 **CHARTWELL MANOR** Glenn Head,2021-05-25 No one asks for the childhood they get, and no child ever deserved to go to Chartwell Manor. For Glenn Head, his two years spent at the now-defunct Mendham, NJ, boarding school — run by a serial sexual and emotional abuser of young boys in the early 1970s — left emotional scars in ways that he continues to process. This graphic memoir — a book almost 50 years in the making — tells the story of that experience, and then delves with even greater detail into the reverberations of that experience in adulthood, including addiction and other self-destructive behavior. Head tells his story with unsparring honesty, depicting himself as a deeply flawed human struggling to make sense of the childhood he was given.
