Subpar Parks Amber Share,2021-07-13 ****A New York Times Bestseller!**** Based on the wildly popular Instagram account, Subpar Parks features both the greatest hits and brand-new content, all celebrating the incredible beauty and variety of America's national parks juxtaposed with the clueless and hilarious one-star reviews posted by visitors. Subpar Parks, both on the popular Instagram page and in this humorous, informative, and collectible book, combines two things that seem like they might not work together yet somehow harmonize perfectly: beautiful illustrations and informative, amusing text celebrating each national park paired with the one-star reviews disappointed tourists have left online. Millions of visitors each year enjoy Glacier National Park, but for one visitor, it was simply Too cold for me! Another saw the mind-boggling vistas of Bryce Canyon as Too spiky! Never mind the person who visited the thermal pools at Yellowstone National Park and left thinking, "Save yourself some money, boil some water at home." Featuring more than 50 percent new material, the book will include more depth and insight into the most popular parks, such as Yosemite, Yellowstone, the Grand Canyon, and Acadia National Parks; anecdotes and tips from rangers; and much more about author Amber Share's personal love and connection to the outdoors. Equal parts humor and love for the national parks and the great outdoors, it's the perfect gift for anyone who loves to spend time outside as well as have a good read (and laugh) once they come indoors.

Julian Bond's Time to Teach Julian Bond, 2021-01-12 A masterclass in the civil rights movement from one of the legendary activists who led it. Compiled from his original lecture notes, Julian Bond's Time to Teach brings his invaluable teachings to a new generation of readers and provides a necessary toolkit for today's activists in the era of Black Lives Matter and #MeToo. Julian Bond sought to dismantle the perception of the civil rights movement as a peaceful and respectable protest that quickly garnered widespread support. Through his lectures, Bond detailed the ground-shaking disruption the movement caused, its immense unpopularity at the time, and the bravery of activists (some very young) who chose to disturb order to pursue justice. Beginning with the movement's origins in the early twentieth century, Bond tackles key events such as the Montgomery bus boycott, the Little Rock Nine, Freedom Rides, sit-ins, Mississippi voter registration, the Sixteenth Street Baptist Church Bombing, the March on Washington, the Civil Rights Act, Freedom Summer, and Selma. He explains the youth activism, community ties, and strategizing required to build strenuous and successful movements. With these firsthand accounts of the civil rights movement and original photos from Danny Lyon, Julian Bond's Time to Teach makes history come alive.
