The Four Tendencies Gretchen Rubin, 2017-09-12 NEW YORK TIMES BESTSELLER . Are you an Upholder, a Questioner, an Obliger, or a Rebel? From the author of *Better Than Before* and *The Happiness Project* comes a groundbreaking analysis of personality type that "will immediately improve every area of your life" (Melissa Urban, co-founder of the Whole30). During her multibook investigation into human nature, Gretchen Rubin realized that by asking the seemingly dry question "How do I respond to expectations?" we gain explosive self-knowledge. She discovered that based on their answer, people fit into Four Tendencies: • Upholders meet outer and inner expectations readily. "Discipline is my freedom." • Questioners meet inner expectations, but meet outer expectations only if they make sense. "If you convince me why, I'll comply." • Obligers (the largest Tendency) meet outer expectations, but struggle to meet inner expectations--therefore, they need outer accountability to meet inner expectations. "You can count on me, and I'm counting on you to count on me." • Rebels (the smallest group) resist all expectations, outer and inner alike. They do what they choose to do, when they choose to do it, and typically they don't tell themselves what to do. "You can't make me, and neither can I." Our Tendency shapes every aspect of our behavior, so using this framework allows us to make better decisions, meet deadlines, suffer

less stress, and engage more effectively. It's far easier to succeed when you know what works for you. With sharp insight, compelling research, and hilarious examples, *The Four Tendencies* will help you get happier, healthier, more productive, and more creative.

Taking Paris Martin Dugard, 2021-09-07 NATIONAL BESTSELLER • From Martin Dugard, the #1 New York Times bestselling coauthor of the *Killing* series with Bill O'Reilly, comes the spellbinding story of the Allied liberation of Paris from the grip of the Nazis during World War II "Taking Paris does for Paris during World War II what *The Splendid and the Vile* did for London."—James Patterson • "Heroes and villains abound. You'll enjoy this fast-paced book immensely."—Bill O'Reilly • "Succeeds triumphantly."—The Washington Post May 1940: The world is stunned as Hitler's forces invade France with a devastating blitzkrieg aimed at Paris. Within weeks, the French government has collapsed, and the City of Lights, revered for its carefree lifestyle, intellectual freedom, and love of liberty, has fallen under Nazi control—perhaps forever. As the Germans ruthlessly crush all opposition, a patriotic band of Parisians known as the Resistance secretly rise up to fight back. But these young men and women cannot do it alone. Over 120,000 Parisians die under German occupation. Countless more are tortured in the city's Gestapo prisons and sent to death camps. The longer the Nazis hold the city, the greater the danger its citizens face. As the armies of America and Great Britain prepare to launch the greatest invasion in history, the spies of the Resistance risk all to ensure the Germans are defeated and Paris is once again free. The players holding the fate of Paris in their hands are some of the biggest historical figures of the era: Winston Churchill, Franklin Roosevelt, General George S. Patton, and the exiled French general

Charles de Gaulle, headquartered in London's Connaught Hotel. From the fall of Paris in 1940 to the race for Paris in 1944, this riveting, page-turning drama unfolds through their decisions—for better and worse. Taking Paris is history told at a breathtaking pace, a sprawling yet intimate saga of heroism, desire, and personal sacrifice for all that is right.

Flipped Wendelin Van Draanen, 2003-05-13 A classic he-said-she-said romantic comedy! This updated anniversary edition offers story-behind-the-story

revelations from author Wendelin Van Draanen. The first time she saw him, she flipped. The first time he saw her, he ran. That was the second grade, but not much has changed by the seventh. Juli says: "My Bryce. Still walking around with my first kiss." He says: "It's been six years of strategic avoidance and social discomfort." But in the eighth grade everything gets turned upside down: just as Bryce is thinking that there's maybe more to Juli than meets the eye, she's thinking that he's not quite all he seemed. This is a classic romantic comedy of errors told in alternating chapters by two fresh, funny voices. The updated anniversary edition contains 32 pages of extra backmatter: essays from Wendelin Van Draanen on her sources of inspiration, on the making of the movie of *Flipped*, on why she'll never write a sequel, and a selection of the amazing fan mail she's received. Awards and accolades for *Flipped*: SLJ Top 100 Children's Novels of all time IRA-CBC Children's Choice IRA Teacher's Choice Honor winner, Judy Lopez Memorial Award/WNBA Winner of the California Young Reader Medal "We flipped over this fantastic book, its gutsy girl Juli and its wise, wonderful ending." – The Chicago Tribune "Van Draanen has another winner in this eighth-grade 'he-said, she-said' romance. A fast, funny, egg-cellent winner." – SLJ, Starred review "With a charismatic leading lady kids will flip over, a compelling dynamic between the two narrators and a resonant ending, this novel is a great deal larger than the sum of its parts." –Publishers Weekly, Starred review

My Wonderful World Of Slapstick Buster Keaton, Charles Samuels, 2015-11-06
Over half century ago the society for the Prevention of Cruelty to Children complained to Mayor Van Wyck, of New York, that Joe Keaton, a vaudeville actor, was brutally mistreating his five-year old son. At each afternoon and evening performance the child, billed as "The Human Mop", was slammed on the floor, hurled into the wings, and sometimes banged into bass drums. Unable to find a bruise or scratch on the lad, Mayor Van Wyck refused to ban the act. The "Human Mop" bounced on to worldwide fame as Buster Keaton, one of this century's greatest comedians. In this intimate autobiography Buster Keaton tells his whole personal and professional story, beginning with his colourful and exciting childhood as the undentable tot in the "Three Keatons" whose proudest boast was having the rowdiest, roughest act in vaudeville. Buster has played with all the great ones, from George M. Cohen and Bojangles Robinson and Al Jolson to Jack Paar and Ed Sullivan and Red Skelton, during

his sixty years as a star in vaudeville, silent and talking pictures, night clubs and television. Roscoe (Fatty) Arbuckle got him into the movies and taught him how to throw a custard pie. Buster could not even keep slapstick out of his eleven months as a draftee in our World War I army. He came out to help create the Golden Age of Comedy with his friends Charlie Chaplin, Harold Lloyd, Arbuckle, Mack Sennett and the Keystone Cops. Marital troubles and alcoholism once got Buster down, but could not keep him down. MY WONDERFUL WORLD OF SLAPSTICK was written with the collaboration of Charles Samuels, co-author of His Eye Is On the Sparrow, Ethel Waters' best-selling autobiography. Buster Keaton's Life Story will enchant and thrill all those who enjoy looking past the glitter and the grease paint into a magnificent performer's mind and heart.
