Warhol-isms Andy Warhol,2022-05-10 A unique collection of brilliant quotations from the legendary Pop artist One of the most influential artists of his time and ours, Andy Warhol is nearly as renowned for what he said as for what he did. Indeed, he is so quotable that things he never said are endlessly and plausibly attributed to him, including, fittingly, the most celebrated fake Warhol saying—“In the future, everyone will be world-famous for 15 minutes.” Warhol-isms separates legend from fact to present a unique and comprehensive collection of authentic quotations from the Pop artist. Gathered from interviews and other primary sources, these deadpan, droll, ironic, and sincere gems—in which a superficial embrace of superficiality often disguises provocative, unconventional ideas—provide compelling insights into the life and work of an artist who has left an indelible mark on art and popular culture. Select quotations from the book: I think an artist is anybody who does something well.I went to [a psychiatrist] once, and he never called me back.They always say that time changes things, but you actually have to change them yourself.I’ve never met a person I couldn’t call a beauty.New things are always better than old things.I’m still a commercial artist. I was always a commercial artist.

The Gentle Weapon ,2011-12-01 “Life makes warriors of us all. To emerge the victors, we must arm ourselves with the most potent of weapons. That weapon is prayer.” —Rebbe Nachman of Breslov The “gentle weapon” of prayer can ease the soul and strengthen the heart, while bringing us closer to God and to a deeper understanding of ourselves. Two hundred years after he lived, the warm insights and generous wisdom of Rebbe Nachman of Breslov (1772–1810) continue to be a source of comfort for those in search of an uplifting perspective on life. —Rebbe Nachman of Breslov (1772–1810) A “little treasure” of prayers that will open your heart and soul and give voice to your deepest yearnings. Using the startling wisdom of Rebbe Nachman of Breslov, written two hundred years ago, The Gentle Weapon will help you talk with God and enable you to hear your own voice as well. This spiritual gem makes a loving gift to friends, family, or to ourselves when words of comfort are what’s needed the most.

The Ecuador Reader Carlos de la Torre,Steve Striffler,2009-01-16 Encompassing Amazonian rainforests, Andean peaks, coastal lowlands, and the Galápagos Islands, Ecuador’s geography is notably diverse. So too are its history, culture, and politics, all of which are examined from many perspectives in The Ecuador Reader. Spanning the years before the arrival of the Spanish in the early 1500s to the present, this rich anthology addresses colonialism, independence, the nation’s integration into the world economy, and its tumultuous twentieth century. Interspersed among forty-eight written selections are more than three dozen images. The voices and creations of Ecuadorian politicians, writers, artists, scholars, activists, and journalists fill the Reader, from José María Velasco Ibarra, the nation’s ultimate populist and five-time president, to Pancho Jaime, a political satirist; from Julio Jaramillo, a popular twentieth-century singer, to anonymous indigenous women artists who produced ceramics in the 1500s; and from the poems of Afro-Ecuadorians, to the fiction of the vanguardist Pablo Palacio, to a recipe for traditional Quiteño-style shrimp. The Reader includes an interview with Nina Pacari, the first indigenous woman elected to Ecuador’s national assembly, and a reflection on how to balance tourism with the protection of the Galápagos Islands’ magnificent ecosystem. Complementing selections by Ecuadorians, many never published in English, are samples of some of the best writing on Ecuador by outsiders, including an account of how an indigenous group with non-Inca origins came to see themselves as definitively Incan, an exploration of the fascination with the Andes from the 1700s to the present, chronicles of the less-than-exemplary behavior of U.S. corporations in Ecuador, an examination of Ecuadorians’ overseas migration, and a look at the controversy surrounding the selection of the first black Miss Ecuador.
