**Outside** Deirdre Gill, 2014 When his brother refuses to come outside, a child plays by himself in the snow and creates an imaginary world.

**Bear Outside** Jane Yolen, 2021-03-02 Lots of people have inner strength, but one girl wears hers as a bear outside. Some folks have a lion inside, Or a tiger. Not me. I wear my bear on the outside. In this imaginative picture book by Jane Yolen, acclaimed author of many distinguished children's books including Owl Moon and How do Dinosaurs Say Goodnight, a girl explores the many ways she expresses herself by imagining that she wears a bear as her personal protective shell. They go everywhere and do everything together. The Bear is like a suit of armor and a partner all in one, protecting her from bullies and giving her strength to be bold when she needs it. In turn, she listens to and takes care of the Bear. Jane Yolen's story beautifully portrays the relationships we have with our inner-selves, encouraging readers to stay in touch with and wear these qualities with pride. Her text is paired with the spritely art of Jen Corace, illustrator of bestseller Little Pea, Small World, and Brave Jane Austen.

There Is No Outside Verso Books, 2020-06-09 An urgent collection of essays on the global pandemic, from n+1 and Verso Books A collaboration between the renowned magazine of literature and politics, n+1, and Verso Books, this collection tracks the course of Covid-19 across the circuits of global capital to New York’s prisons and emergency rooms, Los Angeles’s homeless encampments, and the migrant camps in Greece; and into the intimate spaces of our homes, our ideas of how to live,

and into our bodies and cells. We hear from sex workers without work and sailors quarantined on their ships, witness the pandemic from the quiet devastation of upstate New York and quarantined Rome as well as the streets of Delhi, Kashmir, and London and the emergency room of a New York City hospital. From some of the most exciting and thoughtful young writers around the globe, *There Is No Outside* explores the unspooling wreckage of Covid-19 and helps us imagine what might come in the aftermath. With contributions from Andrew Liu, Rachel Ossip, Gabriel Winant, Francesco Pacifico, Sarah Resnick, Teresa Thornhill, Shigra Zahbi, Debjani Bhattacharyya, Banu Subramaniam, Mark Krotov, Karim Sariahmed, Ana Cecilia Alvarez, Jack Norton, Laleh Khalili, Aaron Timms, Sonya Aragon, Sean Cooper, Chloe Aridjis, and Marco Roth, and with an introduction by Jessie Kindig.

**Animals are Outside Today** Colleen Plumb, 2011 The photographs of Colleen Plumb (born 1970) examine the scope of intersections and relationships between humankind and other creatures, seeking to draw out the contradictions that have shaped our relationships with animals throughout history. The animals she portrays range from beloved house pets to circus animals and even road kill. Weaving imagery of life and death, Plumb plays with the whole gamut of attachments and emotions we hold toward animals. Karen Irvine of the Museum of Contemporary Photography writes of this work: [Plumb] uses color, framing and focus to draw our attention to details that are alternately humorous, delightful and disturbing, making the viewing of her pictures an ever-changing and engaging experience. *Animals Are Outside Today* is the photographer's first monograph; it collects 74 color photographs that expose both our kinship and our disjuncture from other creatures of this earth.

**The Outside** Ada Hoffmann, 2019-06-11 Humanity's super-intelligent AI Gods brutally punish breaches in reality, as one young scientist discovers, in this intense and brilliant space opera. Autistic scientist Yasira Shien has developed a radical new energy drive that could change the future of humanity. But when she activates it, reality warps, destroying the space station and everyone aboard. The AI Gods who rule the galaxy declare her work heretical, and Yasira is abducted by their agents. Instead of simply executing her, they offer mercy – if she'll help them hunt down a bigger target: her own mysterious, vanished mentor. With her homeworld's fate in the balance, Yasira must choose who to trust: the gods and their ruthless post-human angels, or the rebel scientist whose unorthodox mathematics could turn her world inside out. *Outside, Inside* LeUyen Pham, 2021-01-05 From Caldecott honoree LeUyen Pham, *Outside, Inside* is a moving picture book that captures the unforgettable moment during the pandemic when people all over the world came together. It celebrates the essential workers, frontline workers, and communities that worked with each other to protect our loved ones. Something strange happened on an unremarkable day just before the season changed. Everybody who was outside . . . . . went inside. Outside, it was quieter, wilder, and different. Inside, we laughed, we cried, and we grew. We remembered to protect the ones we love and love the ones who protect us. While the world changed outside, we became stronger on the inside and believed that someday soon spring would come again. **Take It Outside** Mel Brasier, Garrett Magee, James DeSantis, 2021-12-07 From the hosts of Bravo's

Backyard Envy comes a beautifully photographed guide to converting your outdoor space into an enviable oasis, whether you have a backyard, brownstone patio, or three-season porch. Dubbed the plantfluencers by the New York Times, Mel Brasier, Garrett Magee, and James DeSantis, owners of the Manscapers landscaping company, do more than plant, mulch, and manicure a garden; they look at the space just as interior designers do a room, considering the aesthetics and the way people live in it. Now they show you how to apply familiar interior design principles to your outdoors, including: Deciding on a concept to help direct the mood of your space Zoning your space into functional areas, such as for lounging, cooking, or entertaining Defining the areas with furniture and hardscaping like fencing, decking, pools, planters, pergolas, and pathways Bringing in the green, including plants that are both functional (privacy shrubs and shade trees) and decorative (pretty perennials, climbers, and textural grasses) Adding the finishing touches: the pillows, throws, hurricane lanterns, and other details that will make you want to linger long after sunset Plus, you'll have information on hiring a contractor and landscaper and the specific materials and plants the Manscapers love to use in their designs. No matter how big or small your exterior space, this ultimate guide to landscape design will help you bring the comfort of the indoors outside.

