Coloring Book: My First Drawing and Coloring - Animals and Other Pictures to Finish Drawing and Coloring Timmy's Coloring Books,2018-04-09 NEW - NEW - NEW - PUBLISHED IN APRIL 2018 For girls and boys: pictures to finish drawing and coloring This 80-page coloring book contains exercise templates for painting and drawing for children over the age of 3 years. Especially interesting: before the motifs can be colored in, their outlines must be completed first. There are two levels of difficulty each for this purpose: the motifs (animals, flowers and all sorts of things) are always duplicated. On the left in a slightly incomplete outline, on the right in a more incomplete outline. Compared to mere coloring, the partially outlined motifs, which must be completed by the child, represent an additional challenge and a creative learning experience. The book thus makes coloring and drawing fun, with which imagination, creativity, and motor skills are stimulated and encouraged. Let your child draw the picture outlines, paint the motifs and complete the whole book with their own ideas. This way creative, individual pictures can be created. The imagination of young artists is therefore fully free, despite the firmly defined tasks. The light gray outlines of the motifs can be easily covered in color. For drawing and coloring soft crayons are suitable. Anyone who has worked with the coloring book My First Numbers from the series Timmy's Coloring Books will recognize many of the illustrations used in this book. Because of the fundamentally different topic, task and image sizes, the popular motifs in this book are newly presented and used again!
