**La Alianza del Pacífico: Plataforma de integración regional con proyección al Asia Pacífico** Adriana Roldán,2015-02-01 La alianza del pacífico: plataforma de integración regional con proyección al Asia Pacífico analiza uno de los procesos más ambiciosos de integración en América Latina. El cuál busca una construcción gradual de un área de integración profunda, caracterizada por la libre circulación de bienes, servicios, capitales y personas entre sus países miembros (Chile, Colombia, México y Perú), para promover la cooperación regional. Luego de la celebración de varias cumbres presidenciales y de contar con 32 miembros observadores, se mantiene vigente con un fuerte respaldo político. Un elemento característico de la Alianza del Pacífico es la visión de sus fundadores para proyectar este nuevo mecanismo al mundo específicamente hacia el Asia Pacífico. La presente publicación estudia sus aspectos más importantes con el fin de encontrar caminos que le permitan una mayor integración con esta región del mundo. Para ello, el Centro de Estudios Asia Pacífico de la Universidad EAFIT ha convocado a un grupo de expertos provenientes de los diversos país de la Alianza del Pacífico, quienes analizan la evolución y proyección del grupo desde las perspectivas del comercio de bienes y servicios, la inversión extranjera, el movimiento de personas y la cooperación en materias de educación y turismo.

Hablamos con una tendera de Burkina Faso, analizamos las nuevas viviendas sociales resilientes al clima de la República Dominicana y descubrimos cómo un banco cambia la situación de las mujeres que poseen sus propios negocios en Uganda. En 2019, el BEI invirtió casi 1 400 millones de euros en proyectos en estas regiones. En este informe, detallamos a dónde va dirigida nuestra financiación y examinamos de cerca el impacto de nuestras inversiones.

**Seis Cuatro** Hideo Yokoyama,2021-01-14 La pesadilla que ningún padre podría soportar. El caso que ningún inspector podría resolver. El giro que ningún lector podría prever. En enero de 1989, una niña de siete años fue raptada al norte de Tokio. Los padres nunca llegaron a saber la identidad del secuestrador. Tampoco volvieron a ver a su hija. Nombre en clave del caso: Seis Cuatro. Más de una década después, el jefe de prensa de la policía se ve obligado a volver sobre el suceso, cuyo estigma no se ha diluido en el tiempo: el fracaso de la investigación sigue siendo motivo de escándalo. Pero el veterano Mikami no aspira ya a resolver el crimen, solo pretende tender una mano a la familia de la víctima y contribuir de algún modo a limpiar la reputación del cuerpo. Sin embargo, tras detectar una irregularidad en el expediente, Mikami acabará desvelando el móvil de un delito que encierra secretos inimaginables. La crítica ha dicho... «Una fascinante versión del Japón actual y sus mecanismos de control de la información entre policía, prensa y sociedad. Yokoyama [...] es un escritor fornido y musculado. Escribe mejor y más lejos que Larsson, es menos marciano que el sublime David Peace y sirve los platos al punto justo: ni crudos ni cocidos. Literatura de letra clara, mirada occidental y ritmo sin aceleraciones». Carlos Zanón, Esquire «Una obra excepcional y delicada como un drama de Mizoguchi. La novela del año. [...] Es una excepcional novela de intriga psicológica y de un verismo abrumador». Lluís Fernández, La Razón «Un procedimental impecable acompaña a una obsesiva apuesta literaria, un amor por los detalles y las miradas, y una construcción compleja del protagonista a la altura de los mejores del género. El amor o la reflexión sobre la pérdida también tienen lugar en esta historia que cumple con sus inmensas ambiciones.» Juan Carlos Galindo, Babelia de El País «Aparte de lo adictivo de su lectura, enseña muchas cosas sobre Japón, su policía y su sociedad, y es lisa y llanamente una de las mejores novelas negras que he leído en mi vida.» David Peace, autor de Tokyo Year Zero «Totalmente adictiva... Por su manera de hacernos vivir la corrupción, pero también el heroísmo,de la policía japonesa, y por su sentido lírico, Yokoyama parece destinado a convertirse en el James Ellroy de Tokio.» Jane Kerridge, Sunday Express «El clásico argumento del policía bueno que destapa corruptelas se convierte bruscamente en una de las historias de venganza más notables de la novela policíaca moderna.» Joan Smith, The Sunday Times «La trama sería absorbente en cualquier idioma... No es solo una novela sobre los mecanismos de la policía, sino una guía de Japón... Últimamentese habla mucho de darse atracones de series. Aquí se puede uno dar un atracón de lectura.» Mark Lawson, The Guardian «Seis Cuatro es una novela de mucho calibre, una obra maestra que solo podía escribir Hideo Yokoyama, trascendiendo con habilidad las limitaciones del género policíaco para fundir con éxito el mundo de lo detectivesco con el del drama humano.» Mystery Magazine (Japón)

**O Terror Das Curutelas !** Maria Helena Guedes,2015-12-10 Uma semana antes do Halloween, um maluco (que não é o Michael Myers) aparece fugindo de uns Homens de Preto, sabe-se lá o porquê. Depois de quase ser enforcado, o cujo consegue chegar num hospital público, onde diz para os médicos e enfermeiras que alguém vai vir e matar todo mundo numa noite de Lua cheia (lembrando novamente, esse alguém não é o Michael Myers, ele nem dá o ar de sua graça nesse filme). Obviamente, todo mundo acha que o sujeito está cheio da cana, e ninguém o leva muito a sério. A única coisa que fazem é aplicar uma injeção de derrubar leão nele, o que é o suficiente para botá-lo pra dormir.
