📖 **THE GODLY MAN’S PICTURE** THOMAS WATSON,2023-11-01 Here in this book, you have a godly person’s portrait, and you see him portrayed in his full qualities and features. What a rare thing godliness is! Godliness is a ray and beam that shines from God. If God is true, then godliness is true. Genuine godliness is not light and fluffy, but it is solid and will engage the heart and spirit. Christian, aspire after piety; it is a lawful ambition. Look at the saints’ characteristics here, and never stop until you have got those same characteristics stamped upon your own soul.

📖 **WISDOM AND THE MILLERS** MILDRED A. MARTIN,1993 Make Proverbs come alive for the children in your home, church, or school. Here is a character-building collection of stories by an Amish Mennonite author. Each chapter explains and illustrates a passage from the book of Proverbs with a story.

📖 **EASTON’S BIBLE DICTIONARY** M. G. EASTON,2017-08-19 Easton’s Bible Dictionary is a classic book of definitions which serves to explain and clarify the meaning of the names, places, and words found in the Bible. Many Christians and scholars who read the Bible often remain unawares of the meanings or significance of the Holy Book’s vocabulary. Such words are often derived from ancient Hebrew or other old scripts, which makes it even more difficult for readers who only speak English to understand. Location names, in the context of ancient geography, are likewise hard to scrutinize - yet Easton’s Dictionary not only explains what these places are, but their size and overall impact across the entire Bible. First published in 1893, this dictionary uses the authoritative King James Bible as its source. As well as containing definitions and accounts of the many terms found throughout the Old and New Testaments, Easton’s Bible Dictionary points out the significance of certain things and exactly where mentions of such phenomena appear in the Bible. The presence and significance of iron, for example, is noted in the Books of Genesis, Chronicles, Ezekiel, Deuteronomy, Isaiah, Job, Joshua, Kings and in the Psalms. Individuals in the Bible are also given biographical definitions. Through Easton’s referencing of the names, we can discover the exact Bible passages where such figures are mentioned. Likewise we hear of terms relevant to the life of the ancient peoples; the term ‘Levy’ for instance is shown to equate to a form of involuntary recruitment which kings ordered. Words in frequent use today, such as ‘schism’, are also shown to originate from the Bible. Other words we use today - such as ‘teeth’, are shown to have been informal terms: ‘cleanness of teeth’ in Amos 4:6 denotes an outbreak of famine, for example. Many of the parables and tales of the Bible are retold in abbreviated form in Easton’s Bible Dictionary. These retold anecdotes reference other relevant passages, further evidencing how the various portions of the Bible are interconnected and related to one another. Such a style also gives this unconventional dictionary a flowing quality, making it easier for the reader to enjoy large tracts of this text without pause. The ancient world of the biblical canon is given life and color by Easton’s descriptions. Primarily however, Easton’s masterwork is designed for reference. Yet it not only defines the individual entries, but places these entries in their proper context throughout both the Old and New Testaments. Owing to this wealth of information, the reader may perceive that Easton’s Dictionary is not merely a book of definitions, but an authoritative and significant work of classic Christian literature.

📖 **PROVERBS FOR YOU** KATHLEEN NIELSON,2020-07-01 Divine wisdom for your everyday life from the book of Proverbs. In the Proverbs, God offers us wisdom for real life and he shows us Jesus, who was wisdom personified and exemplified. This accessible, absorbing expository guide to the Proverbs by Kathleen Nielson brings these ancient sayings to life, helping ordinary Christians to see what it can look like to enjoy living in line with God’s wisdom in the great multitude of everyday situations and decisions we face. This book gives an expository rather than topical treatment to the book of Proverbs, so it can be read as originally intended. It also has more application than a typical commentary, making it a great resource for personal devotions, as well as useful for leading small-group studies or sermon preparation.

📖 **IMPROV WISDOM** PATRICIA RYAN MADSON,2010-03-24 In an irresistible invitation to lighten up, look around, and live an unscripted life, a master of the art of improvisation explains how to adopt the attitudes and techniques used by generations of musicians and actors. Let’s face it: Life is something we all make up as we go along. No matter how carefully we formulate a “script,” it is bound to change when we interact with people with scripts of their own. Improv Wisdom shows how to apply the maxims of improvisational theater to real-life challenges—whether it’s dealing with a demanding boss, a tired child, or one of life’s never-ending surprises. Patricia Madson distills thirty years of experience into thirteen simple strategies, including “Say yes,” “Start anywhere,” “Face the facts,” and “Make mistakes, please,” helping readers to loosen up, think on their feet, and take on everything life has to offer with skill,chutzpah, and a sense of humor.
