the principle that the client always comes first? In words and images, Cowboy Ethics explores the life and code of the working cowboy as a source of inspiration pointing the industry to a way out of its troubles. The book is intended as the catalyst for a movement to transform the industry - not with the carrot and stick, but from the inside out - one person, firm, and organization at a time.

Don't Put Me In, Coach Mark Titus,2013-03-12 An irreverent, hilarious insider's look at big-time NCAA basketball, through the eyes of the nation's most famous benchwarmer and author of the popular blog ClubTrillion.com (3.6m visits!). Mark Titus holds the Ohio State record for career wins, and

made it to the 2007 national championship game. You would think Titus would be all over the highlight reels. You'd be wrong. In 2006, Mark Titus arrived on Ohio State's campus as a former high school basketball player who aspired to be an orthopedic surgeon. Somehow, he was added to the elite Buckeye basketball team, given a scholarship, and played alongside seven future NBA players on his way to setting the record for most individual career wins in Ohio State history. Think that's impressive? In four years, he scored a grand total of nine—yes, nine—points. This book will give readers an uncensored and uproarious look inside an elite NCAA basketball program from Titus's unique perspective. In his four years at the end of the bench, Mark founded his wildly popular blog Club Trillion, became a hero to all guys picked last, and even got scouted by the Harlem Globetrotters. Mark Titus is not your average basketball star. This is a wild and completely true story of the most unlikely career in college basketball. A must-read for all fans of March Madness and college sports!
