North Carolina's Outer Banks Karen Bachman,

Memories of the Currituck Outer Banks: As Told by Ernie Bowden Clark Twiddy, 2021-07 Painfully remote in the time of the Wright brothers, today the Outer Banks famously welcomes millions of visitors each year. The journey from early isolation to popularity is recalled with remarkable insight by Ernie Bowden, a sixth-generation Outer Banker. On any given day, Ernie was a sailor, cattle baron, salvage specialist, hunter, fisherman, legal expert and elected official all at once. Born just after the end of World War I, his memories stretch from the isolation of the early twentieth century through the glamor of the world-famous duck clubs of the area and the storms that have shaped its modern-day geography. Aided by author Clark Twiddy, Ernie tells the tales of a unique life spent in this unique place.

Old-House Journal ,1994-07 Old-House Journal is the original magazine devoted to restoring and preserving old houses. For more than 35 years, our mission has been to help old-house owners repair, restore, update, and decorate buildings of every age and architectural style. Each issue explores hands-on restoration techniques, practical architectural guidelines, historical overviews, and homeowner stories--all in a trusted, authoritative voice.

Insiders' Guide to North Carolina's Outer Banks Linda Lauby, Molly Perkins Harrison, E. M. Corsa, 2001 Insiders' Guide to North Carolina's Outer Banks, now in its twenty-third edition, offers travelers, newcomers, and locals the best, most comprehensive information on what's happening on North Carolina's windswept barrier islands. From remote wildlife refuges, sheltered inlets, and endless beaches to upscale resort communities, these strips of shifting sand offer both peaceful retreat and awesome adventure. Use this guide to discover the Outer Banks' rich seafaring history and its newest tourist attractions as well as limitless opportunities for fun, dining, shopping, and recreation. Book jacket.

The Outer Banks Gazetteer Roger L. Payne, 2021-02-09 The rich history of North Carolina's Outer Banks is reflected in the names of its towns, geographic features, and waterways. A book over twenty years in the making, The Outer Banks Gazetteer is a comprehensive reference guide to the region's place names—over 3,000 entries in all. Along the way, Roger L. Payne has cataloged an incredible history of beaches, inlets, towns and communities, islands, rivers, and even sand dunes. There are also many entries for locations that no longer exist—inlets that have disappeared due to erosion or storms, abandoned towns, and Native American villages—which highlight important and nearly forgotten places in North Carolina's history. Going beyond simply recounting the facts behind the names, Payne offers information-packed and entertainingly written stories of North Carolina, its coastal geography, and its people. Perfect for anyone interested in the North Carolina coast, this invaluable reference guide uncovers the history of one of the most-visited areas in the Southeast.

The Outer Banks House Diann Ducharme, 2011-06-07 As the wounds of the Civil War are just beginning to heal, one fateful summer would forever alter the course of a young girl's life. In 1868, on the barren shores of post-war Outer Banks North Carolina, the once wealthy Sinclair family moves for the summer to one of the first cottages on the ocean side of the resort village of Nags Head. Seventeen-year-old Abigail is beautiful, book-smart, but sheltered by her plantation life and hemmed-in by her emotionally distant family. To make good use of time, she is encouraged by her family to teach her father's fishing guide, the good-natured but penniless Benjamin Whimble, how to read and write. And in a twist of fate unforeseen by anyone around them, there on the porch of the cottage, the two come to love each other deeply, and to understand each other in a way that no one else does. But when, against everything he claims to represent, Ben becomes entangled in Abby's father's Ku Klux Klan work, the terrible tragedy and surprising revelations that one hot Outer Banks night brings forth threaten to tear them apart forever. With vivid historical detail and stunning emotional resonance, Diann Ducharme recounts a dramatic story of love, loss, and coming of age at a singular and rapidly changing time in one of America's most beautiful and storied communities.

North Carolina's Outer Banks - Insiders' Guide Karen Bachman, 2006-05 North Carolinas Outer Banks offer visitors and residents alike a wide variety of things to do both indoors and out Visit well-preserved beaches view abundant wildlife and soak in the areas rich history This authoritative guide gives the inside scoop

White Hip Hoppers, Language and Identity in Post-Modern America Cecelia Cutler, 2014-02-03 This book examines language and identity among White American middle and upper-middle class youth who affiliate with Hip Hop culture. Hip Hop youth engage in practices that range from the consumption of rap music and fashion to practices like MC-ing (writing and performing raps or rhymes), DJ-ing (mixing records to produce a beat for the MC), graffiti tagging, and break-dancing. Cutler explores the way in which these young people stylize their speech using linguistic resources drawn from African American English and Hip Hop slang terms. She also looks at the way they construct their identities in discussions with their friends, and how they talk about and use language to construct themselves as authentic within Hip Hop. Cutler considers the possibility that young people experimenting with AAVE-styled speech may improve the status of AAVE in the broader society. She also addresses the need for educators to be aware of the linguistic patterns found in AAVE and Hip Hop language, and ways to build on Hip Hop skills like rhyming and rapping in order to motivate students and promote literacy.
