**The Big Breach** Richard Tomlinson,2001 Richard Tomlinson was recruited initially by MI6, the British foreign intelligence service, during his senior year at Cambridge University. In these memoirs, he claims to have quickly gained the trust and confidence of one of the world's most effective intelligence organizations, and that he was relied on to smuggle nuclear secrets out of Moscow. Tomlinson also writes that he ran an undercover operation in Sarajevo while the city was under siege, and infiltrated and dismantled a criminal group that sought to export chemical weapons capabilities to Iran.

**Business Strategies for Sustainability** Helen Borland,Adam Lindgreen,Francois Maon,V  ronique Ambrosini,Beatriz Palacios Florencio,Joelle Vanhamme,2018-10-03 *Business Strategies for Sustainability* brings together important research contributions that demonstrate different approaches to business strategies for sustainability. Many corporate initiatives toward what firms perceive to be sustainability are simply efficiency drives or competitive moves – falling far short of actual strategies for ecological sustainability. To suggest true ecological sustainability strategies, this new research anthology adopts an interdisciplinary, or transdisciplinary, approach to discern what business strategies might look like if they were underpinned by environmental and ecological science. The 23 chapters in this anthology reflect five main topic sections: (a) delineating sustainability challenges and visions; (b) contradiction, integration and transformation of business and sustainability logics; (c) innovating and developing strategic capabilities for sustainability; (d) assessing and valuing sustainability; and (e) toward multi-level engagement and collaboration.

**Still Here Kickin'** Carl Dixon, 2009-11 Still Here Kickin' was written for all cancer patients and caregivers to hopefully help others by telling my story. My family and friends have told me that my attitude and honesty regarding my cancer should be written down and shared with others. Thus, Still Here Kickin' was born. When I was first diagnosed, I never said Why me, Lord? I never got mad at anyone or at God. I wasn't scared. And as I always do, I started figuring out my Plans. I came up with Plans A-G. When A doesn't work, we move to Plan B, and if that stops working - on to Plan C and so on. When facing an incurable cancer, a positive attitude is the #1 factor for overcoming and living with this disease. I think this book is needed to help other cancer survivors maintain that positive attitude and learn to live with their problem and maintain that happy and fulfilling life. It is OK to laugh - all is not lost. Remember - you ARE A SURVIVOR starting with the date of your diagnosis. May GOD bless you and keep you throughout YOUR Journey.
