Nick Offerman

*Paddle Your Own Kayak* Gary McGuffin,Joanie McGuffin,2012 Well-illustrated with more than 600 color photographs, this how-to book achieves as high a standard as the authors' *Paddle Your Own Canoe* with step-by-step instructions on essential techniques, and includes history, recommendations, camping and more.

Paddle Your Own Canoe Nick Offerman,2013-10-01 Parks and Recreation actor and Making It co-host Nick Offerman shares his humorous fulminations on life, manliness, meat, and much more in this New York Times bestseller. Growing a perfect moustache, grilling red meat, wooing a woman—who better to deliver this tutelage than the always charming, always manly Nick Offerman, best known as Parks and Recreation’s Ron Swanson? Combining his trademark comic voice and very real expertise in woodworking—he runs his own woodshop—Paddle Your Own Canoe features tales from Offerman’s childhood in small-town Minooka, Illinois—“I grew up literally in the middle of a cornfield”—to his theater days in Chicago, beginnings as a carpenter/actor and the hilarious and magnificent seduction of his now-wife Megan Mullally. It also offers hard-bitten battle strategies in the arenas of manliness, love, style, religion, woodworking, and outdoor recreation, among many other savory entrees. A mix of amusing anecdotes, opinionated lessons and rants, sprinkled with offbeat gaiety, *Paddle Your Own Canoe* will not only tickle readers pink but may also rouse them to put down their smart phones, study a few sycamore leaves, and maybe even hand craft (and paddle) their own canoes.

*Fearless* Joe Glickman,2012-01-24 Like the instant classic *The Last American Man*, *Fearless* is the story of a remarkable individual who accepts no personal limits—including fear. Freya Hoffmeister, a forty-six-year-old former sky diver, gymnast, marksman, and Miss Germany contestant, left her twelve-year-old son behind to paddle alone and unsupported around Australia—a year-long adventure that virtually every expert guaranteed would get her killed. She planned not only to survive the 9,420-mile trip through huge, shark-infested seas, but to do it faster than the only other paddler who did it. As journalist and expert kayaker Joe Glickman details the voyage of this Teutonic force of nature, he captures interminable days on the water and nights camped out on deserted islands; hair-raising encounters with crocs and great white sharks; and the daring 300-mile open-ocean crossing that shaved three weeks off her trip. For 332 days Glickman followed Freya’s journey on her blog—along with a far-flung audience of awestruck, even lovesick, groupies—as she took on one terrifying ordeal after the next. In the end, he says, “her vanity and pigheadedness paled next to her nearly superhuman ability to master fear and persevere.”

Around Madagascar On My Kayak Riaan Manser,2010-11-15 In the last five years Riaan Manser has re-written the definition of tenacity and become the epitome of determination. Riaan rose to prominence when he became the first person to cycle around the entire perimeter of Africa. For over two years, he padalled a mammoth 37,000kms through 34 countries; some of which rank as the most dangerous places on Earth. It was a feat that earned him the title Adventurer of the Year 2006 and made his resulting book, Around Africa on my Bicycle, a best-seller. In July 2009 Riaan again set another world first when he became the first person to circumnavigate the world's fourth largest island of Madagascar by kayak; another expedition achieved alone and unaided. This incredible journey, 5000km in eleven months, was considerably more demanding, both physically and mentally. Daily, Riaan had to conquer extreme loneliness while ploughing through treacherous conditions such as cyclones, pounding surf and an unrelenting sun that, combined with up to ten hours in salt water, was literally pickling his body. The perseverance, of course, brought memorable close encounters with Madagascar's marine life - humpback whales breaching metres away from his kayak, giant leatherback turtles gliding alongside him and even having his boat rammed by sharks. Riaan travelled around Madagascar during a period of the country's political turmoil, which gave him unrivalled insight into the exotic island's psyche and even earned him two nights in prison on suspicion of carrying out mercenary activities. Around Madagascar in my Kayak is packed with engaging stories and beautiful photographs and is set to become another best-seller.
