

Our Bills 13

Scott Pitoniak

What Makes You Think We Read the Bills? H. L. Richardson, 1978 Presents details of how most state, and our national, legislatures actually function. This book shows how and why our governmental representatives no longer really represent those who voted them into office. It offers helpful suggestions on how to put things right.

Speech ... on the Loan Bill, delivered in the Senate, ... April 13, 1842 William Alexander GRAHAM (Governor of North Carolina.), 1842

Bills of Rights Before the Bill of Rights Peter J. Galie, Christopher Bopst, Bethany Kirschner, 2020-09-14 This book is a documentary history of the rights found in the American state constitutions adopted between 1776 and 1790. Despite the rich tradition of rights at the state level, rights in America have been identified almost exclusively with the national Bill of Rights. Indeed, there is no work that provides a comprehensive treatment of the early state declarations of rights. Rather, these declarations have been viewed as halting first steps towards the adoption of the national Bill of Rights in 1791. Bringing together the full text of the rights provisions from the 13 original states and Vermont, this book presents America's first tradition of rights on its own terms and as part of this country's heritage of rights. Early chapters will examine the sources of these rights and provide a comparative framework. An introduction to each chapter will review that state's colonial history, focusing on any charters or legislation related to rights protections that help explain its constitutional provisions. This work will make it possible for students, scholars, and interested citizens to rediscover the first fruits of the American Revolution.

Model Rules of Professional Conduct American Bar Association. House of Delegates, Center for Professional Responsibility (American Bar Association), 2007 The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

The Good, the Bad, & the Ugly: Buffalo Bills Scott Pitoniak, 2007-08-01 What fans don't love to relive the good times of their favorite team? Likewise, in a twisted sort of way, what fans can really resist a self-pitying look back on some of those times that tested their allegiance? Those forgettable games, seasons, and plays that made the good times even better? The Good, the Bad, & the Ugly presents all the best moments and personalities in the history of the Buffalo Bills. It also unmask, but doesn't revel in, the bad, the regrettably awful and the unflinchingly ugly. In entertaining—and unsparing—fashion, this book sparkles with Bills highlights, lowlights, wonderful and wacky memories, legends and goats, the famous and the infamous. You'll relive the 50 sacks of the fearsome 1964 defense but also the anemic offense of the 1-13 1971 Bills. The hurry-up offense led by Jim Kelly but also the nine turnovers in Super Bowl XVII. The Good, the Bad, & the Ugly: Buffalo Bills includes the best and worst Bills teams and players of all time, the most clutch performances and performers, the biggest choke jobs and chokers, great comebacks and blown leads, plus overrated and underrated Bills players and coaches. There are Bills you loved for all the right reasons, and those you couldn't stand, sublime and embarrassing records, and trades, both those savvy and savagely bad. Brawls and fights. Rivalries. Compelling photos. And much, much more. If you're a through-thick-and-thin Bills fan, The

Good, the Bad, & the Ugly: Buffalo Bills is especially for you. It will remind you of the good and great times and bring a knowing smile about some of those other times, when you proved to yourself just how loyal you are. For everyone else, this warts-and-all portrait of the Bills will provide countless fond memories, goose bumps, and laughs.
