For the Love of Cub Scouts David Levesque, 2013-08-07 Wm. David Levesque was asked to become the next Cubmaster, soon after his son Josh joined the Cub Scouts as a Tiger Cub. In this unofficial guide, he shares how the pack tripled in size by engaging over 90% of the families to deliver both fun and program to the Scouts. In an easy to read style, he shares his experience on topics you will need to address to build a stronger pack your Scouts will love in only an hour a week. Cub Scout Program Basics Pack Structure Pack Program Planning Budgets and Fund-Raising Recruiting Scouts Developing Volunteers Program Ideas Running a Pack Valuable Resources More Scouting has provided my life many special moments, new friends and the satisfaction of working for a larger purpose. It is my fondest wish that you will find such value in your Scouting experience as well. In the end, it is about the Scouts

Lds Guide to Scouting in the Primary Joanne H. Osmond,2011-10-01 Scouting in the Church of Jesus Christ of Latter-day Saints follows guidelines from Church Headquarters in Salt Lake City. The 2011 Scouting Handbook for Church Units in the United States describes the Church's relationship to Cub Scouting and how to use the program as the youth program for boys eight - ten years old. It also explains the Boy Scouting program for boys eleven - eighteen. The keys to a successful Scouting experience are: 1) understanding the value of Scouting in preparing boys to live the gospel principles, 2) parent involvement, and 3) a commitment to Scouting by ward and stake leadership. Unit leaders in Cub Scout, Boy Scout, Varsity, and Venturing need training not only through the Boy Scout training programs but also by Church leaders with a firm foundation of the purpose and potential of Scouting in shaping the lives of boys and young men.Although the aims of BSA and the Church are essentially the same, there are differences in the implementation of the program. Boys enter and move through the ranks based on their birth date requiring a different approach to program planning than currently

offered by the Boy Scouts of America. Many Cub Scout packs outside the LDS Church plan their program based on the school year with Cub Scouts moving from one rank to another depending on their grade in school. These units plan for the boys to advance together and graduate in February into Boy Scouts, while LDS boys advance to the next rank on their birthday. Cross over ceremonies occur throughout the year and happen when the boy turns eleven and joins the eleven-year-old Scout patrol. Packs chartered by wards in the Church do not participate in Tiger Cubs nor do they participate in over-night camping even for Webelos; an all-day hike will meet the requirement for Arrow of Light. Recruitment, funding, and basic procedures are tailored to the specific needs of our stakes and wards. The LDS program defined in this guide utilizes achievements and activities that focus on the monthly core values. Because many of the LDS packs are small, typically all of the Cub Scouts meet together to work on rank requirements. Wolf, Bear, and Webelos activities are grouped together and align with the core values and Faith in God. For example, in September all three ranks worked on Fitness and Sports. Starting with a firm foundation of LDS Scouting, the Academic and Sports Program Guide plus song, activity, ceremony, and other publications are useful resources to use in planning a meaningful Cub Scout program. Using a flexible calendar and planning the year based on the needs of the boys, LDS units provide an exceptional Scouting experience for Cub Scouts and Boy Scouts with an excellent record of advancement and retention.

Scout's Honor Patrick Boyle, 1994 No criminal in American society is more despised than the man who has sex with children. This is his story. He offends us, but it's time to listen. Hardly a week goes by without news of yet another respected adult - Scoutmaster, teacher, priest, or pop singer - accused of child molesting. Into this uproar steps Scout's Honor, which systematically examines the history of sexual abuse in America's most revered youth group and tells us what we should know about men whose desires seem too bizarre to understand. Through a computer analysis of nearly 2000 previously secret files on child-abusing Scout leaders; through interviews with molesters, victims, investigators, and top Scout officials; and by digging through court records and 80-year-old Scout documents, author Patrick Boyle traces sexual abuse from Scouting's roots to today's headlines.--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc.
