**The Book Lover's Guide to London** Sarah Milne, 2022-01-12 “Brings literature lovers on a journey through London, from Chaucer in the fourteenth century to present day . . . as diverse as the city itself.” —British Heritage Travel Many of the greatest names in literature have visited or made their home in the colorful and diverse metropolis of London. From Charles Dickens to George Orwell, Virginia Woolf to Bernadine Evaristo, London's writers have brought the city to life through some of the best known and loved stories and characters in fiction. This book takes you on an area-by-area journey through London to discover the stories behind the stories told in some of the most famous novels, plays, and poems written in, or about, the city. Find out which poet almost lost one of his most important manuscripts in a Soho pub. Discover how Graham Greene managed to survive the German bomb that destroyed his Clapham home. Climb down the dingy steps from London Bridge to the Thames Path below and imagine how it felt to be Nancy trying to save Oliver Twist, only to then meet her own violent death. Drink in the same pub where Bram Stoker listened to the ghost stories that inspired Dracula, the plush drinking house where Noel Coward performed, and the bars and cafes frequented by modern writers. Tour the locations where London's writers, and their characters lived, worked, played, loved, lost, and died. This is the first literature guide to London to be fully illustrated throughout with beautiful color photographs. It can be used as a guidebook on a physical journey through London, or as a treasury of fascinating, often obscure tales and information for book lovers to read wherever they are.

Why You Need Lost Travelers First we would like to thank you for considering Lost Travelers as your guide book. Allow us to explain our beginnings, and the reason we created Lost Travelers. Lost Travelers was created due to one simple problem that other guides on the market did not solve; loss of time. Considering it's the 21st century and everything is available on the internet why do we still purchase guidebooks? To save us

time! That's right. Since the goal is to be efficient and save time, we did not understand why there are several guidebooks on the market that are of 500 to 1000 page' long. We do not believe one needs that much bluff to get an overview of the location and some remarkable suggestions. Considering many guidebooks on the market are filled with suggestions that were sponsored for, we have decided to take a different approach and provide our travelers with an honest opinion and decline any sort of sponsorship. This simply allows us to cut off any nonsense and create our guides the Lost Travelers style. Our mission is simple; to create an easy to follow guide book that outlines the best of activities to do in our limited time at the destination. This easily saves you your most valuable asset; your time. You no longer need to spend hours looking through a massive book, or spend hours searching for information on the internet as we have completed the whole process for you. The best part is we provide you our e-guides for one third the price of the leading brand, and our paper copy for only half the price.
