Little Stars Great Journey

Keith Baker

Total Immediate Collective Imminent Terrestrial Salvation Tim Crouch, 2019-08-01 Jesus didn't die so we could be reborn, lady, the stars did. The writer leads his followers towards the end of this world and the start of a new one. The book he's written predicts it all – the equations, the black hole, all the words we'll speak till then. On this last day, at this last hour, a defector finds her voice and returns.

Pulp Art Robert Lesser, 2005 The term pulp fiction has always had a certain resonance; but it is the artwork--bold, energized, dramatic, garishly colorful, and frequently grotesque--that has made pulp magazines memorable to so many people. *Pulp Art* is the groundbreaking--and ultimate--book on one of America's most important and spectacular forms of illustration art. At last, preserved in this volume are most of the still-existing originals created for the pulp covers, never before seen in all their sharply focused, vibrantly colored brilliance. Robert Lesser, a pioneering collector of this work and an expert on American popular culture, has assembled a gallery of these now-priceless originals. The dynamically pulp-flavored text is a complete historical survey of the pulps and their most important cover artists--Virgil Finlay, J. Allen St. John, Rafael de Soto, Hannes Bok, George and Jerome Rozen, Frank R. Paul, and many others. Also offered are critical discussions of individual paintings, as well as the major themes of the pulp magazines.

What if you could go from a 4/10 in looks to an 8/10, without having to go on a diet, adopt some crazy workout regimen, get plastic surgery, or change anything about your body? Sure, some guys are born with physical advantages. But the truth is, any man can learn to look more handsome... A LOT more. Handsomeness isn't just something you're born with-it's something you build.

From the grooming habits you practice and style choices you make to the body language with which you carry yourself, handsomeness is the sum total of your ability to project a poised, polished and confident image to the world. Whether you're a student in school, a professional in his prime or a gentleman in his golden years, your ability to deploy handsome hacks and level up your look determines the amount of attention you get from women, the amount of respect you get from other men and (most importantly) the amount of confidence you feel in yourself.
