Knowledge And Decisions Thomas Sowell,2022-01-04 With a new preface by the author, this reissue of Thomas Sowell's classic study of decision making updates his seminal work in the context of *The Vision of the Anointed*, Sowell, one of America's most celebrated public intellectuals, describes in concrete detail how knowledge is shared and disseminated throughout modern society. He warns that society suffers from an ever-widening gap between firsthand knowledge and decision making—a gap that threatens not only our economic and political efficiency, but our very freedom because actual knowledge gets replaced by assumptions based on an abstract and elitist social vision of what ought to be. *Knowledge and Decisions*, a winner of the 1980 Law and Economics Center Prize, was heralded as a “landmark work” and selected for this prize “because of its cogent contribution to our understanding of the differences between the market process and the process of government.” In announcing the award, the center acclaimed Sowell, whose “contribution to our understanding of the process of regulation alone would make the book important, but in reemphasizing the diversity and efficiency that the market makes possible, [his] work goes deeper and becomes even more significant.”

Decision Allen Drury,2014-02-21 “Crudely effective melodrama—as two [Supreme Court] Justices . . . consider the death penalty . . . of the man who killed/maimed their daughters.” —Kirkus Reviews, starred review From the Pulitzer Prize-winning author of *Advise and Consent*, a gripping novel about the deterioration of the criminal justice system and the mysterious, powerful body at its core—the Supreme Court of the United States. Earle Holgren—murderer, terrorist, lost soul—is at the center of a vortex. On trial for a bombing at a nuclear power plant in South Carolina that destroyed innocent lives, Holgren is facing the death penalty. The case works its way through the state courts, all the way to the halls of the Supreme Court—and for many of the players, the call for justice is all too personal. From the two Justices of the Supreme Court whose children were victims, to the Attorney General of South Carolina who sees the compelling, controversial trial as an opportunity for demagoguery that might pave his path to the White House, to the idealistic defense lawyer who seeks to save a man she knows to be a psychopathic killer, *Decision* is a sweeping tale from Allen Drury, the New York Times–bestselling master of spellbinding political fiction.

My Husband's Girlfriend Sheryl Browne,2021-04-07 She told my little boy a secret and now he’s gone... Tucking her little boy Ollie into bed one night, Sarah notices his beloved teddy bear, which she bought him when he was born, is missing and in its place is a new toy given to him by her ex-husband’s new girlfriend, Laura. When she asks Ollie about it, he begins to shift uncomfortably, before whispering ‘Laura told me a big secret and she said I can never tell you’. Sarah’s heart sinks. But when she raises her concerns, nobody wants to listen. To everyone else, Laura is the perfect stepmother and Sarah is just the jealous ex-wife. But Sarah knew the moment she met Laura she couldn’t trust her, from her overly perfect stepmother act to the way she evaded questions about her own history. Soon Ollie is asking to spend more time with his dad and Laura, and shrinking away from Sarah. Then, when she calls to him in the garden one day, Ollie doesn’t answer back. The garden is silent.
