The Carry-On Traveller Erin McNeaney,2016-03-28 Have you ever struggled with packing for a trip? You can't decide what you'll need, so you pack for every scenario and take far too much. You struggle to fit everything in your bag, you get stressed lugging it around, and you pay a fortune in airline luggage fees. The Carry-On Traveller will teach you not only how to lighten your load, but how to pack everything you need into a single carry-on-size bag. You can apply these strategies to any trip, whether you are travelling for a week or a year, to hot or cold climates, alone or with kids. By travelling carry-on only, you'll save time at airports, avoid wasting money on checked luggage fees (which are increasingly common), and reduce the stress of hauling bulky bags. It's not an all or nothing approach. Packing light is a learning process, and you might want to take it gradually. Even if you don't travel carry-on only on your next trip, this book will help you pack lighter.