Powder Days Heather Hansman, 2021-11-09 \*A Boston Globe Bestseller!\* \*An Outside Magazine Book Club Pick!\* \*Winner of the International Ski Association's Ullr Book Award!\* A sparkling account.—Wall Street Journal An electrifying adventure into the rich history of skiing and the modern heart of ski-bum culture, from one of America's most preeminent ski journalists The story of skiing is, in many ways, the story of America itself. Blossoming from the Tenth Mountain Division in World War II, the sport took hold across the country, driven by adventurers seeking the rush of freedom that only cold mountain air could provide. As skiing gained in popularity, mom-and-pop backcountry hills gave

way to groomed trails and eventually the megaresorts of today. Along the way, the pioneers and diehards—the ski bums—remained the beating heart of the scene. Veteran ski journalist and former ski bum Heather Hansman takes readers on an exhilarating journey into the hidden history of American skiing, offering a glimpse into an underexplored subculture from the perspective of a true insider. Hopping from Vermont to Colorado, Montana to West Virginia, Hansman profiles the people who have built their lives around a cold-weather obsession. Along the way she reckons with skiing's problematic elements and investigates how the sport is evolving in the face of the existential threat of climate change.

Outside In Courtney Thorne-Smith, 2008-09-09 From one of America's most beloved television actresses: A sharply observed, comedic novel about the flipside of fame—and a fresh take on Hollywood in all its outrageous, entertaining glory. On the outside, Kate Keyes-Morgan seems to have it all: a starring role on the hit television series *Generations*, a handsome husband who is also her manager, a stick-thin figure, and a career that, after a Kirstie Alley-style slide, is finally back on track. At the age of thirty, Kate knows what it's like to have the tabloids turn on you, and she never wants it to happen again. Thank goodness her husband, Hamilton, is there to manage her every move—even if the strict dieting and morning weigh-ins are becoming more than she can manage. But when Hamilton leaves her for another actress on *Generations*, the ruthless diva Sapphire Rose, Kate suddenly finds herself in charge of her own life. Now she must decide whether she's ready to stop playing by the Hollywood rulebook and discover who she really is. With the help of her wise-cracking friend and tough-love hairstylist, Paige, and Michael, a high-powered film agent who secretly dreams of becoming a novelist, Kate begins to question her role in an industry that venerates appearance, money, and fame above all else, and that applies ceaseless pressure on women to always be thinner,

younger, and more beautiful, at any cost. From high fashion to on-set antics to the real-life whispers about celebrities that even the tabloids never tell, Courtney Thorne-Smith depicts the entertainment world as only an insider can. Yet beneath the glamorous facade lies a natural-born writer with a gift for comic timing and shaping memorable characters. If you've ever wanted to experience life in the spotlight or wondered what goes on behind dressing room doors, *Outside In* is your invitation into the glittering world of Hollywood's biggest stars.

*Play Outside!* Laurent Moreau, 2020-06-16 Enough! Why don't you play outside? An exasperated mother sends her boisterous children outside—but their games take them further than she could have imagined! Brother and sister soon leave their garden behind, venturing through breathtaking landscapes, crossing deserts, climbing mountains, sailing the seas, and exploring jungles. Along the way, they encounter animals from black bears and scorpions to barracudas and orangutans, and many that are endangered or nearly extinct. Blending storytelling, adventure, and information, *Play Outside!* highlights the beauty and fragility of the natural world and celebrates our human connection to it. Readers can search for more than 250 animal species hidden in the art, each one featured in an illustrated index that shows where in the world they can be found and highlights their level of vulnerability to extinction.

*Outside Your Window* Nicola Davies, 2012-02-14 This gorgeously illustrated volume of poetry — sprinkled with facts and fun things to do — sows an early love for nature in all its beauty and wonder. The buzz of bees in summertime. The tracks of a bird in the winter snow. This beautiful book captures all the sights and sounds of a child's interactions with nature, from planting acorns or biting into crisp apples to studying tide pools or lying back and watching the birds overhead. No matter what's outside their windows — city streets or country meadows — kids will be inspired to explore the world around

them. Written by award-winning author Nicola Davies and illustrated by Mark Hearld, a breathtaking new talent in children's books, *Outside Your Window* is a stunning reminder that the natural world is on our doorstep waiting to be discovered.

Olympic medalist Adam Rippon has been making it pretty for the judges even when, just below the surface, everything was an absolute mess.
